CONSTITUTION

Preamble

We, the messengers of Southern Baptist Churches of Iredell and Davie counties and territory adjacent thereto in the State of North Carolina, do hereby propose to establish and maintain the order of rules of a District Association in conformity to this constitution.

ARTICLE I: NAME

The name of the organization shall be the South Yadkin Baptist Association.

ARTICLE II: MEMBERSHIP

Section 1. This Association shall be composed of regularly constituted Southern Baptist Churches in Iredell and Davie counties and adjacent territory who have been duly accepted into membership by the Association. They may be represented at its regular or special meetings by duly elected messengers in the following ratio:

(a) Two for the first fifty members or fraction thereof and one for each fifty additional members or major fraction thereof, provided that no church shall be entitled to more than ten messengers.

(b) All ordained ministers who are pastors therein or laboring in connection therewith.

Section 2. The Association shall be sole judge of its membership and may receive or reject churches applying for membership therein at its pleasure, provided that the churches so received shall agree to come under watchcare of the Association for a period of one year. During this period of watchcare such church or churches shall be entitled to all the rights and privileges of the Association except that of their members voting and holding office. At the conclusion of this period, should no objections be raised, they then become members in regular standing by action of the Association in annual session, or by the Executive Promotion Committee at a regular meeting.

Section 3. The New Testament shall be accepted as the sole guide in matters of doctrine and practice, and the Association shall reserve the right to withdraw fellowship from any church that does not conform thereto.

ARTICLE III: PURPOSE

The primary purpose of this Association shall be to counsel together for the advancement of the cause of Christ for the promotion of unity and growth among the churches composing the Association; furthermore, it is the purpose of this Association to cooperate with the North Carolina Baptist State Convention and the Southern Baptist Convention and their agencies in the work of Missions, Christian Education, and Social Ministries.

ARTICLE IV: POWERS AND PREROGATIVES

The Association shall have no power whatever to infringe upon the autonomy of the churches. It may advise or recommend measures of guidance for their adoption but cannot bind them in any way. All the churches constituting the Association remain sovereign and independent bodies and unite that they may more effectively promote the cause of Christ throughout the world.

ARTICLE V: DUTIES OF THE CHURCHES

Section 1. It shall be the duty of each church to elect responsible members as messengers and to encourage their attendance at the annual session of the Association.

Section 2. Each church shall send annually a report to the Association, giving information requested in forms provided by the Associational Clerk.

ARTICLE VI: ORGANIZATION

Section 1. The general officers of the Association shall be a Moderator, Vice-Moderator, Clerk, Treasurer, and Historian, who shall be elected at each annual session, and shall be installed and assume their duties at the closing period thereof and continue said duties until their successors are elected and installed at the next annual session. These officers shall be elected by the Association with nominations being made from the floor.

Section 2. All officers and all members of all committees shall be members of churches affiliated with the Association.

Section 3. The term of office for the general officers of the Association shall not exceed two years in succession with the exception of the clerk and the treasurer of the Association, who may be re-elected to succeed themselves in office at the pleasure of the Association. The term of office for all members of committees of the Association shall be for one year.

ARTICLE VII: DUTIES OF OFFICERS

Section 1. It shall be the duty of the moderator to preside when the Association is in session and in other meetings as provided for in this constitution.

Section 2. It shall be the duty of the Vice-Moderator to preside in the absence of the Moderator and to assist him in every way possible.

Section 3. It shall be the duty of the clerk to keep an accurate record of the meetings of the Association and prepare minutes to be distributed within two months after the annual meeting or as soon thereafter as possible.

Section 4. It shall be the duty of the treasurer to keep an accurate account of all money paid into his hands, pay all bills as they come due, make regular reports to the Executive Promotion Committee, and make an annual report to the Association.

Section 5. It shall be the duty of the historian to collect minutes of each session of the Association and have these bound into book form every twenty years, and to collect and preserve records of the history of our Association.

ARTICLE VIII: RULES OF ORDER

The Moderator, or in his absence the Vice-Moderator, shall preside at all regular meetings. All officers shall faithfully discharge the duties usually pertaining to the office to which they have been elected. The following rules shall govern deliberations:

1. All business shall be conducted and all discussions shall be carried on in the manner prescribed in "Roberts Rules of Order".
2. The method of voting shall be by the will of the body.
3. The simple majority shall prevail in all cases except as otherwise provided by this constitution, provided that any member may at any time call for a secret ballot or a roll call on doubtful issue.
4. A ruling by the presiding officer shall be final unless appeal be made from such ruling to the entire body present.
5. A question having been decided twice by a vote in the same attitude at regular sessions of the Association shall not be reintroduced at that annual session, except by the consent of the body, as expressed by a majority vote.

ARTICLE IX: TIME OF MEETING

The Association shall meet annually on the Monday and Tuesday immediately following the third Sunday in October; however, in the case of some unavoidable circumstances that make a change in the date necessary, the moderator, and/or the vice-moderator is empowered to make such a change. The moderator and/or vice-moderator shall have the authority to call a special meeting of the Association should the need arise. In the event that the offices of moderator and vice-moderator become vacant, the Clerk shall have authority to call such meetings, provided that a notice of the time, place and purpose of such a called meeting shall be mailed to the pastors and clerks of the churches of the Association at least two weeks in advance of the time set for the called meeting.

ARTICLE X: THE ASSOCIATIONAL YEAR

The Associational year shall begin with the first of October of each year and close the following September 30.

ARTICLE XI: THE EXECUTIVE PROMOTION COMMITTEE

The Executive Promotion Committee shall be composed of: Moderator, Vice-Moderator and the heads of each organization of the Association: Sunday School Director, Church Training Director, Brotherhood Director, Woman's Missionary Union Director, Treasurer, Clerk, all Chairman of Standing Committees, Director of Music, Chairman of Trustees, Chairman of Missions Committee, Chairman of Evangelism, and pastor of each church and one member elected by each church. The

Associational Director of Missions shall be an ex-officio member. This committee shall act for the Association in the interim between annual sessions of the Association. It shall take no action contrary to the will of the Association, nor shall it initiate any new policy or practice binding upon the Association unless specifically so directed; provided that in an adequate emergency it may take such action as it may deem necessary, but such action so taken shall in every case be submitted to the next Annual Meeting of the Association for appropriate consideration. It shall make a full and complete report to the next Annual Associational Meeting. The Moderator of the Association shall be chairman of the Executive Promotion Committee. The Secretary shall be elected by this committee and shall be from within this committee.

The committee shall meet on the 3rd Tuesday night of the middle month of each quarter. The heads of each organization and chairmen of committees shall bring to this Executive Promotion Committee a report concerning their work, what they have done toward the progress of the work, and their goals for the future quarter.

In the event of the resignation or vacancy in the office of the Director of Missions, or in the office of the Director of Christian Social Ministries, the Executive Promotion Committee shall elect a search committee to find and recommend to the Executive Promotion Committee a successor.

ARTICLE XII: STANDING COMMITTEES

The Association shall have such Standing Committees as may be considered necessary to promote efficiently the work of the Association, the members of these committees to be nominated annually by the Committee on Committees unless otherwise determined by the Association. These committees shall make reports of their work to the Executive Promotion Committee or the Association in annual session.

ARTICLE XIII: DUTIES OF STANDING COMMITTEES

The Moderator and Director of Missions, by virtue of their office, are to counsel and advise with all Standing Committees.

1. The Committee on Committees. The duty of this committee is to bring to the annual meeting of the Association nominations for the Standing Committees, the Committees on Resolutions, and Place and Preacher, and to nominate any other committee authorized, unless otherwise provided for; however, it shall be the privilege of any qualified messenger to make additional nominations for members of any committee. This committee shall be appointed by the Moderator at each Annual Associational Meeting and serve to the end of the Associational Meeting of the year following.

2. The Nominating Committee. The Nominating Committee shall nominate all officers of the Association other than the general officers and submit its report to the Executive Promotion Committee or the Association in annual session.

3. The Program Committee. This committee shall be composed of the Moderator, Vice-Moderator, Music Director, Clerk, host pastor of the first day session, and host pastor of the second day session. The duty of the Program Committee is to plan the program for the Annual Meeting of the Association and bring it to the Executive Promotion Committee for information. The committee should begin its work well in advance of the meeting of the Association and should make sure that those requested to make reports are prepared and on hand. Copies of the program should be prepared and distributed to the messengers and visitors at the Associational Meeting.

4. The Finance Committee. This committee should keep a close watch on the needs of the Association for an adequate budget for a well-balanced program of work, and should be prepared to bring to the Association in annual session a proposed budget. This committee should also be prepared to advise with the treasurer of the Association during the year concerning the items in the budget to the end that the Association may be kept in a healthy financial condition. It shall be the duty of the Finance Committee to see that an audit of the Treasurer's books be made following the close of the Associational year and presented to each annual meeting of the Association.

5. The Committee on Calendar of Activities. This committee shall be composed of the Moderator, Vice-Moderator, Associational Sunday School Director, Church Training Director, Woman's Missionary Union Director, Brotherhood Director, Music Director and Evangelism Chariman. These shall work with the Associational Director in studying carefully the program of work for the entire Association and the needs of all the churches. In the light of this study, this committee shall work out an annual calendar of activities for the Association to be presented at the annual meeting for approval.

6. The Committee on the Reception of New Churches. It should be the work of this committee to make proper investigation of the churches that express a desire to affiliate with the Association concerning their being orthodox in faith and cooperative in spirit and to report their findings and recommendations concerning the reception or rejection of such churches to the Association in annual session or the Executive Promotion Committee at a regular meeting.

7. The Committee on Ordination. This committee serves in an advisory capacity only. Upon the request of a member church, the committee will begin its work with the candidate. It will concern itself only with candidates who have already beeen called as pastor of a Southern Baptist Church or Mission. Upon receiving the request from the church the committee should begin gathering pertinent information about the candidate and the field of service to which he has been called. During this time the committee shall set an examination date. The committee will not examine a candidate or make any recommendations concerning a candidate whose ordination service has been arranged prior to the examination date.

After the examination, the committee should meet in private to assimilate and evaluate their findings. A report should then be written and mailed to both the candidate and to the church requesting the examination revealing the committee's findings and recommendation.

The committee may recommend that the candidate be ordained, that he not be ordained, or that ordination be deferred until the candidate has had time for further preparation.

The Executive Promotion Committee should be informed regularly of the work of this committee.

8. The Committee on Evangelism. This committee shall cooperate with the Baptist State Convention and the Southern Baptist Convention's Departments of Evangelism in the promotion of approved evangelistic efforts within the Association. It shall encourage evangelism in the churches and provide opportunities for training and inspiration in evangelism, such as clinics and/or conferences, as needed.

9. The Missions Committee. This committee shall study communities which appear to be in need of new Baptist work and ministry; seek to enlist churches to sponsor new work in such communities; give guidance and counsel in procuring temporary and permanent sites for locating such work in accord with Associational policy; and make recommendations to the Association as to the missionary needs which might be best met through cooperative efforts. It shall advise with any group considering a new church and assist in organizing new churches. It shall review all applications for state missions aid by churches or missions and make proper recommendations to the Executive Promotion Committee.

10. The Committee of Denominational Representation. These representatives shall be nominated by the Committee on Committees. It shall be the responsibility of these representatives to see that the interests of these causes and agencies are kept before the Association and churches as the need arises, and that proper reports concerning their programs and needs are presented at the Associational Meetings.

11. The Personnel Committee. This committee shall provide job descriptions to each Associational staff member as approved by the Executive Promotion Committee. In reference to the job descriptions, the committee shall conduct annual reviews with every staff member. The committee will also act as a support group for the Association's staff members in order to promote good working relations throughout the year.

Upon completion of the annual reviews, the committee shall make recommendations to the Finance Committee for annual compensation increases. The committee will also report to the Executive Promotion Committee any staff need that should be acted upon as that need arises.

This committee shall have the responsibility for securing and dismissing all staff personnel, with the exception of the Director of Missions and the Director of Christian Social Ministries.

PROCEEDINGS

Statesville First Baptist Church
Monday, October 20, 1986

The 113th Session of the South Yadkin Baptist Association met Monday, October 20, 1986 at the Statesville First Baptist Church with Henry Cook, Moderator, presiding. There were 47 churhces represented and 266 in attendance including 78 visitors. Dr. Jack Causey, the host pastor, addressed the congregation to open the meeting. Dan Pardue sang an arrangement of Psalm 121 and Dr. Causey followed with prayer. The congregation then sang "My Jesus, I Love Thee".

A motion was made and seconded that we adopt the program as printed. The Resolutions and Place and Preacher Committees were recognized at this time. Gene Hager recognized the new pastors and staff members who had come into the Association since the last Annual Meeting. They were: Mike Hyde, Charles Hensley, Ron Morgan, John Green, Jeff Jones, D.C. Sullivan, Robert Richardson, Jack Causey, Ronald Honeycutt, Bruce Hancock, Scott Eanes, Bobby Henderson, Norman Joyner, Steve Cox, Doug Aldrich, and Wendell Davis. Also visitors were recognized at this time.

Jack Causey was recognized as host pastor and made a few necessary announcements. We had no new churches to report coming into the Association. Sandy Hyde called the Roll of Churches. Jeff Oxford gave the highlights of the Treasurer's Report, which was voted on and passed. Jerry Gibson gave the Budget-Finance Committee Report. Mr. Gibson stated that the committee decided to hold the budget for the 1986-87 year, since expenditures had exceeded receipts for the last couple of years, to try to allow the receipts to catch-up. The proposed budget is $372.00 less than last years' budget. At this time, Ralph Carter moved to amend the motion for a 2% increase, cost-of-living expense, to the following items: Director of Missions Salary, from $18,700.00 to $19,074.00; CSM Director's Salary, from $4,320.00 to $4,333.00; Secretary's Salary, from $7,300.00 to $7,344.00; and Director of Missions Retirement, from $2,590.00 to $2,627.00, which changed the Subtotal for Salaries, Allowances, etc. for Staff from $54,836.00 to $55,304.00 and the Grand Total from $73,066.00 to $73,534.00. The amended motion was seconded and passed, also the original motion was passed. Wendell Davis called attention to the fact from the Digest of Letters, that 7 churches (or 13%) were giving nothing to Associational Missions, and that 9 churches (or 17%) were giving nothing to the Cooperative Program. He also stated that as Southern Baptists we need to show our Cooperative Spirit by giving to these mission causes. Henry Cook gave the Executive Promotion Committee Report; Jack Bagwell gave the Sunday School Report; Gene Hager gave the Vacation Bible School Report; Debbie Pierce gave the Church Training Report; Wes Lytton gave the Brotherhood Report and Sandy Motley gave the W.M.U. Report. A motion was made and passed to accept all of these reports. James Saul from the Baptist Retirement Homes gave a report at this time. Manuel Cunnup portrayed Shubal Stearnes in a monologue telling of the Southern Baptist History starting with Sandy Creek Association. Our Hymn of Commitment was "Faith of Our Fathers". D.C. Sullivan pronounced the benediction.

Howard Wagoner, Vice-moderator, presided over the meeting at this time, recognizing the host pastor, Kenneth Hyde who gave a few necessary announcements. At this time, Charles Tanner from the Baptist Children's Homes was recognized and gave a report. Howard Wagoner thanked Henry Cook for being our Moderator for the past two years and thanked the Association on behalf of himself and Henry Cook for allowing them to serve in these positions. At this time an explanation of the Executive Promotion Committee Meetings was given for delegates and officers stating that the date, time and place of the meetings are listed on the Calendar of Activities and that a notice will be sent out in advance for each meeting.

I AM A VISIONARY, MULTIPLY THE VISION, VISION 88, COME GROW WITH US, HERE WE GROW AGAIN.

All of these are slogans or logos to catch your attention. All are a part of WMU either over the past 2 years or for this coming year. But what do they mean? Are they simply words on paper or catchy phrases? I think not!!!

Woman's Missionary Union is concerned with a vision, the vision God gave us when He commissioned us to go into all the world in Matthew 28:18-20. Woman's Missionary Union began in North Carolina over 100 years ago and in 1988 WMU, SBC will be 100 years old. It began as an auxillary to the Southern Baptist Convention to be a helper and supporter of the cause of missions. In 100 years we have not changed our vision. Our purpose remains the same, but our goals have increased.

We are no longer just the ones who stay home and pray and read, although that is an important part. We want our women, girls, and preschoolers not only to learn about the exciting things our missionaries do, to pray for them daily, and to support them financially; but we want them to experience missions firsthand. We want each one to be thought of as a potential career missionary and to prepare them well for the task.

As Dr. Carolyn Weatherford, Executive Director of WMU, SBC spoke at the N.C. WMU Annual Meeting this past March, her thoughts were along these lines (and I paraphrase) "When WMU was organized the women of the day had to make a choice, either to stay on the pedestal where they looked lovely and graceful or to get down into the politics." Well, as you know we did not stay on the pedestal. We chose to get down and get involved. Dr. Weatherford further commented that "through the years women have shortened their dresses, taken off their hats, and in many cases put on pants to be able to do the work necessary."

The Vision: To see women, girls, and preschoolers involved in quality missions education. To become more involved in missions firsthand in their own community, church, association, and state. To pray and give to the work of Southern Baptist missionaries as never before.

How: By enlisting more women, girls, and preschoolers than ever before (two million by 1988); by strengthening existing organizations to provide the quality missions education we spoke of earlier; by reaching into churches that do not have WMU and showing them how they are missing out on part of the structure of a Southern Baptist Church by not having missions organizations.

The Results: More missionaries at home and abroad. More money to support existing programs and start new ones. More prayer for those who have committed so much already (their lives). But more importantly, more people in our own communities, state, nation, and world

that will come to know Christ as their Saviour.

Well, that's a pretty energetic speech, but I hope you realize that it was sincere and not just words. As WMU Director for South Yadkin Baptist Association I am committed to the things I have spoken of. I believe that we have set our sights in the right direction and that the things that are done are for the purposes spoken of earlier.

THINGS LIKE:

The Girls in Action Mission Day Fair and Day Camp and the Mission Friends Christmas in August where our young children can meet and talk with missionaries as well as participate in projects to minister to others.

Personal Witnessing Training for the Baptist Women and Baptist Young Women to better prepare them to help with the Good News America Revivals held this past year.

The Juvenile Offenders Day Camp at Fort Dobbs where Baptist Women, BYW's, Acteens, GA's, and even some Mission Friends spent the day with some troubled youth with problems we can't even begin to identify.

A mission group went to Milwaukee, Wisconsin to work with missionaries, Mike and Virgie Brown. They helped with VBS and did some construction.

But yet there is so much more to do: 2 more mission trips are in the making, the continuation of our ongoing projects, and the major thrust on enlistment and enlargement of the WMU's in our association.

God has gifted us with spiritual and physical talents. Then, He has called us to use them to glorify Him. As members of Woman's Missionary Union we believe we are GIFTED TO SERVE, CALLED TO ACT.

Sandy Motley, WMU Director

ASSOCIATIONAL YOUTH COMMITTEE REPORT

1985-86 has been a busy year for the Associational Youth Committee. Although our Christmas party was cancelled due to inclement weather we had a good response at our other two events.

Beulah Baptist Church was the host of our Teen Talent Night in March. Approximately 15 groups and over 100 people enjoyed talents from across our association. The highlight of the evening was a concert by "RENEE", a vivacious young contemporary gospel singer from Charlotte, N.C.

August brought us our second annual YOUTH LAKE RALLY at Statesville, FBC lake lot. Along with swimming, games, and a cookout we were touched by the ministry of BACHMAN BROTHERS BAND, a contemporary Christian band from Greenville, S.C. Despite local church conflicts over 135 people participated in this annual event.

The Associational Youth Council is somewhat new in that we are still learning about our own responsibilities and developing our programs. However, we do know that this is a vital part to the association's outreach as it reaches out to the young people across the Statesville, Mooresville, and Davie County areas. Through events such as these our teenagers are able to reach out to each other and develop relationships with others from area churches. This can strengthen our association as these teenagers turn to the adult leaders of tomorrow.

The Committee plans to develop its program further in the coming year, as we include training workshops for local church youth workers, and expand our coverage through a YOUTH NEWSLETTER. We hope these ideas in addition to our youth events will better serve you, the South Yadkin Baptist Association.

Respectfully submitted,
Mike Motley, Youth Comm. Chm.

SOUTH MOUNTAIN BAPTIST CAMP
1986

Theme: "Fruit Bearing Christians"

Thirty years ago God enabled the churches of Region 8 of North Carolina Baptists to develop a camp for the promotion of Missions and the reaching of children and youth for Christ. This was in the dream of the late M.L. Smith of Fallston, N.C. when he donated most of the land for this camp.

Without exception God has done a wonderful work each year. Churches and interested individuals have prayed and given financial support. Through the years they rejoice with us knowing that so many young lives have been blessed.

There were 966 who attended our regular camps. Many visitors came each week. There were 1200 attending day camps and retreats. There were 87 saved and 181 other decisions. Campers made a commitment to be a fruit-bearing Christian and led to pray each day for world missions.

It was thrilling to hear many of the campers give testimony about receiving Christ or rededicating their life to Him.

All of us were challenged by our theme to be more involved in bearing Christian fruit and glorifying the Father (John 15:8). In our camp program children are involved in Bible study, memorizing scripture, worship and recreation.

Please join with us in daily prayer that campers will continue to grow spiritually and be fruit-bearing Christians.

Rejoice with us that the Retreat Center is being used. We have three other cottages for retreats. Contact us for retreats.

T.A. Lineberger

BAPTIST CHILDREN'S HOMES' REPORT

The Centennial Year for the Baptist Children's Homes of North Carolina was concluded with an exciting, informative and inspiring day on November 11, 1985. The exciting words of Dr. Blackwell, in behalf of our staff, children and trustees, renewed the commitment to continue fulfilling the mission and broad purpose of this child care ministry. Those words still ring in the ears of those present for this occasion.

The mission is to care for dependent, neglected, homeless and troubled children; unwed mothers and their children; and the rendering of related services to the relatives. Services are directed toward the preservation, conservation and rehabilitation of families to avoid, wherever possible, the placement of the child away from home.

In our one hundredth and first year of child care, more than 1,500 children were served. From this group of children/youth, many had no religious affiliation when admitted to our care. Our pastors baptized more than twenty-five youth into the fellowship of the local church.

The New Homes & Hospital Offering, approved by the Convention last November, claimed the attention of our staff during the first five months of 1986. The offering was received in May with fifty percent of that which was received going to the Children's Homes, twenty-five percent to the Hospital and twenty-five percent to the Retirement Homes. The goal was $1.6 million. We encourage you to help promote the new offering in your church during May 1987.

BAPTIST RETIREMENT HOMES OF NORTH CAROLINA, INC. REPORT

In recognition of the increased proportion of adults now 65 or older, the Baptist Retirement Homes of N.C., Inc., has sought to create a broader awareness of its services across the state.

The leadership of the Baptist Retirement Homes is addressing major changes which suggest a need for an adjustment of services. The sheer size of the Senior Adult population in the next decade is expected to require a significant expansion of existing services. Already consideration is being given to the construction of Continuing Care Communities in Asheville and Charlotte and to the renovation of the campus in Winston-Salem.

With extended longevity, we anticipate ministering to Senior Adults who will live longer and healthier lives. More choices need to be available to these individuals as they experience added years of activity. Planning has begun to move beyond the standard services now available to consider additional possibilities such as home delivery of health services.

Attention has also been directed toward improvement of existing services. The following facts and figures highlight the achievements of the Baptist Retirement Homes from August, 1985 through June, 1986:

- Sound financial management again eliminated the need to increase residential fees.
- Over $900,000 of benevolent care was provided to residents.
- Of a projected 3.4 million dollar budget, the Cooperative Program and Homes & Hospital Offering provided $785,000.
- Over 40 new residents were admitted to the Homes and Nursing Care.
- Construction and renovation of seven new housing units was completed in Willow Cove on the Winston-Salem campus.
- Bill Stillerman became the new President of the Homes.
- Jack Hoyle was appointed Vice-President in Charge of Administration.
- Carolyn Bunting was appointed Assistant to the President for Admissions.
- Jim Saul was appointed Assistant to the President for Personnel.
- Don Peiffer was appointed Assistant to the President for Business Affairs.
- A video tape, "Not An Ordinary Person," produced by the Homes in 1985, won the M.E. Dodd Award for Video and Film Productions.
- Residential and apartment living remain available. Requests should be made through the Assistant to the President for Admissions.

Under the focused and energetic leadership of Bill Stillerman, President of the Homes since November, 1985, the fine tradition initiated by past Presidents will continue. Yet, the Trustees and Administrative Staff of the Baptist Retirement Homes believe the participation of North Carolina Baptists to be critical for the successful growth of the Homes. By remaining sensitive to retirement care issues and by staying informed and supportive of services offered by the Retirement Homes, North Carolina Baptists can help assure a system of services adequate to the growing demand.

Respectfully submitted, Carolyn Bunting, Assist. to the Pres. for Admissions

During the past year, Baptist Hospital admitted 23,535 patients for a total of 195,243 days of patient care. These patients came from all across North Carolina, from 31 other states and the District of Columbia. Eight patients came from outside the United States. An additional 252,043 ambulatory patients were seen in the outpatient clinics and the emergency department.

These people came to Baptist Hospital because it has the medical expertise and the technical equipment required to provide the specialized health care they needed. For example, Baptist Hospital surgeons successfully removed a relatively rare tumor from the interior surface of a woman's heart. Plastic surgeons were able to remove scar tissue and restore hair growth for a child who lost 40 % of her hair-bearing scalp in a kitchen fire. Around-the-clock efforts of surgeons saved the lives of 9 young people who drank potassium hydroxide (lye) thinking it was wine.

Carbon dioxide laser is now being used to treat some cases of early cancer of vocal cords, usually leaving patients with normal or near normal speech. Four types of lasers are used in treating problems of the eye.

A new lithotripter uses high energy shock waves to break up large kidney stones. This alternative to surgery saves money, pain and recovery time for many patients. Most patients can be discharged the day after treatment and can return to work within a week after therapy.

During the past year, the medical center has begun an emergency helicopter service to transport victims of trauma to the hospital more rapidly and also to transfer patients from one hospital to another. The helicopter not only provides faster transportation but is equipped and staffed to provide emergency care for patients while they are in transit.

The School of Pastoral Care continues its outreach through its satellite centers in Fayetteville, Morganton and Charlotte with opportunities also in other communities such as North Wilkesboro, Lenoir , Asheville and Rockingham. These centers, together with the one in Winston-Salem, provided 24,553 hours of counseling during the past year. Chaplains in the hospital made 56,460 visits with patients, families and employees. The School of Pastoral Care provided clinical pastoral education to 694 ministers and trainees through a total of 71 CPE programs.

The medical center's $150 million facilities expansion program is on schedule and within budget. New facilities will include a new patient tower, a new clinical services building, an addition to the research facilities and a building to house the magnetic resonance imaging scanner.

During the past fiscal year, Baptist churches of North Carolina gave $566,307 to the Hospital through the Cooperative Program and $374,238 through the North Carolina Missions Offering. These gifts help make possible two of the distinctive ministries of the hospital: pastoral care and benevolent care. For these, the staff and the patients are most grateful to North Carolina Baptists.

Respectfully submitted,
Elmer Thomas, Baptist Hospital Representative

YOUTH AND CAMPUS MINISTRIES REPORT

North Carolina Baptists have some form of ministry on forty-seven college or university campuses across the state. A growing number of churches are also finding creative and significant ways to minister with students.

The Convention employs eight persons with primary responsibility for ministry in a specific university setting. We join with Baptist Colleges in funding campus ministries in our seven schools, and we join other Christian groups in providing full-time ministers on two other campuses. In each of these settings our ministers work with student groups such as BSU, cooperate with university personnel in service to the institution, offer help to faculty and staff in personal and professional concerns and seek for ways of helping people on the campus work more closely with area churches.

During the 1985-86 school year students involved in Baptist Student Unions and on Baptist campuses pledged and raised about $50,000 for missions and ministry all around the world. A total of 150 collegians were trained in a week-long orientation period or are working under the direction of some department within the Baptist State Convention. New programs included semester service in Associational and related ministries for a dozen students, a summer internship in ministry with the Baptist Joint Committee, and the sponsoring of a resource team of three students trained and utilized by youth ministers and Associational leaders across the state.

The first "graduates" of our unique Campus Ministry Associate in Missions and Ministry program in Charlotte, Joy and Chris Gamble, were appointed and are serving as student evangelists in Taiwan under our Foreign Mission Board. Mark and Stacey Pennington are the 1985-87 ministers in this program, which seeks to serve in Charlotte and prepare persons for careers in student ministry on the mission field.

Work with volunteer ministries in several locations is continuing to develop as lay people, church staff members, college faculty persons and Associational staff lead out in the exciting ministry. Convention staff provides consultation and encouragement. This spring, five student leaders from these BSUs joined 13 others in a week of special training at the Sunday School Board. North Carolina's delegation of 18 was the largest (and, we feel, outstanding) as students from across the nation were involved in this leadership program.

Special conferences for International students, campus evangelism training and Black Christian collegians were offered during the school year. Staff, volunteers and student leaders planned and guided these events. A conference for High School Seniors, a leadership conference and a fall Baptist Student Convention involved over a thousand young people in Christian growth and challenge to stewardship of life.

Teams of students from BSUs and Baptist campuses all across the state led worship, planned youth revivals, sang or ministered through puppetry or clowning in hundreds of North Carolina churches. Students, under the leadership of ministers employed by your Cooperative Program dollars are growing and sharing their faith in many ways because you care enough to provide Baptist Campus Ministry! On behalf of these who, in God's power, are our future, thank you!

NORTH CAROLINA BAPTIST COLLEGE REPORT - 1986

CAMPBELL - CHOWAN - GARDNER-WEBB - MARS HILL
1887 1848 1905 1856

MEREDITH - WAKE FOREST - WINGATE
1891 1834 1895

North Carolina is a recognized leader in Christian higher education. Baptists have established and supported seven colleges for a cumulative total of 786 years. Leaders who formed the Baptist State Convention in 1830 did so with founding a college in mind. Baptists and their colleges have grown up together in North Carolina. The histories of the Convention, the churches and the colleges are inseparably intertwined.

The "roll call" of colleges, and a brief mention of current items of interest and concern, are listed for the benefit of the associations:

Campbell - During 1986, there is special observance of the centennial year, using as a theme "A Century of Vision and Service." The new School of Pharmacy will open in the fall, and a School of Education has been established for graduate studies. Programs are offered in Goldsboro, Rocky Mount, Raleigh, Fort Bragg, Sanford, and in Wales and Malaysia.

Chowan - Enjoys a national reputation as a two-year institution of high quality. President Bruce E. Whitaker was recently named as one of the 17 most effective chief college administrators in the nation. Chowan is engaged in a four million dollar campaign for additional student aid, scholarship assistance and program support.

Gardner-Webb - On May 31, 1986, Dr. Craven E. Williams completed his tenure as President, begun in July, 1976. On June 1, Dr. M. Christopher White, Vice-President of Elon College, became the 10th President of Gardner-Webb. Included in its many educational programs are assistance for deaf and blind students who wish to earn a college degree.

Mars Hill - A comprehensive revision of the General Studies curriculum, to be implemented in the fall of 1987, includes statements of convictions by the faculty. Included in these are the centrality of Christian faith, morals and purposeful life, responsible citizenship and the value of work. Scholarships to attract superior students continues to be a major emphasis.

Meredith - " Through instruction " and "culture made perfect through the religion of Jesus Christ " are central to the college mission. Extensive studies during 1986 resulted in a reaffirmation of Meredith's commitment to education for women in both undergraduate and graduate programs. Construction of the Gaddy-Hamrick Art Center was begun in June.

Wake Forest - Conversations continue between Convention leaders and university trustees to clarify the basis for a continuing relationship. Founded in 1834 by North Carolina Baptists, Wake Forest is acknowledged as a superior university among church-related schools in the nation.

Wingate - Looking toward its one hundredth anniversary in 1995, the college has entered a 10-year, 30 million dollar "Second Century: Vision for Excellence" campaign. Numerous building, renovation and beautification projects are planned, in addition to library expansion, faculty support and student financial aid.

THE BIBLICAL RECORDER REPORT 1986

In a year that has been marked by tragedy, stress and disappointment, the people of God who call themselves North Carolina Baptists continue to witness and minister to our ever growing and changing state. The Biblical Recorder is a vital part of that Baptist family and as the official newsjournal of the denomination, it has enjoyed a stable and wholesome year of ministry at the side of hundreds of thousands of our people.

Readership of the paper is high. Comments, letters and other communications with the Recorder indicate Baptists read the paper and depend upon it for correct and vital information about the work we do together. That was the purpose of the paper when it was founded in 1833 and it remains a more important ministry now than ever then.

Tar Heel Baptists are on the threshold of the greatest opportunity we have ever been given by God for witness and ministry in our state. That does not mean it will be easy. The minority status of Christians--fewer persons in North Carolina are members of any church than are not--and the rising spirit of secularism make our task more difficult but at the same time much more imperative than ever. We must not fail.

Well-informed Baptists are more effective Baptists. The Recorder welcomes its assignment in the task of sharing the Good News of Christ. This year, we had a tremendous opportunity through the "Good News America, God Loves You" revivals and the paper was on the job, promoting and reporting on the crusades. As always, the Recorder will seek to inform, indoctrinate, enlist, inspire and provide a forum for Baptist thought and action as we work together to achieve God's purpose for us.

Despite a tremendous increase ($96,000) in the cost of second-class postage during 1986, subscription rates will not be raised for the fifth consecutive year. Many of the other major state Baptist papers such as the Recorder have already found it necessary to raise their rates, but the directors of our paper have been working with the editor to find a way to avoid any increase so that our churches and individuals can continue to get the paper at the lowest possible cost.

The rates are: Church Budget Plan, $5.00 per subscription for every resident family; Club Plan (four or more), $6.00; and Individuals, $7.00. If your church does not have the Every Family Plan, special introductory offers are available. Please contact:

The Biblical Recorder

Let us pray and work together for the advancement of Christ's Kingdom as never before. Thank you for your support.

BAPTIST FOUNDATION, INC. REPORT

The purpose and objective of the Baptist Foundation has been, from the date of its incorporation and by the terms of its charter, to assist individual Baptists to find ways of continuing their support of all Baptist causes - institutions, agencies, mission causes - with estate and deferred gifts. As a result, trust funds are now administered which benefit local churches, associations, specific mission objects and offerings, and every agency, school, and institution supported by Baptists.

In 1985, North Carolina Baptists placed over one million dollars in new trust agreements with the Foundation, making provision for the perpetual support of practically every Baptist cause. Endowment of Cooperative Program was a primary trust designation.

It is now possible through the Foundation for each Baptist to "Give it Twice", once to family, then to Kingdom causes. Through properly constructed trusts and Wills, family members and friends can receive from one's estate, over a period of years, an amount exactly equal to, or even greater than the estate portion they would normally

receive through an ordinary estate distribution. With the "Give it Twice" plan, after the family receives their portion, the entire estate principal is still intact, with the income from the entire estate available for Christian causes - forever. If giving is exciting for the Christian, giving it twice is surely twice as exciting!

The Foundation seeks to inform Baptist people of:

1. Their responsibility as stewards to make provision for the future use of their resources.
2. The critical need experienced by all Baptist causes for endowment support - the ongoing, assured support of those who support them now.
3. Ways by which these realities may be met and accomplished.
4. Counsel in wise decisions for endowing any Baptist cause - for instance, the Foundation may discourage a trust for a cemetery fund if the church already receives more funds than are needed to maintain that cemetery.

Specifically, the local church may be benefitted in these ways:

1. Members are encouraged to name local church in their Wills. A percent of the estate is usually preferred, rather than a dollar amount.
2. The church may receive real estate in a Life Estate agreement. The individual deeds to the church certain property, or a portion of such property, maintaining all rights and responsibilities to it for life or for a designated period, and then the property becomes that of the church.
3. Appreciated property and securities, "E" bonds, church bonds, bank shares, and nearly any property of value can be transferred into a trust which can benefit the individual and the church - now or in the future.
4. The Foundation assists churches in establishing their own endowment, memorials, or Planned Giving committees, then works with the committee to promote estate stewardship among the people. The Foundation can - and does - serve as fiscal agent, managing the memorial funds, etc. received as a result of church committee's efforts, and then distributes the income back to the church or other designated beneficiaries.
5. Local churches are now investing special funds which they hold for some future cause, with the Foundation for loans to new churches, to associations to purchase property for new churches, etc. These may be long-term or short-term loans, and each is handled on an individual basis. The local church receives a fair return on its funds while enjoying the knowledge they have made those funds available to a struggling congregation who is engaged in the same "calling" as they - preaching the Gospel of Jesus Christ.
6. Local churches, or specific programs of local churches, may be named beneficiary and owner of insurance policies, or the church may be named co-beneficiary, secondary beneficiary, remainder beneficiary, residual beneficiary, or even dividends may be assigned to the church. Tax consequences may accrue to the donor in each case.

7. Churches now receive trust income from individual trusts administered by the Foundation for:
   - cemetery maintenance
   - help pay current building debt
   - for future construction of activities building or sanctuary
   - for capital improvements
   - for senior adult ministry
   - for youth summer mission programs
   - for homebound and tape ministry
   - for benevolent committee which meets local and community needs
   - sanctuary flowers
   - for its outreach in missions, special offerings, Children's Homes
   - for specific items of general grounds and building maintenance
   - for its contributions through Cooperative Program
   - for scholarship grants and loans

In summary, every cause the church promotes and supports can be endowed for perpetual and "forever" support. The Foundation's role is to help the church, church members, and congregations find the best ways to do so.

Respectfully submitted,
Edwin S. Coates, Executive Secretary

CHRISTIAN ACTION LEAGUE REPORT

If Christianity is authentic, then, it must be reflected in the daily walk of the followers of Jesus Christ.

Helping Christians to apply the moral demands of the Good News of Jesus Christ remains the top priority of the Christian Action League.

There is much to rejoice about what has occurred in the last 12 months, but it is also a time to renew our efforts for new battles on the horizon.

1. OBSCENITY: The state's new Comprehensive Obscenity and Child Protection Act has been met with unusual success. Some 12 months ago, law enforcement officials stated that North Carolina had some 750 hard core prono outlets making our state the nation's "smutt" capital. Today, only about 150 remain in operation, and most of these are facing porno charges with court cases pending.

For all practical purposes, convenience stores and other retail establishments have removed sexually oriented publications such as PLAYBOY, HUSTLER, PENTHOUSE, ETC. Others have placed the material behind the counter or behind "blinder" racks where they are not accessible to minors.

Video stores have cleaned their shelves of sexual explicit materials rather than face prosecution.

Cable porn programs like the Playboy Channel have been discontinued in communities such as Hickory, Raleigh, Chapel Hill, Durham, etc.

Indictments have been brought against ADAM & EVE - the largest porno distributor in the Southeast, located in Orange County.

The battle is not over for the cause of decency. The pornography industry and its sympathizers are already raising funds and seeking to build support to get our state's new obscenity law "watered down" in the 1987 legislature.

II. ALCOHOL (Liquor-Beer-Wine): The League remains the only organization in North Carolina providing assistance to communities involved in fighting our no. 1 addicting drug. Referendums have been defeated in the following areas:

1. Scotland County defeated liquor-by-the-drink;
2. Black Mountain defeated liquor-by-the-drink;
3. Concord defeated liquor-by-the-drink;
4. Manteo defeated liquor-by-the-drink;
5. Rowan County defeated liquor-by-the-drink;
6. Wayne County defeated liquor-by-the-drink;
7. Pasquotank County defeated liquor-by-the-drink;
8. Old Fort defeated beer-wine sales; and
9. King defeated an ABC liquor store vote.

These victories were the result of strong, aggressive leadership on the part of caring people.

III. GAMBLING: In 1987, the church will probably face its strongest challenge yet from the gambling industry.

Pro-lottery forces have already stated that they will be back before the 1987 legislature with an all-out effort to secure a statewide lottery.

Pari-mutuel gambling forces have now come on the scene. A statewide organization operating under the name, CAROLINA SPORTS ASSOCIATION, with offices in High Point are pushing this cause. Rufus Edmisten, the state's former Attorney-General, has been employed by the gambling forces to assist in their drive for pari-mutuel gambling. This group is publishing a newspaper, SPORTING JOURNAL, that is being sent to key business and industrial leaders throughout North Carolina to enlist supporters. Fund-raising efforts are also underway. A speaker's bureau has been formed providing programs for civic and community groups on behalf of the gambling cause.

What will be the outcome of both efforts: Basically, the decision will be made in the November, 1986, General Election. If a few more pro-gambling legislatures win seats in the legislature, the war is over. In the 1985 session, the lottery went down to defeat with a tie vote. That is how close the issue already is in our state.

Billy Sunday used to say: "The only thing worse than an empty voting booth is an empty head in the voting booth."

The position for the 1987 North Carolina House and Senate candidates on the gambling issues must be obtained and shared with the Christian community so voters will be informed when ballots are marked.

Plato said: " The price that good people pay for not being involved in politics is to be governed by people worse than themselves."

AMERICAN BIBLE SOCIETY

The faithful support which the Southern Baptist Convention has always given to the Bible cause is a blessing from God and a source of great encouragement to us. We are grateful to have you as partners in our worldwide Scripture ministry.

Available figures indicate that significant progress was made in the areas of both distribution and translation during 1985. As the year advanced, calls for Bibles and New Testaments in local languages came from all quarters of the globe, but especially from churches in the Third World.

In active cooperation with our associates in the United Bible Societies, an international partnership of which the American Bible Society is a leading member and through which we conduct our work overseas, more than 542,000,000 Scriptures were distributed worldwide in 1985 alone, an increase of almost 5 percent over 1984. Through the United Bible Societies we are also supporting Scripture translation work in 544 different languages around the world. In 360 of these languages a part of the Bible is being translated for the first time. Thirty-four projects involve the revision of former translations.

Together with our overseas Bible Society partners, we have been actively involved in the translation and publication of complete new Bibles in seven languages in which only a part of God's Word had previously been available.

Stories of the transforming power of the Scriptures in people's lives pour in from around the world.

It is with heartfelt thanks that we share with you some of the achievements which your partnership in the Bible cause has made possible.

The Bible Cause Abroad

In Uganda, no other book is in as much demand as the Bible. An estimated 652,506 Scriptures were distributed during 1985, many of them to children and youth. Special efforts were also made to reach many displaced and special groups such as refugees from neighboring countries, prisoners, and the desperately poor inhabitants of remote provinces, like the Madi people of the West Nile region, recently returned from exile, who have repeatedly been the victims of military conflicts and natural disasters. Several translation projects are underway.

In famine-ravaged Ethiopia, a Bible is still a prized possession. Despite difficult operation conditions - including severe travel restrictions, government censorship, and customs delays - Bible workers reported distributing 132,918 Scriptures during 1985. In a country with more than 40 distinct population groups, speaking among them a total of 86 languages and dialects, the need for additional translations of God's Word is extremely urgent. Work continued in 14 languages and it is expected that a new common language version of the Bible in Amharic, the official language, will be completed in the near future.

In Bolivia, a country caught in the throes of economic and political crisis, the Bible is a source of hope. With the high illiteracy rate, special emphasis was placed on the New Reader program. Since 85 percent of the population are Indians, a task of paramount importance has been the completion of two new translations of the Bible in Aymara and the Bolivian dialect of Quechua.

In Mexico, the agenda for Bible work was dramatically reshaped by the devastating earthquakes which struck Mexico City in September, claiming thousands of lives and leaving some 300,000 people homeless. In response to this disaster, an emergency Scripture distribution program was quickly established to reach families of victims with the Word of God. In addition, a special Selection entitled " In Your Anguish, God Comforts You," is being used to bring the Bible's message of hope and assurance to the many suffering men, women, and children. Efforts were made to share this same message with needy people everywhere, including such diverse groups as impoverished slum-dwellers, prisoners, the handicapped, long-distance bus drivers and factory workers. A total of 16,135,801 Scriptures was distributed.

In the Philippines, a sprawling archipelago of 7,107 islands where approximately 135 languages and dialects are spoken, a continuing high priority was given to Scripture translation. Each year since 1980 a new common language translation of the Bible has been published in one of the country's major languages. Last year saw the appearance of the Samarenyo Bible, with four additional new translations in preparation. During 1985 10,333,350 Scriptures were distributed.

In Brazil, Scripture distribution showed a dramatic upswing during 1985 as 83,773,751 copies of Scripture were circulated. Bible workers made special efforts to reach out with God's Word to the old, the sick, invalids, prisoners and the very poor. They also took advantage of the opportunities provided by Brazilian law which allows the teaching of religion in schools by distributing Scriptures to young people through the school system.

The Bible Cause At Home

In the United States, 1985 was a year of expansion for the American Bible Society. A total of 96,222,967 Scriptures was distributed nationwide. The American Bible Society was especially pleased to produce 100,000 copies in ten languages of an imprint of the Gospel of John entitled "Good News America, God Loves You" for the Home Mission Board of the Southern Baptist Convention.

The language requirements of the various ethnic communities in this country generated a brisk demand for many of the 80 other languages in which the American Bible Society distributes Scriptures in the United States. Special attention was paid to the needs of Hispanics who number nearly 20 million. We are also particularly happy to announce the completion of the long-awaited Bible in Haitian, the everyday language of more than a half-million people in this country. Another major achievement was the translation and publication of the first-ever Bible in the language of the Navajo Indians, the largest native language group in North America, numbering some 150,000 people. Scriptures were also supplied to ministries serving those in need of specialized pastoral care - prisoners, inner city youth, refugees, the homeless, the elderly, and the hospitalized. In addition, Scriptures were shared with members of all branches of the armed forces stationed at home and on U.S. military bases abroad.

Planning Ahead

The American Bible Society expects 1986 to be a year of unique and exciting opportunities for world Scriptures outreach. In May, a two-year world "youth advance" program will be launched called "Act Now, Go With the Word," and will involve the distribution of new translations for children and young people, the creation of new book styles and formats, and new illustrations and other helps for the young reader. In the United States alone the target audience for this project will number a phenomenal 35,996,000 people -- 15,28 percent of the total U.S. population.

Also, through the United Bible Societies, we are committing ourselves to help establish a printing press in the People's Republic of China for the production of hundreds of thousands of Bibles and New Testaments there. Already the Bible Societies have sent to The Amity Foundation in Nanjing, at a cost of nearly $100,000, one hundred tons of special, lightweight paper which was used to print 100,000 Bibles and 60,000 New Testaments. The churches of America are now being asked to help raise the $6,695,000 needed to ensure that the project will reach completion in early 1987.

Yet despite truly impressive advances in every aspect of our world program, literally millions of requests for Scriptures remain unmet due to lack of funds. And it is crucial that American churches respond generously to these urgent Scripture needs, since the American Bible Society commits itself to providing nearly one-half of the total funds required by the World Service Budget of the United Bible Societies, which for 1986 has been set at $26,648,000.

In 1985 Southern Baptists contributed $298,339 to the American Bible Society. The Southern Baptist Convention was an indispensable partner in the worldwide Bible cause during 1985 and your expanded support is essential in the year ahead as we seek to extend this vital Scripture ministry to embrace all those throughout the world who are still eagerly awaiting God's Word.

BROTHERHOOD REPORT

During 1985-86 Baptist Men and Royal Ambassadors in South Yadkin Baptist Association have been involved in missions in their churches and in other areas. Yokefellow, in Statesville has been a continuing mission project for Baptist Men's groups. RA's met there last winter to stack firewood, with more than 70 boys participating. Several men have provided hydraulic woodsplitters for the Saturday mission projects.

Throughout the year men have traveled to the Riverton area of West Virginia to assist flood victims. Food, clothing and other donated supplies have been taken and distributed there. A hydraulic wood splitter was purchased by our Brotherhood through donations from several Baptist Men's groups and was taken to the flood area on loan to the Baptist Church there. A house was recently started for a family who had no housing due to the flood and a recent fire there. Several Baptist Men's groups have been involved in this project and men have donated time and hard work for these needy people. A utility trailor has also been purchased by our Brotherhood through donations from Baptist Men's groups for use in work projects.

Baptist Men and wives and Pioneer and Pioneer Acteen groups have traveled to the North Carolina Baptist Assembly at Fort Caswell to do volunteer work on buildings and grounds. South Mountain Camp has been an emphasis for Baptist Men and RA's this year, as painting and clearing of land was done there.

Our Brotherhood officers were represented at the NCBM Convention in Charlotte and the NCBM board meetings this year. Ministry to prisoners and to resort areas is continuing in our Association.

Overseas missions has also occurred during this year. A group of 14 men and wives traveled to Panama to help with construction at a Baptist camp. These projects are in addition to ministry to people within our local churches. Baptist Men from Fallstown Baptist Church participated in the state Baptist Men's Softball Tournament this year, representing our Brotherhood. A Workshop was held this year at Western Avenue Baptist Church with good attendance. Our Brotherhood held two prayer breakfasts this year, one of which was in support of Cooperative Program Day.

Royal Ambassadors, in addition to being involved with the wood ministry at Yokefellow and with renovation work at Fort Caswell, have been active within their churches in ministry to others through raking leaves, painting, and doing other projects, and they have done projects in support of state, home and foreign missions. Crusaders of the Judy McCall Chapter of Mooresville First Baptist Church won the "Chapter of the Year" award at Crusader Congress for the second year in a row. Honor Chapter awards, for outstanding participation in mission work throughout the year, were awarded to Mooresville First's Archie Jones Chapter and Hebron's Jack E. Mahaffey Pioneer Chapter. Hebron Pioneer, Stephen Rector won first place in the Younger Pioneer Speakout competition at the State Pioneer Congress this year.

RA interest activities included Camp Caraway and South Mountain Baptist Camp, CHA Backpacking, "See College" days, and RA basketball, a Spring Car Derby and Mission Fair, and an RA Track Meet. Peninsula Baptist RA's represented South Yadkin RA's at the National Pioneer Congress this year, at Memphis, Tennessee. A men-boys rally at Mars Hill College was held in September. RA Week was observed in Iredell County and in several cities within our association.

Respectfully submitted,
Wes Lytton, Brotherhood Director

ORDINATION COMMITTEE REPORT

The Ordination Examining Committee of the South Yadkin Baptist Association met twice during the year of 1985-86.

On April 20, 1986 we examined Mr. Donald Jones at the request of Ostwalt Baptist Church and on May 4, 1986 we examined Mr. Michael Hyde at the request of Ijames Baptist Church. Recommendation was made for both men to be ordained into the gospel ministry.

LONG RANGE BUILDING NEEDS STUDY COMMITTEE REPORT

The Long Range Building Needs Study Committee met on several occasions during the year to consider the need for additional space in the South Yadkin Baptist Association Office. There was considerable discussion of the program needs and objectives of the Association at the present time. There were also questions concerning long range plans for five to ten years in the area of program development and ministry needs that should be met by the Association Staff. We came to no conclusion on this matter and feel that perhaps a Long Range Program Development Committee should be appointed to work with the Association Staff to determine needs of our Churches to develop programs to meet such needs.

For example, office building of the Association Office should be of such size and design to meet program needs. If additional staff members and programs are added, additional space will be required.

Current space seems to be inadequate in at least three areas. The Director of Christian Social Ministries has no office. He works at a desk in the corner of the work room. This is inadequate. There is also need for a better Library, where books and audio-visual and video equipment can be available for individual or group use. Parking space is also limited.

The Committee also reviewed the financial support of the Association. We feel that there is great potential for additional ministries and programs to the Churches of the Association. However, the ability of the Association Staff to provide such ministries and programs is directly dependent on the financial support of the Churches. Each Church should review its support to determine if your gift for the work of the Association is what it should be. Several of the larger Churches of the Association should give urgent consideration to the matter of their support. Some of the smaller Churches normally have greater need of the Association programs and ministries. The larger Churches should feel some greater degree of responsibility in sharing in these provisions for their smaller sister churches.

Due to the current financial situation (See current Treasurer's Report) of the Association, the committee feels that it cannot make a recommendation for additional space at this time. The committee has been asked to continue their work during 1986-1987.

The Committee feels that there are two definite needs for a larger office for the Association. However, we feel that whatever is done should be sufficient to cover office needs of the Association for a period of at least ten years.

The Committee would like to encourage members of the Churches of South Yadkin Baptist Association who might have financial resources or property that could be given to the Association to prayerfully consider such possibilities. A lot near I-77 - I-40 cloverleaf of adequate size for building and parking needs would be a great beginning for the future expansion of our office facilities. Even property in other locations that could be sold and the funds put in a Trust for future expansion would be a generous gift. We believe in the words from the Scripture "Ye have not-because ye ask not", James 4:2. "Ask and it shall be given", Matthew 7:7-8.

Could you be the one that God is asking to consider such a gift? May God continue to bless the work of South Yadkin Baptist Association as we join in our efforts to strengthen our Churches so that we might better share in telling the Good News.

Respectfully submitted,
Leath C. Johnson, Chairperson

EVANGELISM REPORT

The Evangelism highlight of this past year was the "Good News America" Simultaneous Revivals. During the fall and winter many preparations were underway. On January 21, the W.M.U. had a Personal Witnessing Training Conference at Diamond Hill Baptist Church. On January 27, there was an overall "Good News America" Training Conference for Pastors and workers from the participating churches; this was also held at Diamond Hill. Many people from our churches attended the State-wide Evangelism Conference in Greensboro, February 3-4.

The "Good News America" Revivals in our area were March 23-30. Thirty of our 53 churches participated. There was prayer, sharing, and fellowship at three revival luncheon meetings during the week.

We received reports from 22 of the 30 participating churches, showing the following results:

118	Professions of Faith
26	Other Additions
51	New People Enrolled in Sunday School
880	Rededications
409	Prospects Discovered
1,565	Scripture Portions Distributed

With only 22 churches reporting that kind of results, think what might have happened if all 53 churches had participated. We urge those who did to carefully follow-up on the decisions that were made and the prospects that were discovered.

Respectfully submitted,
Kenneth Hyde, Chairman

DIRECTOR MISSIONS REPORT

June 1 was my fifth anniversary as Director of Missions for the South Yadkin Baptist Association. These have been busy but happy years. One thing I have learned is, you want your Director of Missions to be in the office and available when you need him. Consequently, I am spending considerably more time in the office here than I did in the two previous Associations I served.

This past year I logged 1,602 individual conferences (but there were more than this, since I don't always get them logged). To get some idea of the nature of these take a typical month from last spring with 119 individual conferences logged. Forty-seven (or 40%) of these were for information or various kinds. Ten (or 8%) were for counseling and/or advice. Five (or 4%) were to secure resource materials. A few were individuals who just wanted to come in and sit and talk for an hour or so, with me lending a listening ear and/or serving as a sounding board. The remainder concerned Associational work, or committees, or meetings. I assume that the same percentages would hold throughout the year. If those of us in the office can be of help to you, call on us.

This past year, like most years has seen a wide variety of activities on the Associational level. To get some idea of these note the following:

October, 1985 - Sunday School Teaching Clinic, and the Association's Annual Meeting.

November, 1985 - "M" Night, also a meeting with ARM (Area Resort Ministries), a joint endeavor with the South Fork and Mecklenburg Associations on the Lake Norman Campgrounds, the Baptist State Convention in Greensboro, an Executive Promotion Committee Meeting, and a welcome to the new Pastor, Charles Hensley at Turrentine.

December, 1985 - Ground-breaking at Peninsula, the Juvenile Court Children's Christmas Party at Statesville First, and a reception for the new Pastor, Joe Drum at Ostwalt.

January, 1986 - The 25th Anniversary Service at Oakdale, a 50th Anniversary Reception for Rev. & Mrs. Clarence Gwaltney at Hebron, the welcome for the new Pastor, John Green at Bethel, and the welcome for the new Pastor, Ron Morgan at Green Hill.

February, 1986 - Welcome for the new Pastor, D.C. Sullivan at Edgewood, also a World Missions Conference in the Theron-Rankin Association (I spoke in 5 churches), the charge to the churches in the Alexander Association at the Installation Service for their new Director of Missions, and an Executive Promotion Committee Meeting.

March, 1986 - The Reception for Mrs. Dorris Jones upon her retirement as Secretary for the Association, the "Good News America" Simultaneous Revivals, and the welcome to the new Pastor, Robert Richardson at Southside.

April, 1986 - The VBS Clinic, Diamond Hill's 60th Anniversary Service, attendance at a Director of Missions Update Seminar in Nashville, Tennessee (5 days), and the welcome service for the new Pastor, Dr. Jack Causey at Statesville First.

May, 1986 - The WMU Spring Meeting, Key Leadership Conference at Ridgecrest, the welcome to the new Pastor, Ron Honeycutt at Jerusalem, and an Executive Promotion Committee Meeting.
June 1986 - The Director of Missions Conference and the Southern Baptist Convention in Atlanta, Georgia, the Ordination Service for Mike Hyde at Ijames Cross Roads, and the welcome to a new Pastor, Bruce Hancock at Front Street.
July, 1986 - Cleveland's Centennial Service, and the Statewide Director of Missions Conference at Wingate (4 days).
August, 1986 - The Associational Choir Festival at Hebron, Mt. Vernon's 150th Anniversary Service, and an Executive Promotion Committee Meeting.
September, 1986 - The welcome to the new Pastor, Scott Eanes at Fairview.

In addition to these above there was a Minister's Conference nearly every Monday and numerous committee meetings throughout the year. Also I worked on the Voter Registration Committee on the Liquor-by-the-Drink Issue in the spring and was a supervisor in the Supervised Ministry Program for a Southeastern Seminary student during the summer.

I appreciate the cooperation and encouragement which you have given to me as your Director of Missions this past year. Here are some statistics on my work although statistics do not tell the whole story:

CHRISTIAN SOCIAL MINISTRIES REPORT

In November, we gave the Juvenile Court Children 60 tickets to the Billy Graham movie, Cry From the Mountain. Several children made professions of faith. Eighty needy families were helped in cooperation with several of our churches.

Our Prison Ministry continued through the fall with 10 prisoners enrolled in a course "Great Men of the Bible", taught by Don Haynes.

The Annual Christmas Party for the Juvenile Court Children, jointly sponsored by the Association and the Baptist Men of Statesville, First was held. Twenty-seven children, two judges, and seven counselors attended. They had a good dinner and a folk singer for entertainment. Each child received a Bible, a Christmas gift, and a well-filled stocking. With some help from the ladies from the Altrusa Club on advertising by mid-winter we were tutoring 36 children, 15 adults, and 27 Non-English speaking people.

The Daycare for the Physically Handicapped finally received enough money to buy a "mini" bus with a lift on the side to transport the students to various meetings and training classes.

In May, we took 22 Juvenile Court Children to Morganton for a visit to the prison to see firsthand what can happen if they don't obey the law.

In June, two of our tutors went to Samford University where they were certified for teaching workshops for ESOL (Non-English speaking people) and also Basic Laubach.

In July, the Annual Picnic for the Juvenile Court Children was held at Lake Norman. It was attended by 26 children and 6 counselors.

In August, a Literacy Workshop was held teaching the new Lipson method. It was well attended.

Aubrey Walker, CSM Director

SUNDAY SCHOOL - CHALLENGE 10/90

By the year 1990, Southern Baptists can have ten million enrolled in Sunday School. As your Sunday School accepts its own challenge for next year (and until 1990) and joins with other churches - Southern Baptists move to a goal of ten million enrolled in Sunday School. That is Challenge 10/90.

Events conducted in 1986 are preparing us for the Challenge:

The VBS Clinic was held April 29.

May 12-14, Training and update for Sunday School Associational Directors was conducted at Ridgecrest during the Key Leadership Conference. This was attended by the Assistant Director and the Adult Director of the Association.

August 5-11, a Sunday School Leadership Conference for Associational Officers only was held at Ridgecrest. The Assistant Director and Adult Director attended this week of training.

September 11, a Sunday School Growth Spiral Conference was conducted in an all-day session at Statesville First. Approximately 16 Sunday School leaders attended from South Yadkin churches.

Your Assist Team will have five or six hours of training and planning for the South Yadkin Sunday School work. This all-day retreat will follow the Annual Association Meeting and be held on October 25.

A Sunday School Needs Survey just completed by South Yadkin leaders, will help determine the program needed in the Association. Sunday School needs in the churches were identified as following:

In Outreach and Evangelism, "make a commitment to grow" was the top priority. "Enlist and train Outreach and Group Leaders" was second followed by "establish and/or strengthen the Visitation Program" as third.

"Set-up a Sunday School Leader Training Program" was listed as top priority in teacher improvement and training. "Start or improve worker's meetings" was second and "improved knowledge of the Bible" was third.

In Administration and Planning, "start new classes and departments" and "use the Growth Spiral in planning" received eight votes each. "Use the Sunday School Standard as a Guide" and "Set-up a functioning Sunday School Council" received seven votes each as being great needs. "Enlist Sunday School workers" received six votes.

Bible Study Projects listed in order of needs were as following:

1. "Start Outreach Bible Study".
2. "Conduct Backyard Bible" Clubs.
3. "Conduct January Bible Study".

Ministry needs according to priority were identified:

1. "Encourage Witnessing".
2. "Minister to prospects".
3. "Encourage worship".

Your Assist Team is ready and equipped to help you in these or other Sunday School needs. Your church can profit by using one or more from the team.

Respectfully submitted,
Jack R. Bagwell, Assoc. S.S. Dir.

HISTORY OF IJAMES CROSS ROADS BAPTIST CHURCH

Ijames Cross Roads Baptist Church was started in 1896 as a mission from Eatons Baptist Church. The first Sunday School was held under a brush arbor. Brother Richard Eaton from Cana rode a white horse and taught each Sunday during the summer. Once a month, Rev. J.N. Stallings from Spencer would preach. Mr. M.C. Ijames gave a tract of land on which the church was built and completed in 1898. The members were baptized at Glasscock's Ford in Bear Creek. This information was attained from Mr. B.F. White. The first official minutes were recorded May 20, 1899.

On March 2, 1952 a new church (the present sanctuary) was dedicated. The old church was sold for $350.00. In July of 1952 a well was dug for church use and the cemetery was grassed. It still lies under a beautiful green blanket as a result.

A new East Wing was completed in August 1969 and an indoor Baptistry was installed in which ten people were baptized on August 31, 1969.

In 1973 a parsonage was built across the road from the church.

The latest project was completed in August 1984. A Fellowship Hall, Educational Building and Handicapp Ramp were added to the west side of the church.

The first Pastor was Rev. S.D. Swaim and the present Pastor is Dr. Kenneth Hyde with sixteen Pastors in between.

On June 7, 1959 there were 21 new converts baptized in the late J.C. Chaffin's pond. The most ever at one time in the church history.

This August of 1986 Mr. Marshall E. Glasscock, eldest member of Ijames, celebrated his 90th Birthday. He served as deacon since a very young man.

Respectfully submitted,
Annie W. Ingram, Church Clerk

HISTORY OF STATESVILLE FIRST BAPTIST CHURCH

On November 21, 1875, a small group of Baptists met in the County Court House in Statesville, and at that meeting First Baptist Church was organized. Rev. J.B. Boone was called to become the first Pastor. They continued to worship in the Court House until 1880, when a (52'X 66') one room building was completed on a lot at what is now East Broad and North Tradd Streets.

In 1953, Carl Rodgers was ordained to the Baptist Ministry and the last charter member, Mrs. Mollie Bost Patterson Merrill died. Several new additions were made to the Sunday School structure during 1935-39.

In January 1945, on recommendations of the deacons, the church approved a five-year program, to end in November 1950, as follows:

1. A new auditorium, well-equipped recreational quarters, Church Library, and a fully-graded Educational Plant.
2. A ten-acre park with a Boy Scout Hut, a Fellowship Hall and outdoor recreation facilities.
3. A new Church owned parsonage and a financial budget of $28,000.00.
4. A weekly program of visual education for youth and adults.
5. An active Church membership of 900, and an active W.M.U. enrollment of 200.
6. Employment of a full-time Director of Youth Activities, and a full-time Church Secretary.

On April 2, 1950 the Church accepted the firm of C.C. Benton and Sons to draw plans for the building. These were received on September 5, 1950. Ground-breaking services were held February 22, 1953, with Dr. J. Clyde Turner bringing the message. A new Educational Building was dedicated on April 23, 1972, with Dr. Perry Crouch as guest speaker. Total cost of the building was $526,000.00.

From 1975 to 1985 the Church celebrated its' Centennial. In the decade since 1975, the Church has grown at a rapid pace.

THAT we further express our appreciation to the Reverend Paul Riggs, the Reverend Carroll Jordan, and the Reverend Dean Proctor for their inspirational messages, to the program committee, to Steve Hopkins and all of the musicians, who have lifted us to heaven and to Manuel Cunnup for his excellent presentation of the life and work of Shubal Stearnes. May we go forward to do more and better work for our Lord Jesus Christ in the coming year.

A RESOLUTION CALLING FOR PEACE, ACCORD, AND COOPERATION IN OUR DENOMINATION

Whereas, we as Southern Baptists have worked together in a spirit of unity and cooperation during one hundred and forty-one years of history to build the largest body of evangelical and Bible believing Christians within our land,

AND

Whereas, we continue to hear of discord in the ranks of our convention and power struggles that tend to divide us,

AND

Whereas, we know that divisions and broken fellowship are a hindrance to all our cooperative efforts in evangelism, foreign missions, and the proclamation of God's redemption in Christ Jesus and can eventually lead to irreparable damage,

AND

Whereas, we as Baptists have historically given emphasis to the priesthood of the believer, the freedom of the individual conscience, the right of every individual to be led by God's Holy Spirit, and the sole authority of the Scriptures in all matters of faith and practice;

We, the South Yadkin Baptist Association of North Carolina, meeting in this one hundred thirteenth session with the Ijames Cross Roads Baptist Church on October 21, 1986, do hereby resolve:

1. That we urge every church in our Association to make regular intercession to God for our Southern Baptist Convention's Peace Committee led by Dr. Charles Fuller of Roanoke, Virginia;

2. That we humbly confess our faults to one another as we are admonished to do in James 5:16 and be careful to remember the advice of our Saviour in Matthew 7:1 and 2 to "Judge not, that you be not judged" remembering that "with what judgement you judge, you shall be judged";

3. That we remember to pray regularly for one another as we work always for a spirit of continued cooperation, brotherly love, and Christian toleration for the good of our Association, our State Convention, and our Southern Baptist Convention;

4. That we believe and proclaim the Bible as the authoritative Word of God and "truth without any mixture or error" as we daily practice a life-style in keeping with our profession;

5. That we pray continually for our Southern Baptist Convention in St. Louis in June of 1987 as we ask God's Holy Spirit to heal our differences and lead both our denomination and our nation in a revival and spiritual awakening so greatly needed for our time.

Respectfully submitted,
Mrs. Elsie Davis, Chairman
Mrs. Julia Inman
Mrs. Glenda Tomlin

EIGHTY-THIRD ANNUAL SESSION
Woman's Missionary Union
of the
South Yadkin Baptist Association

The 83rd Annual WMU Spring Meeting was held Tuesday, May 6, 1986 at Beulah Baptist Church, Statesville, N.C. The theme for this years' program was "And Now...Tomorrow" based upon the one hundredth birthday of Woman's Missionary Union in North Carolina.

Business conducted at the annual meeting included:

1. A financial report presented by Secretary/Treasurer, Roberta Waugh. A balance of $344.29 is in the Associational WMU Account at present.
2. Election of WMU officers for terms from May 1986-May 1988 was conducted. (See list of officers included in Annual Report).
3. In keeping with the theme of celebrating our heritage, the past WMU Directors were honored with roses. One rose for each year of service was presented. The oldest living WMU Director, Mrs. C.L. Weston, was honored with a framed print of the Centennial Portrait of NC Woman's Missionary Union. The print is to be passed down to the next oldest living WMU Director at the death of Mrs. Weston and so on...

The program for this years' annual meeting consisted of a look into our past, at our present, and into our future.

"OUR ROOTS IN THE PAST" a recitation by Mrs. LaRue Hudgins, a past WMU Director, reminded us of the cause of WMU. Its' origin, the purpose, and our goal that continues even today.

"OUR INVOLVEMENT IN THE PRESENT" a dramatic reading by the Baptist Young Women of Beulah Church showed us how busy "Today's Woman" is and how she has a mission field at her doorstep. But it reminded us also how we cannot lose our vision of the world.

"OUR CHALLENGE FOR TOMORROW" a mini-drama involving the Baptist Women and Acteens of Diamond Hill Church was especially challenging. These young girls served to remind us (the adults in WMU) how vital it is for our work to go on. How even though we get discouraged and down-hearted at lack of support and participation we must never give up. We must keep our goals in sight and our vision illuminated and work as never before to train our young people because...
THEY ARE TOMORROW.

Following the dramatic presentation the newly elected WMU Council came forward. Following a challenge of commitment by the Director of Missions, Rev. Eugene Hager, a candle lighting ceremony closed the service.

With the closing comments and prayer by the WMU Director, Sandy Motley, we are challenged to be READY to step boldly into our future.

Respectfully submitted,
Sandy Motley, WMU Director

VACATION BIBLE SCHOOL REPORT 1987

As we consider VBS for 1987 the motto has been "Raise The Standard For VBS". As I have worked with and examined the VBS for South Yadkin Association this has been especially true. We began the 1987 VBS emphasis with our associational team attending the State Clinic in Lexington, N.C. Our association was represented by nine individuals at this clinic.

Our associational clinic was held on April 27 at Oakdale Baptist Church. Our enrollment was 103 with 22 churches represented. Oakdale Baptist had the largest group of workers in attendance.

As of the end of September our report breaks down as follows:

36	Churches Reporting
3553	Enrollment
17	Merit
7	Advanced
61	Professions of Faith
1	Mission VBS

It has been a good year and seeing the good number of Professions is even more exciting. Let's continue to seek to "raise the standard" for VBS and look toward 1988 as a banner year for VBS in the South Yadkin Association.

A big thanks to the Associational VBS Team.

Mrs. Betty Morphis - Younger/Middle Preschool
Mrs. Raynelle Navey - Older Preschool
Mrs. Joan Sprinkle - Younger Children
Mrs. Martha Howell - Middle Children
Miss Janie Benton - Older Children
Rev. Gregg Whitson - Youth
Rev. Ron Honeycutt - Adult
Mrs. Violet Liles - Mission VBS and Backyard Bible Club
Rev. Scott Eanes - General Officers

WOMAN'S MISSIONARY UNION REPORT

The theme for this past year in Woman's Missionary Union was " Gifted to Serve, Called to Act ". The watchword was taken from I Peter 4:10 and says: "Each one should use whatever gift he has received to serve others, faithfully administering God's grace in the various forms."

Woman's Missionary Union has gladly accepted the challenge in South Yadkin Baptist Association. During the past year your WMU has focused on the gifts that God has given us and the fact that he has called us to do some very specific duties. Our goal has been to utilize these gifts and the call from God in the area of missions.

We planned each event and activity with a very specific purpose and goal in mind. We reached out to needs that surround us in our own community and provided opportunities for our women, girls, and preschoolers to meet them. Yes, even our preschoolers can learn of their role in missions involvement and participate in their own way.

I now call attention to such events within the realm of Associational WMU this past year.

September 1986 - KEY LEADERSHIP CONFERENCE a promotion of the year ahead in WMU a calling out of our ladies to use their gifts.

September 1986 - LEADER TRAINING a workshop to sharpen our skills in leadership, to better do our jobs, and use our gifts for God's service.

November 1986 - BAPTIST WOMEN WORLD DAY OF PRAYER the ladies in our association joined with women across the world using the priviledge of prayer to pray for missions.

November 1986 - CROP WALK Men, women, and children from 18 Baptist churches walked to raise money for World Hunger Relief in Iredell County and in the Southern Baptist Program.

Nov./Dec. 1986 - FOREIGN MISSION STUDIES WEEK OF PRAYER FOR FOREIGN MISSIONS AND THE LOTTIE MOON CHRISTMAS OFFERING women lead out in the learning of foreign mission needs and the acts of meeting those needs.

January 1987 - BAPTIST WOMEN/BAPTIST YOUNG WOMEN GIFTS SEMINAR Opportunities were given to participate in a learning activity to recognize our gifts and apply them to service. Opportunities to meet the needs of others through a pantry shower for Teen Challenge was also conducted. The results were outstanding with a van load of necessary items delivered to our friends.

Feb./March 1987 - HOME MISSION STUDIES AND WEEK OF PRAYER FOR HOME MISSIONS AND THE ANNIE ARMSTRONG EASTER OFFERING The same opportunities were encouraged as with the Foreign Missions emphasis.

April 1987 - WMU SALAD SUPPER an informal event to meet with the leaders from the churches to share ideas, concerns, and needs. To reemphasize our purpose and goals to remind us to stay on target for missions with our gifts.

May 1987 - WMU ANNUAL MEETING with 100 persons present we were challenged by Home Missionary Susan Field of New York to reach out to those around us and to volunteer as opportunity arises.

May 1987 - JUVENILE OFFENDERS FUN DAY an annual event where we as Christians can reach out to youth that need love and understanding with an example of Christ's love for us.

May 1987 - GA DAY CAMP girls from across the association met with missionaries from Brazil (Brice's) to learn about their work. They participated in raising more needed items for the Teen Challenge home. And they enjoyed the fellowship with each other.

August 1987 - BAPTIST WOMEN AND BAPTIST YOUNG WOMEN STORK SHOWER A new adventure in looking at the ministry of the Crisis Pregnancy Center learning about some needs that exist for these teens in trouble and investigating ways we can help meet those needs.

August 1987 - CHRISTMAS IN AUGUST FOR MISSION FRIENDS a unique event where Mission Friends from across our association meet to bring their items of need to send to a mission work and to meet the missionary that has come to share with them. This may be their first encounter with missions and " real live missionaries ", but will surely leave an impression for life.

September 1987 - THE BALLOON RALLY what a wonderful opportunity to share with the many thousands of visitors to our city and show our love through Christ for them.

In November, February, May, and August opportunities are available to our ladies to host an event at the Vocational Rehabilitation Center.

Our ladies, girls, and preschoolers are encouraged to seek out opportunities on their own in addition to these.

Each year finds us working harder to reach those nine churches that record no WMU work -- churches that have holes in their organizational structure where people are being missed with missions education.

Looking into 1987-88 we discover WMU will be 100 years old in May 1988 and we anticipate a full year of honor to our LORD for allowing this organization to exist this length of time. We will also find ourselves challenged to fulfill the new goals set before us and not be content with the work already done.

WE TRULY HAVE A CENTURY TO CELEBRATE, BUT A FUTURE TO FULFILL.

Respectfully submitted,
Sandy Motley, Assoc. WMU Director

ASSOCIATIONAL YOUTH COMMITTEE REPORT

This past year has been a year of transition for our Associational Youth program. There have been several personnel changes on the Youth Committee during the past year, but we look forward to working with a full strength staff beginning this fall.

We broadened our outlook and perspectives last spring, as we participated in the Region 8 Youth Rally in Gastonia. Youth from five churches from our association enjoyed the music of Connie Scott, and the inspirational message of Knox Talbert. Unfortunately, some other events on the calendar had to be cancelled. The last event of the year was Key Leadership, September 14 at Oakdale Baptist Church. We had seven churches represented in our area of the conference, and it was a great learning experience. Many thoughts came out of that meeting that we hope will translate into reality this coming year. Thanks for the opportunity to serve our Lord and our association.

Respectfully submitted,
Mike Motley, Chairman, Youth Committee

BROTHERHOOD REPORT

South Yadkin Baptist Men and R.A.'s have been busy this year in mission activities in our community, state, in the U.S. and abroad as well as with ministry within individual churches.

As our church year began in October, 1986, Baptist Men and RA's gathered at Western Avenue for a workshop, led by associational and state workers. Crop Walk volunteers from eleven churches in our association raised $1,222.49 for the Baptist World Hunger Fund in addition to that raised for ministry in Iredell County. Mooresville First had 200 walkers, and had the largest group of any participating. RA Week was observed in November by churches across the convention. At the N.C. Baptist Men's Convention held in Raleigh, Wes Lytton was honored as " Layman of the Year " in North Carolina for 1986-87 by N.C. Baptist Men.

Yokefellow Ministries in Statesville received volunteer wood-splitting by our volunteers throughout this year to assist needy families with firewood. As many as six hydraulic wood-splitters were in use at one time in the effort by men and boys in our area. One decision for Christ was reported as a result.

Throughout the fall and winter of 1986 volunteer work continued at Yokefellow and in Riverton, West Virginia where flood and fire victims received assistance. A home was constructed and furnished between November and January 15 for a needy family there. WMU ladies helped in collection of food and materials taken to the area by mission teams. Also the Northfork Baptist Church in Riverton continues to be helped with fuel needs by loan of a hydraulic wood-splitter from our Brotherhood. A 5 X 8 utility trailor was purchased, largely through donations, for mission projects, Baptist Men, and youth retreats.

Baptist Men have been involved on a weekly basis in prison and jail ministry in 1986-87. Many professions of faith in Christ have been reported. Gospel tracts were provided to inmates by our Brotherhood. As well Spanish New Testaments were made available to a mission church in Harmony.

South Mountain Baptist Camp was an area of volunteer work this year. New screens were installed in the cafeteria; clean-up work was done in cabins and in recreational areas; painting was done, and a new water line was installed. Mission Study programs were presented during the summer as well.

RA's from seven churches participated in RA Basketball during January and February with the season ending in a tournament February 12-14 and an Awards Banquet. RA's held a Car Derby/Mission Fair at Fallstown in March with eight churches participating and a Track Meet in May at West Iredell High School.

In March RA's attended RA Congresses in Winston-Salem with many chapters and individual RA's receiving honors for mission participation and other events. Notably, Mooresville First's Jay Gilbert and Archie Jones Crusader Chapters were both named "Chapter of the Year".

Volunteer work at the N.C. Baptist Assembly at Fort Caswell has continued this year in construction work on the Driftwood and Fort Caswell Hotel buildings and in ground maintenance. Work was done at Teen Challenge ministry in Harmony through assistance with food supplies and in installation of a septic and water line for the new director's residence.

Our Brotherhood was selected in a pilot program for an Associational Baptist Young Men's Unit made up of young men between the ages of 18 and 34. Several churches have participated in meetings once a month. The group was represented in a volunteer work project in New York City in August by Stephen Rector from Hebron.

Training and fellowship opportunities this year included a workshop at Ostwalt Baptist Church in April and an Associational Key Leadership Conference at Oakdale Baptist Church in September, both of which were well attended. Baptist Men and RA's assisted with the National Balloon Rally in booths sponsored by churches and the WMU. Our Brotherhood was represented in Guatemala in a construction project this year. Baptist Men and their wives met for fellowship during Valentine's Day observance at the Blue Bay Restaurant. Brotherhood council members met during the year for planning.

Many Baptist Men and RA units have taken advantage of opportunities for ministry and missions during 1986-87.

Respectfully submitted,
Wes Lytton, Assoc. Brotherhood Dir.

EXECUTIVE PROMOTIONAL COMMITTEE REPORT

The Executive Promotion Committee met on the third Tuesday in November, 1986, and May, and August in 1987, and on March 10 due to snow causing postponement in February. The average attendance was 27 and the average number of churches represented was 18.

Reports from the Treasurer, Organization leaders, various committees, and the Director of Missions were heard at each meeting.

ACTIONS REQUIRING A VOTE WERE AS FOLLOWS:

** Wilson White was appointed Chairman of the Committee on Committees and Harvey Clark was added to the committee to fill vacancies.
** Henry Cook was elected as Chairman of the Evangelism Committee due to Kenneth Hyde being elected Moderator for the association.
** A motion was passed for the Budget-Finance Committee to determine how to use the 10% share of State Missions Offering from 1986 Associational gifts ($2,009.07) refunded to the association, for mission needs.
** A motion was passed to give $1,500.00 from the association towards the $6,000.00 needed to keep ACTS on Summit Cable in Statesville, due to shifting the antenna to another satellite.

Kenneth Hyde, Moderator

SUNDAY SCHOOL REPORT

Touch Lives Change People

Challenge 10/90 is the role of the Sunday School in Bold Missions. It is the challenge to live for Christ, to live as light in a dark world, to live so that others might see in us the hope of Jesus Christ. It is the challenge to share the good news with others. Foundations for this year's work have been laid during this past year with the following actions:

Two all-day retreats were held by the Assisteam for training and for planning a year's work. These were conducted on October 25, 1986 and July 7, 1987. Other monthly meetings were scheduled as needed. Assisteam individuals also took advantage of Ridgecrest Conference Center and state training opportunities during the year.

The Associational V.B.S. leaders attended the Piedmont V.B.S. Clinic, March 6-7. The V.B.S. Clinic for South Yadkin Churches was conducted April 27th.

An Associational Pastor-Sunday School Workers Planning Workshop was held May 7th. Twenty-three churches initiated their planning for the new year at this meeting. There were 12 pastors, 12 S.S. Directors, 37 teachers and 18 other S.S. leaders involved in planning.

The Associational Key Leadership Conference held September 14 had 25 church leaders participating in the Sunday School Conference and 15 churches represented.

The Associational Central Training School conducted September 28 & 29 had as its theme, " We Are Improving Our Bible Teaching ". 315 church leaders and members registered with 31 churches represented. The response from those who attended has been gratifying indeed.

THE SOUTH YADKIN ASSOCIATION RECEIVED STANDARD RECOGNITION IN SEPTEMBER FROM THE SUNDAY SCHOOL BOARD OF THE SOUTHERN BAPTIST CONVENTION AND THE STATE SUNDAY SCHOOL DEPARTMENT. ONLY 11 ASSOCIATIONS IN N.C. HAVE REACHED THIS ACHIEVEMENT. CONSIDERING THE FACT THAT N.C. HAS LED ALL THE OTHER STATES IN THE SOUTHERN BAPTIST CONVENTION IN THE NUMBER OF STANDARD ASSOCIATIONS, WE VALUE THIS DISTINCTION.

Touch Lives and Change People will be implemented with the follow-in emphasis for 1987-1988:

January Bible Study In Your Church - January 4 - 8
Vacation Bible School Clinic - April 25
Pastors, Sunday School Leaders Planning Workshop - August 2
Preparation Week In Your Church - September 25 - 30
Associational Training School - October 3 - 4

Respectfully submitted,
Jack R. Bagwell, Assoc. S.S. Dir.

ORDINATION COMMITTEE REPORT

The Ordination Examining Committee of the South Yadkin Baptist Association met once during the year of 1986-87.

On February 22, 1987 we examined Mr. Dale Parsley at the request of Edgewood Baptist Church. Recommendation was made for his ordination into the gospel ministry.

SOUTH MOUNTAIN BAPTIST CAMP
1987 REPORT

Theme: "Living by Faith"

South Mountain Baptist Camp continues to be an effective and vital ministry to the churches of Region Eight! With the help of 22 staff members, we were able to reach an average of 105 weekly for 7 weeks. Of those attending there were 104 youth accepting Christ as their Saviour, and 201 felt a need to rededicate their lives to a closer walk with Jesus. We praise the Lord for these decisions, and ask you to join us in prayer for these young Christians.

We were challenged by the theme "Living by Faith". Through devotions, classes, music, mission films, missionaries, and the preached word, all attending were confronted with the command of scripture to "live by faith" (Romans 1:17)!

The "camping experience" is a unique tool in reaching, teaching, and influencing young people for Christ. The teaching and preaching of God's Word can be reinforced in the lives of youth through recreation, crafts, and interaction with other youth groups and counselors. Things that are learned in classes can be acted out in everyday experiences.

South Mountain is becoming a year 'round ministry. Youth groups have been using our cottages for retreats for years. With the addition of the Retreat Center facility we can also minister to adults and special groups in our churches. Couples retreats, choir groups, deacons retreats, church counsels are only a few of the varied groups that use the retreat center.

Along with our special thanks to God and His Son, we also want to thank you who have shared the vision with us of what South Mountain can be for the Glory of God and His Church. We ask for your continued prayers, and encouraging support as we labor in this field of Service.

Respectfully submitted,
Tom Lineberger, General Manager

AMERICAN BIBLE SOCIETY

Praise God for the continuing partnership of the Southern Baptist Convention in the worldwide Bible cause! Your faithful prayer and financial support make a vital contribution to the American Bible Society's global program of Scripture translation and distribution.

Through the United Bible Societies, the international cooperative network of national Bible Societies of which the American Bible Society is a leading member, 600,128,459 copies of Scripture were distributed worldwide during 1986 -- an increase of 9.4 percent over 1985.

During 1986 the total number of languages in which at least one complete book of the Bible has been translated climbed to 1,848. In seven languages first-ever Bibles appeared. The American Bible Society is continuing to lend assistance to ongoing Scripture translation projects in 555 languages. In 348 of these, some part of the Bible is being translated for the first time.

The Word In Action In Foreign Lands

In Columbia, there is an enormous interest in reading and studying the Bible as is evidenced by the year's Scripture distribution total of 6,616,978 copies. Bible Portions, especially the Four Gospels, are continually in demand by churches, particularly for evangelization programs where they are given out free of charge. During 1986 a project was launched to enable young people to obtain a Bible and to encourage them to read it and share its message with others. Another special concern was the need to reach the sick with the message of the Gospel by sharing the Word with patients of various clinics and hospitals, as well as with the medical staff and administrative personnel.

In Kenya, there are only two official languages, but their use is limited to only 15 percent of the population and is concentrated in urban areas. The majority of the rural population use local vernacular languages, of which there are 40. Work on translating the Scriptures is therefore an ongoing top priority. The government of Kenya is encouraging the use of local languages, and one of its policies is that people should learn to read in their own mother tongue. The Bible Society of Kenya is in a good position to be of assistance to the government because of the many New Reader Scriptures already available in vernacular languages. Thousands of these Scriptures have been donated to the government for use in its literacy campaigns, and the demand continues to increase every year. Overall, 602,200 copies of Scripture were distributed last year.

In the Philippines, more than ever before, people are turning to the Bible to discover what God's Word has to say to them. And in this time of difficulty and opportunity, the local Bible Society is expanding its distribution programs. One audience in particular is receiving the attention of Bible workers: the approximately 250,000 men and women in the armed forces. Special Selections on the theme of "Freedom" were prepared and circulated in the course of the past year, and in a follow-up program Bibles and New Testaments are being provided to the military chaplaincy services for free distribution among the troops. In total, 8,600,532 copies of Scripture were distributed throughout the country.

The Word In Action In The United States

The work of the American Bible Society embraces many ongoing ministries which have become a regular part of its outreach each year. These include serving the special Scripture needs of hospital patients, nursing home residents, inmates of correctional institutions, blind and visually-impaired people, men and women in the armed forces, and, increasingly, the many thousands of expatriates from other countries who require specially-prepared editions of God's Word in their own languages.

An ABS volunteer corps of almost 70,000 men and women, young and old, is responsible for much of the Society's success in meeting the Scripture needs.

During 1986 the American Bible Society supplied 100,142,313 copies of Scripture to people in the USA in over 80 languages and in various customized formats. This number reflects a 4.07 percent increase over distribution figures for 1985.

Scriptures for Evangelism

With the growth of evangelism programs across the country, there will be a continued emphasis on the development of Scripture resources that will support new and/or ongoing evangelism programs on the national, regional and local levels. There will be a new promotion of customized Scripture editions to national and regional church bodies.

Spanish - Special emphasis will be given to the distribution of low-cost Bibles and New Testaments for use in Spanish language evangelism programs. There will also be continued development of bilingual promotional material for Spanish language Scriptures.

One area of the world where people have long been without God's Word, but where a unique opportunity for Bible work has recently been initiated, is the People's Republic of China. Through a special partnership between the United Bible Societies and the Amity Foundation, a social service organization formed at the initiative of Chinese Christians, a state-of-the-art printing plant is under construction on the outskirts of Nanjing. The Amity Printing Press will give priority to printing Bibles and New Testaments and will have the capacity to print 250,000 Bibles and 500,000 New Testaments annually when it is completed in the latter half of 1987. In faith the American Bible Society has committed itself to raising nearly one-half of the $6,695,000.00 needed to purchase machinery, train personnel and provide the initial capital investment needed for this operation.

This is but one of many hundreds of opportunities for Bible work that come to the attention of the ABS each year. Yet "opportunities" are one thing; the realities of supply and demand are another. During 1986 over 100 urgent Scripture distribution projects throughout the world could not be carried out due to lack of funds. It is a sad fact that every year choices have to be made regarding who will and who will not receive copies of God's Word. In a very real sense, the support that the churches of America give to the Bible cause is the determining factor in the resolution of this dilemma.

We appreciate immensely the way the Southern Baptist Convention has responded so generously to global Scripture needs during the past year as it has always done. In 1986 Southern Baptist churches gave $272,277 to the American Bible Society in support of the worldwide Bible cause.

BAPTIST HOSPITAL REPORT 1987

During the past year, Baptist Hospital admitted 22,973 patients for a total of 186,321 days of patient care. More than 1,000 of those patients had heart surgery and 27 received kidney transplants. During this period, the hospital also performed its first heart transplant and, as of June 1, 1987, has performed four successful heart transplants.

Approximately 1,000 persons with kidney stones have been treated with the lithotripter. The lithotripter has also been used to break up gallstones. Baptist Hospital was the first hospital in the United States to achieve this success.

The Air Care Program, described as " a flying emergency room staffed with highly trained pilots and flight nurses, " continues to save lives and to contribute to more rapid and complete recovery for many victims of trauma. For example, Air Care made it possible for a man whose arm was severed in a hay mowing accident to reach the hospital in time to have his arm reattached.

Baptist Hospital is one of less than a half dozen medical centers in the nation routinely transplanting living bone tissue. A woman underwent this rare procedure to correct an arthritic condition in her hip where her bone tissue had died. Bone tissue with its own blood supply was successfully transplanted from her lower legs to the upper end of the right femur.

In addition to those admitted to the hospital, 30,726 persons were seen in the outpatient clinics, 35,134 in the emergency department, and 196,556 in the Bowman Gray Department of Clinics. 2,747 patients had outpatient surgery.

During the past year, the Pastoral Care Department has continued to provide pastoral services for hospital patients, pastoral counseling, clinical pastoral education, and human enrichment events. In addition, the department, in cooperation with the Baptist State Convention, has offered the "Pastor's Sabbath" Program at Caraway Conference Center and has provided assistance to more than 100 pastors and their families through the Minister's Care Plan. Plans are being made to offer training in "Conflict Management," "Healing of Corporate Pain," and "Ministry to the Interim Church."

Due to the change in the method and timing of the special offering, Baptist Hospital received during its past fiscal year the largest offering from the churches in its history. The last North Carolina Missions Offering in September of 1985 and the first Homes and Hospital Offering in May of 1986, together with designated gifts, brought the hospital a total of $474,662.00. Cooperative Program gifts to the hospital during the same fiscal year was $608,389.00, making our total receipts from the churches $1,083,051.00.

For these gifts and for all other continuing support and help from the Baptist churches, the hospital trustees, staff and patients are deeply grateful.

BAPTIST RETIREMENT HOMES OF NORTH CAROLINA, INC. REPORT

The year 1986-87 has been an exciting time in the life of the Baptist Retirement Homes of North Carolina, Inc. Charged with the task of providing quality living opportunities for Older Adults within a Christian context, the "Homes" has this year attempted to "move forward" in three broad directions.

I. Advocacy for Older Adults

During 1986-87, the "Homes" has endeavored to become an advocate, a spokesman, for a very special segment of the state's population...the Older Adult. Appearing before church, associational, and convention groups throughout the state, the "Homes" and staff have attempted to sensitize Baptists to the particular needs of Older Adults as well as the significant contribution they can make to the well-being of the churches and associations of the Baptist State Convention.

II. Quality Care

During the year 1986-87, the "Homes" has continued to develop creative ways to meet the needs of Older Adults. For example, a significant new relationship has been established between the " Homes " and the Geriatric Section of the Bowman Gray School of Medicine (Wake Forest University). Mary Lyles, an attending physician in the Department of Medicine, has been appointed the " Homes " Medical Director. As a result of this new relationship, the "Homes" will be able to offer "sub-acute" care as well as intermediate and skilled nursing to its residents and patients. In an attempt to provide quality care opportunities to Older Adults who still reside in the local community setting, a respite or temporary care program has been begun at the Albemarle Home. Quality care, long the hall-mark of the "Homes" is still the institution's main objective.

III. During 1986-87, plans for institutional expansion and new development have moved forward at a rapid pace. " Ground-breaking " for a new Continuing Care Retirement Community in Winston-Salem will take place in the fall. The "Homes" long-range plan includes the development of similar facilities in Asheville, Charlotte, and the East.

The "Good News of Jesus Christ" is the presupposition upon which the "Homes" operates. In reaching out in service to Older Adults, the " Homes " offers concrete expression to the love of the Christ for all people. The support of North Carolina Baptists makes this ministry of love possible.

BAPTIST CHILDREN'S HOMES' REPORT

In behalf of Dr. Blackwell, the staff, trustees and children in care, we gratefully acknowledge your support through your prayers, concern and financial resources.

Four major emphases occured during this exciting year at the Children's Homes:

1. There was a reorganization of group care on the Mills Home campus in order to more effectively deliver services to children and families. Intentionalized Services will focus on specific tasks needed by our clients in order to regain their ability to function as a whole or independently in society.

2. Moody Home Ministries, an intensive program of " friendship therapy " to troubled girls, was opened in Macon County. We are grateful to our Lord and to the people of Western N.C. in realizing this dream in 1987.

3. The process of Long-Range Planning, which in today's complex world of child care, can only extend up to five years was begun. As a basis for this LRP, accreditation by the National Association of Homes for Children was awarded in 1987. We are only one of three NAHC accredited child-care institutions in North Carolina. We believe you share in this accomplishment.

4. Partnerships in cooperation with the WMU, Personal Evangelism, Baptist Men and the Department of Aging have been both rewarding and exciting. We are grateful for their willingness to assist in informing the Baptists of North Carolina on this child care ministry.

We are delighted to report that more than fifty of our youth made a profession of faith in Jesus Christ during this church year.

Our commitment to you is to be good stewards of that which is entrusted to our care as we offer quality services on four group care campuses, eight emergency care homes, in our foster homes, at our therapeutic camping program, through the child development center and at our maternity home. OUR MISSION REMAINS FIRM: TO HELP HURTING CHILDREN AND ASSIST BROKEN FAMILIES. We encourage you to help us by promoting the 1988 Homes & Hospital Offering in May and Cooperative Program stewardship.

Update/Hickory-Lenoir Family Services Area: During the first six months of 1987, there has been a dramatic and consistent increase in the demand for the services of the Baptist Children's Homes of N.C. in the Hickory-Lenoir area. The majority of the referrals come from

school counselors, juvenile court counselors and the Department of Social Services in our eleven county area. With the opening of Moody Home Ministries, an intensive program of "friendship therapy: for troubled girls, two girls from the Greater Hickory-Lenoir area were the first to be admitted to this service.

Our staff continues to be excited about the positive relationships with the professional agencies in our area as well as with our Baptist friends. We look forward to the addition of a social worker to better meet the needs of hurting children and their families.

Through your faithful prayers and generous gifts, we continue to be laborers together for God, thus we are grateful for the opportunity to serve with you.

NORTH CAROLINA BAPTIST COLLEGE REPORT 1987

One Baptist leader has said that Baptist colleges deserve the "Light Under the Bushel Award." He meant, of course, that many of the finest, most interesting stories about Baptist colleges are not widely known.

Everyone connects Baptist colleges and a superior experience in Christian education. Most would agree that there are other strong advantages for Baptist students who attend a North Carolina Baptist college. When young people and their parents are choosing a college together, here are some things to consider:

THE TIME: Life after high school is still a time for growing, maturing, learning and planning for a full life as an adult. Going to college in a Christian environment can make a world of difference for a lifetime. The first experiences after leaving home can shape a life forever.

THE SIZE: All of the Baptist colleges in North Carolina are small and manageable. You can easily walk anywhere on campus. No one is overwhelmed by a "megaversity" environment. A new student, fresh from high school, does not get lost in the crowd. Classes are small. Teachers can know the names and faces of students, and are available to advise and counsel between classes.

A LASTING FAMILY: Many years after graduation, former students still visit and write letters to favorite professors. Cherished friends in college often remain friends for a lifetime. More often than not students will choose a husband or wife while on a college campus. These are only some of the advantages of a Baptist college community of caring people.

THE CALL TO CHRISTIAN SERVICE: In Baptist colleges the ideal of service to others remains strong in vocational planning. A sense of calling to a variety of service/leadership areas is emphasized, including church-related vocations. In a "me first" world, Baptist colleges are different in important ways.

PREPARING FOR LIFE: Christian education prepares students for making a living. But more importantly, Christian education is the best preparation for spending a life. An excellent, broad-based education provides a sound foundation for a person's last job, as well as the first.

THE ROLL CALL OF BAPTIST COLLEGES

There are six educational institutions supported financially by the Baptist State Convention: Campbell; Chowan; Gardner-Webb; Mars Hill; Meredith; and Wingate.

Wake Forest, our oldest school, has a continuing "fraternal and voluntary" relationship with North Carolina Baptists and the Council on Christian Higher Education.

CHRISTIAN ACTION LEAGUE REPORT

The General Assembly adjourned its 1987 session on August 14th marking the first time in North Carolina's history for the legislature to last into August. Normally, the body concludes its work by the 4th of July.

One of the reasons for the session to last as long as it did was due to the " rash " of liquor bills along with gambling initiatives. Longtime legislative veterans stated that this session had more bills to liberalize our liquor law than ever. With the liquor lobbyists and gambling proponents working over-time, no wonder this session went on and on and on.

A major victory can be claimed by the defeat of the statewide lottery proposal. Due to Virginia's recent passage of such a bill, the heat from the gambling industry was evident. With opposition to the proposal coming from Governor James G. Martin, Lt. Governor Robert B. Jordan, and House Speaker Liston B. Ramsey, the bill died in a Senate Committee.

However, the gambling industry did not fold up its tent and go home. A pari-mutuel gambling bill, Senate Bill 732, is still alive. Its sponsor, Senator Kenneth Royall, was able to get the measure held over until the 1988 legislative session. This proposal will open the door for horse and dog gambling tracks.

Your association needs to pass a resolution opposing Senate Bill 732, the pari-mutuel gambling proposal. Send copies to Governor James G. Martin, Lt. Governor Robert B. Jordan, III, and to your House and Senate Members.

In the war against pornography, we have special reasons to be thankful. The North Carolina Supreme Court has recently upheld the constitutionality of our 1985 Comprehensive Obscenity and Child Protection Act. The "smut peddlers" have contested this statute in both the state and federal courts. Each time the courts have ruled in support of the measure. Prior to the enactment of this nationally acclaimed law, North Carolina was known as the nation's porn capital with more porno outlets per capita than any other state. We have gone

from some 750 pornography outlets to less than 50. No longer do you find sexually oriented publications available and accessible to children in convenient stores, etc.

The porn industry hasn't thrown the towel in either. There will be more court cases. In the current session of the N.C. Generel Assembly, an effort was made to " gut " our obscenity statute. Rep. Ivan Mothershead of Mecklenburg County sought to insert into our law a provision to apply a state-wide standard rather than a community standard. Of course, that innocent sounding wording would have rendered our obscenity statute unconstitutional. The U.S. Supreme Court in its 1973 landmark case, Miller vs. California, set forth as a basic test in determining obscenity was the applying of a contemporary community standard rather than a state-wide one. This reveals the importance of what one word could do to a good law. We are grateful that Rep. Mothershead was unsuccessful in his attempt.

Rep. Mothershead sought to repeal our newly enacted age 21 drinking law, but he was unsuccessful in that attempt. Of course, the beer industry was behind that effort, but the loss of federal highway funds for N.C. highway building projects was more than the legislators were willing to tackle. If Mothershead would have been successful, the state would have had to pass a considerable increase in motor fuel taxes. This might have been the reason behind his effort to raise gasoline taxes.

The legislative session has not been the only focus of activity for the Christian Action League. We have assisted in successful campaigns involving liquor, beer and wine referendums in places like Pasquotank County, Hudson, Lenoir, Banner Elk, Manteo, Franklin and King.

Thank you for standing with us in the ministry of applied Christianity. Through your prayer and financial support, you help us to be an effective applicator of "salt and light".

Joe S. Lennon, President
Coy C. Privette, Executive Dir.

During the past few months we have heard and seen much of how funds given for God's work have been misused and have experienced all the unfavorable publicity about some religious programs. How refreshing it is to read about the fine contribution Southern Baptists are making through our missions programs in 112 (latest figure) countries around the world.

For 142 years Southern Baptists have been involved in missions--and we have held our missions boards strictly accountable for channeling Southern Baptist resources in following the Biblical mandate to share the Gospel with the whole world.

This report from our Foreign Mission Board is an effective demonstration of accountability and stewardship of Southern Baptist funds and efforts to share the Gospel with the whole world.

Note especially the 185,689 baptisms in 1986 - that's more than 500 a day! Note that 20 churches were started every week throughout the year! Note that at the end of 1986 we had 3,756 missionaries under appointment and that we have 6,200 volunteers overseas who are there at their own expense sharing the Gospel! Note where the funds to support this gigantic undertaking came from and how those funds were spent. Where else but from a Southern Baptist agency could one secure such a forthright accounting of what has and is being done?

This report is being given to you because you have a right to know and your Southern Baptist leaders want you to know!

THE BIBLICAL RECORDER REPORT 1987

There's good news and bad news!

The bad news is that during 1987 there have been some very embarrassing things happen which hindered the work and witness of Christians across our state, the nation and the world.

The good news is that Baptists have done more, given more and cared more about a lost and needy world than ever before. And it was reported in the Biblical Recorder.

The state Baptist paper for North Carolina always tries to tell it like it is--the good, the bad, the victories and the warts--with an emphasis on the good because there is so much good being done by our people as they take seriously the Great Commission from our Lord.

Some Baptists are well-informed, some misinformed, some uninformed. The Recorder tries each week to present the news and activities of Baptists so that all will have the opportunity to be the best informed. As our state grows and there are more challenges every day for witness and ministry, our Baptist people need to be at their very best with information and insight into the situations. Never in the history of North Carolina has there been a greater moment for Baptists to make known the Gospel and help people live in the manner of Jesus.

Readership is strong, but we want every reader and subscriber possible so that more Baptists can know the opportunities and victories within our fellowship. The paper is a bargain -- only $5.00 per year for the Church Budget Plan! For half the price of a first-class postage stamp, the Recorder comes into Baptist homes each week.

For the sixth consecutive year there will be NO INCREASE in the subscription rates. Despite the fact that second-class postage costs went up more than $90,000 in 1987, the Recorder directors have agreed to leave the subscription prices as they are so that the greatest number of Baptist can benefit from the paper at the lowest costs.

If your church does not have the Budget Plan, we urge you to consider it for 1988. Special introductory offers are available. Please contact:

May God help us all to work together to share the Good News with the world, starting where we are and reaching to the ends of the earth.

HISTORY OF CLEVELAND BAPTIST CHURCH

On March 12, 1886 the church known today as Cleveland Baptist Church was organized using the name of Third Creek Baptist Church; one year later, March 12, 1887 this name was changed to Cleveland Baptist Church. A.T. Hord was the first pastor.

May 8, 1914 the church house was destroyed by fire caused by lightning. A new church building was begun in January of 1921 and was completed in 1923. The debt was paid off by 1926.

Mrs. Dora Steele served the church as clerk and treasurer for more than twenty years.

In 1930 a membership of 82 people was reported.

From 1888 until 1981 there was total of 19 pastors. Pastor W. Arnold Bell was called and is still serving as Pastor.

In 1942 - 1953, during the time of Pastor A.T. Stoudenmire, a Vacation Bible School was begun.

In 1947 a new pastorium was begun. It was finished and dedicated in 1950. A new educational building was begun in June of 1954. On February 26, 1955 an Open House was held and the keys presented to the trustees by Rev. A.T. Stoudenmire.

During the years 1955 - 1957 the church was under the leadership of Pastor W.A. Robinson and began a mid-week prayer service, regular Sunday evening service, adopted church budget systems, rotation of deacons, and printing church bulletins. By 1961 the budget was $10,122.46 and enrollment was 217.

In December 1964 a committee for building a new sanctuary was elected. The building was completed and dedicated on April 7, 1968. The church bought more land adjoining the pastorium in 1970, and a new pastorium was built at a cost of $43,500.00. In November 1982 a new fellowship hall was completed at a cost of $87,392.00. The church hired a part-time Minister of Music, the 1985 gifts to the Cooperative Program were increased from 12% to 13%, and in July 1986 the church budget was increased to $82,036.00. Membership in 1986 was 360.

HISTORY OF DIAMOND HILL BAPTIST CHURCH

Diamond Hill Baptist Church was constituted on January 3, 1926, after a few months as a mission under the sponsorship of Western Avenue Baptist Church. Twenty-two charter members comprised the infant church which first met in a four room house. The church adopted a $1,070 budget for the first year of operation. On September 2, 1926, Diamond Hill was received into the South Yadkin Baptist Association.

By 1939, the growth of the church necessitated the erection of a house of Worship called "The Tabernacle" which had a "sawdust-on-dirt" floor. From 1940 - 1958 the Sunday School was housed in several dwellings on adjoining lots. The present auditorium was constructed in 1948 at a contract price of $65,300.

The need for more Sunday School space led the church to vote on January 19, 1958 to build the present Educational Building at the cost of $110,000. This facility adequately cares for the Sunday School, Church Training and other educational functions. The present Fellowship Hall is a result of extensive renovations in 1980.

Church membership has grown to 730, while the gifts for last year totaled $195,253 with $44,399 of this amount given to missions causes at home and abroad.

Twelve pastors have served Diamond Hill during her 60 year history. Present pastor is J. Harvey Clark.

DIRECTOR OF MISSIONS REPORT

Some of the highlights in our association this past year were: an excellent VBS Clinic, an enthusiastic WMU Spring Meeting, an inspiring Choir Festival, an effective Key Leadership Conference, and a carefully planned and well-attended S.S. Teaching Improvement Clinic. In addition there were things like the Baptist Men and boys projects: West Virginia, Caswell Assembly, South Mountain Camp, and wood-splitting at Yokefellow. Most of these have been reported elsewhere, so I will not dwell upon them.

As the Baptist State Convention of North Carolina's Partnerships with Togo and West Virginia are completed, an invitation has come from Brazil. The State of Sao Paulo in Brazil and the Foreign Mission Board have invited the Baptist State Convention to form a partnership with them.

The partnership would pair associations in North Carolina with similar associations in Sao Paulo as well as rural, mountain, and sea coast areas.

Our association has already had teams to go to Central and South America in the past, and I believe we would like for our association to be one of those to pair with a Brazilian Association for the period 1988 - 1992.

If we decide to participate we need to take the following steps.

1. Vote to participate and authorize the Director of Missions or someone else to be the Associational Coordinator of the partnership.
2. Provide funds for at least the Coordinator to join others from North Carolina in a planning trip to Sao Paulo in February or March. The costs for all expenses will be $1,200.00. We could designate the association's share in the State Missions Offering for the funding for our Brazil Partnership.
3. We should designate other leaders to assist the Coordinator in the project. I would suggest the Missions Committee plus the Brotherhood Director and the WMU Director.

I appreciate the cooperation and encouragement which you have given to me as your Director of Missions this past year. Here are some statistics on my work although statistics do not tell the whole story:

Conferences:

EVANGELISM REPORT

Jesus, in the great commission said, "go and make disciples". We are hurting in both areas. 1985 marked Southern Baptists' lowest number of baptisms in 35 years - - only 351,071 - - a 6.9% decrease from 1984. In 1986 we managed to pull out of the decline by 4%. From 1970-1980 Southern Baptists grew by 1,412,978 persons; projections for 1980 - 1990 show a growth of only 1,114,858 - - a 20% decrease.

Again, our problem lies in two areas - - going and discipling. Along with that is a lack of vision and zeal. The cults of our day as wrong as they are, put us to shame -- in 1986 the Mormon Church reported 30,005 missionaries serving worldwide, of that number, 20,637 lived and worked in the United States; in 1986 Jehovah's Witnesses spent 146,673,490 hours in visitation.

We have set some challenging goals for 1990, we need to reach these and go beyond - - 5,000 new churches; ten million enrolled in Bible Study; every church to have intercessory prayer meetings; 7,660 missionaries here and overseas.

I want to lead Beulah Church and this association to rise to the Call of Christ to " go and make disciples ". We must have the burden; we must catch the vision; we must pray; we must go!

Respectively submitted,
Henry C. Cook, Jr., Chm.

MUSIC REPORT

On August 30, ten churches came together for a musical service of praise and worship at Front Street Baptist Church. The Fifth Annual Associational Choir Festival was exciting for both the ten choirs that participated and the 850 people in the congregation. Each choir sang two anthems, and, as a culmination to the festival, the combined choir of more than 300 voices joyously presented two anthems, giving us a glimpse of the experience of singing in the heavenly choir.

We hope that this next year will be an even greater year in the musical life of our association. On February 22-23, the Associational Choir Workshop will be held. The two-night workshop will have the following classes - a children's choir worker class, a keyboard clinic for pianists and organists, a vocal technique class for choir members, and a worship planning class for Ministers of Music and their pastors. Each night, a choral clinic will also be held for the entire group.

The 1988 Associational Choir Festival will be held on September 25th. Other goals for this year involve an evaluation of the church music needs of our association through surveys and personal contacts, the establishment of a zone organization of leadership and promotion, and the development of an ongoing fellowship for Ministers of Music. We hope to strengthen the bond between our churches as we praise our Lord together through music. We pray that we will have increased participation from our churches and that our association can earn the Associational Music Standard of Excellence. May God direct us as we strive to grow spiritually through the service of music.

"Let everything that has breath praise the Lord!"

Respectfully submitted,
Kenny Lamm, Assoc. Music Dir.

RESOLUTIONS COMMITTEE REPORT

RESOLUTION CONCERNING SENATE BILL 732

Whereas, Senate Bill 732 as introduced by Senator Kenneth Royall in the 1987 Legislative Session is expected to be held until the 1988 Legislative Session, and:

Whereas, this bill, if passed, will allow for horse and dog racing in our state with gambling and pari-mutuel betting; and,

Whereas, we believe that gambling is a moral issue and a vice that appeals to greed and the baser elements in human nature; and,

Whereas, experience has proven that race tracks and gambling always draw a criminal and undesirable element to any state where they are legalized;

We, the messengers of the South Yadkin Baptist Association of North Carolina Baptists, meeting with the Cleveland Baptist Church on this 20th day of October, 1987, do hereby resolve:

1. That we publicly express our opposition to Senate Bill 732 and any effort to legalize gambling of any kind in The State of North Carolina;

2. That we appeal to Governor James Martin, Lt. Governor Robert Jordan, and the State Senators and Representatives who represent the three counties from which our churches are drawn to use their full influence to defeat any legislation that would legalize gambling in any form in our state;

3. That copies of this resolution be sent to Governor James Martin, Lt. Governor Robert Jordan, and to all Senators and Representatives from the three counties represented in our South Yadkin Baptist Association.

APPRECIATION FOR HOST CHURCHES

Whereas, we, the South Yadkin Baptist Association have met with the Diamond Hill Church of Statesville and the Cleveland Baptist Church for our one hundred and fourteenth session, and

Whereas, these churches have provided delicious meals, comfortable facilities, and gracious hospitality, we therefore resolve,

THAT we express to these churches our sincere appreciation for their labor of love and Christian hospitality and their devoted support to the programs of our association.

APPRECIATION FOR STAFF, ASSOCIATIONAL OFFICERS, AND OTHER FAITHFUL WORKERS

Whereas, the spirit of the Lord is at work moving us forward with the love of God. Helping us to be more understanding and loving toward the needs of others, we hereby resolve:

THAT, we extend our appreciation to our Director of Missions, the Reverend Eugene Hager, for his faithful leadership. Assuring him of our love and faithful prayers as he follows the leadership of the Lord.

THAT, we thank Mr. Aubrey Walker, Mrs. Sandy Hyde, and the other members of our staff, for their faithful support in their daily services. Working with each other to make our association the best it can be.

THAT, we give thanks to the many faithful and committed officers, who give their time and talents for the advancement of our associational work for the ongoing service and kingdom of God.

THAT, we further express our appreciation to the Reverend Robert Jackson and Reverend John Green for their inspirational messages. For Dr. Jack Causey for the wonderful challenge that stirred our hearts causing us to seek the Touch of the Master's Hand. To the Program Committee, Musicians, and to Reverend Kenneth Lamm, who inspired us and prepared our hearts for worship. We say "Thank You" and pray that we will be able to do more and better work for our Lord Jesus Christ during the next year.

APPRECIATION FOR MR. J.E. OXFORD

Whereas, Mr. J.E. Oxford has served faithfully and effectively as Treasurer of our South Yadkin Baptist Association for 14 years and,

Whereas, he is the one officer of our association with the longest tenure of service at this time, and,

Whereas, he is always faithful in attending our meetings, efficient in making reports, honest and trustworthy with the many thousands of dollars that pass through his hands, and,

Whereas, he walks before us as a man of God, magnifies our Christ and is always loyal to the causes of our Southern Baptist Denomination,

We, the South Yadkin Baptist Association meeting with the Cleveland Baptist Church on this 20th day of October, 1987 do hereby resolve:

1. That we express to Mr. J.E. Oxford our gratitude for these many years of loving and faithful service.

2. That we commend him for the example and inspiration of his Christian walk before us, and,

CONSTITUTION

Preamble

We, the messengers of Southern Baptist Churches of Iredell and Davie counties and territory adjacent thereto in the State of North Carolina, do hereby propose to establish and maintain the order of rules of a District Association in conformity to this constitution.

ARTICLE I: NAME

The name of the organization shall be the South Yadkin Baptist Association.

ARTICLE II: MEMBERSHIP

Section 1. This Association shall be composed of regularly constituted Southern Baptist Churches in Iredell and Davie counties and adjacent territory who have been duly accepted into membership by the Association. They may be represented at its regular or special meetings by duly elected messengers in the following ratio:

(a) Two for the first fifty members or fraction thereof and one for each fifty additional members or major fraction thereof, provided that no church shall be entitled to more than ten messengers.

(b) All ordained ministers who are pastors therein or laboring in connection therewith.

Section 2. The Association shall be sole judge of its membership and may receive or reject churches applying for membership therein at its pleasure, provided that the churches so received shall agree to come under watchcare of the Association for a period of one year. During this period of watchcare such church or churches shall be entitled to all the rights and privileges of the Association except that of their members voting and holding office. At the conclusion of this period, should no objections be raised, they then become members in regular standing by action of the Association in annual session, or by the Executive Promotion Committee at a regular meeting.

Section 3. The New Testament shall be accepted as the sole guide in matters of doctrine and practice, and the Association shall reserve the right to withdraw fellowship from any church that does not conform thereto.

ARTICLE III: PURPOSE

The primary purpose of this Association shall be to counsel together for the advancement of the cause of Christ for the promotion of unity and growth among the churches composing the Association; furthermore, it is the purpose of this Association to cooperate with the North Carolina Baptist State Convention and the Southern Baptist Convention and their agencies in the work of Missions, Christian Education, and Social Ministries.

ARTICLE IV: POWERS AND PREROGATIVES

The Association shall have no power whatever to infringe upon the autonomy of the churches. It may advise or recommend measures of guidance for their adoption but cannot bind them in any way. All the churches constituting the Association remain sovereign and independent bodies and unite that they may more effectively promote the cause of Christ throughout the world.

ARTICLE V: DUTIES OF THE CHURCHES

Section 1. It shall be the duty of each church to elect responsible members as messengers and to encourage their attendance at the annual session of the Association.

Section 2. Each church shall send annually a report to the Association, giving information requested in forms provided by the Associational Clerk.

ARTICLE VI: ORGANIZATION

Section 1. The general officers of the Association shall be a Moderator, Vice-Moderator, Clerk, Treasurer, and Historian, who shall be elected at each annual session, and shall be installed and assume their duties at the closing period thereof and continue said duties until their successors are elected and installed at the next annual session. These officers shall be elected by the Association with nominations being made from the floor.

Section 2. All officers and all members of all committees shall be members of churches affiliated with the Association.

Section 3. The term of office for the general officers of the Association shall not exceed two years in succession with the exception of the clerk and the treasurer of the Association, who may be re-elected to succeed themselves in office at the pleasure of the Association. The term of office for all members of committees of the Association shall be for one year.

ARTICLE VII: DUTIES OF OFFICERS

Copies of the program should be prepared and distributed to the messengers and visitors at the Associational Meeting.

4. The Finance Committee. This committee should keep a close watch on the needs of the Association for an adequate budget for a well-balanced program of work, and should be prepared to bring to the Association in annual session a proposed budget. This committee should also be prepared to advise with the treasurer of the Association during the year concerning the items in the budget to the end that the Association may be kept in a healthy financial condition. It shall be the duty of the Finance Committee to see that an audit of the Treasurer's books be made following the close of the Associational year and presented to each annual meeting of the Association.

6. The Committee on the Reception of New Churches. It should be the work of this committee to make proper investigation of the churches that express a desire to affiliate with the Association concerning their being orthodox in faith and cooperative in spirit and to report their findings and recommendations concerning the reception or rejection of such churches to the Association in annual session or the Executive Promotion Committee at a regular meeting.

7. The Committee on Ordination. This committee serves in an advisory capacity only. Upon the request of a member church, the committee will begin its work with the candidate. After the examination, the committee should meet in private to assimilate and evaluate their findings. A report should then be written and mailed to both the candidate and to the church requesting the examination revealing the committee's findings and recommendation.

The committee may recommend that the candidate be ordained, that he not be ordained, or that ordination be deferred until the candidate has had time for further preparation.

The Executive Promotion Committee should be informed regularly of the work of this committee.

This committee shall cooperate with the Baptist State Convention and the Southern Baptist Convention's Departments of Evangelism in the promotion of approved evangelistic efforts within the Association. It shall encourage evangelism in the churches and provide opportunities for training and inspiration in evangelism, such as clinics and/or conferences, as needed.

This committee shall study communities which appear to be in need of new Baptist work and ministry; seek to enlist churches to sponsor new work in such communities; give guidance and counsel in procuring temporary and permanent sites for locating such work in accord with Associational policy; and make recommendations to the Association as to the missionary needs which might be best met through cooperative efforts. It shall advise with any group considering a new church and assist in organizing new churches. It shall review all applications for state missions aid by churches or missions and make proper recommendations to the Executive Promotion Committee.

10. The Committee of Denominational Representation. These representatives shall be nominated by the Committee on Committees. 11. The Personnel Committee. This committee shall provide job descriptions to each Associational staff member as approved by the Executive Promotion Committee. In reference to the job descriptions, the committee shall conduct annual reviews with every staff member. The committee will also act as a support group for the Association's staff members in order to promote good working relations throughout the year.

Upon completion of the annual reviews, the committee shall make recommendations to the Finance Committee for annual compensation increases. The committee will also report to the Executive Promotion Committee any staff need that should be acted upon as that need arises.

This committee shall have the responsibility for securing and dismissing all staff personnel, with the exception of the Director of Missions and the Director of Christian Social Ministries.

Tuesday Evening

After a delicious meal, Rev. Dan Freeman opened the evening session with Scripture from the 23rd Psalm and prayer. The Front Street Adult Handbell Choir, directed by Rev. VACATION BIBLE SCHOOL REPORT 1988

"Share His Word." I don't believe any better motto could have been used than this one as we consider Vacation Bible School for 1988. The reports of VBS in the South Yadkin Association have been encouraging as our churches have truly "Shared His Word" through VBS in 1988.

Our Associational team attended the State Clinic on February 26 in Hickory at the Viewmont Baptist Church. We were represented by eight individuals at this clinic.

Our Associational Clinic was held on April 25 at Fairview Baptist Church. The enrollment was 95 with 20 churches represented. The Troutman Baptist Church had the largest group of workers in attendance.

I pray that you will consider the statistical summary provided and seek even greater heights of service through VBS in 1989.

A BIG "thank-you" to the 1988 Associational VBS team:

Mrs. Betty Morphis - Younger/Middle Preschool
Mrs. Yvonne McKinna - Older Preschool
Mrs. Joan Sprinkle - Younger Children
Mrs. Debbie Pierce - Middle Children
Miss Janie Benton - Older Children
Mr. Gary McKinna - Youth
Rev. John Green - Adult
Rev. Scott Eanes - General Officers

Respectfully submitted,
Rev. Scott Eanes, Assoc. VBS Dir.

ORDINATION COMMITTEE REPORT

The Ordination Examining Committee of South Yadkin Baptist Association met three times during the year 1987-88.

On March 7, 1988 we examined Mr. Dale Morrow at the request of Diamond Hill Baptist Church. On July 2, 1988 we examined Mr. Rob Kestler at the request of Western Avenue Baptist Church, and also on that same day we examined Mr. Mark Pitts at the request of Mooresville First Baptist Church. Recommendations were made for these men to be ordained into the Gospel Ministry.

WOMAN'S MISSIONARY UNION REPORT

"A Century To Celebrate, A Future To Fulfill"

Truly, WMU has had a celebration of her past during this past year. We have celebrated individually, locally, and even nationally. In January of 1988 a history study was held at Troutman Church and approximately 80 women gathered from each age level to hear about the work of our founding leaders in WMU. We celebrated again in May as we approached the 100th birthday of WMU. Many churches had their individual celebrations and history studies.

A bus-load of us even headed off to Richmond to be a part of the National Centennial Celebration with 11,000 others. And those who could not go had the opportunity to celebrate here as we sponsored a birthday party at Statesville First Baptist Church complete with birthday cake, balloons, and watching part of the national celebration on wide-screen T.V.

But WMU did more than just celebrate this past year. We were busy putting missions before our people in a very real way. In May, at our WMU Annual Meeting at Berea, Phil and Beth Oakley (former pastor at Monticello) missionaries to Benin, West Africa spoke to us about their lives and work. In June, at the GA Day Camp Mrs. James Kirk missionary to Brazil shared with our children about her work. And at the Mission Friends Christmas in August the Alvin Spencers missionaries to Japan charged our preschoolers to get involved in missions.

Mission Study and Mission Support were in no way neglected this year as women gathered across the association in November for the World Day of Prayer. Foreign and Home Mission studies were taught across the association as we provided teachers for all age levels. And Acteens joined together in an overnight loc-in to study missions.

Unfortunately, Mission Action was not as outstanding as was desired, but we will continue to work in that area. The Crop Walk for world hunger was encouraged and produced good participation from our churches. Items of need were collected for the Jubilee House, Teen Challenge, and for our missionaries through Christmas in August. The Juvenile Offenders Fun Day and the Balloon Rally tent were postponed this year, but plans are already being made for next year.

We truly had a lot to celebrate this past year but may we continue to move onward as together WE LAUNCH CENTURY 2.

Respectfully submitted,
Sandy Motley, Assoc. WMU Director

South Yadkin Baptist Men and Royal Ambassadors have had a full schedule during 1987-88 for the cause of missions. Men and boys from our churches have given time and talents in many areas of mission service and have enjoyed fellowship by participating in projects and events. Briefly, several of these are as follows:

Mission Activities: A second woodsplitter was purchased, largely from donations from Baptist Men's units. It is presently in Riverton, West Virginia and is being used by the Northfolk Baptist Church. More than forty families have been helped with firewood during this year.

A washing machine was purchased and installed at Teen Challenge in Harmony mostly through donations by Baptist Men's units. Men did volunteer work there on two weekends, helping with lawn mower repair and drainage problems.

Foundation work was done at Covenant Baptist Church, near Conover, by our Baptist Men. Several Baptist Men traveled to Mount Erie in February to hang over 200 sheets of sheetrock to assist with church construction there. The utility trailor purchased by our men last year was used by several youth groups and churches this year.

In April nine Baptist Men and wives from our association traveled to Cajamarca, Peru where they helped to construct the first 3-legged windmill in South America. It is for water assistance in an area where clean water was not available. These volunteers came from Troutman, Ostwalt, Beulah and Fellowship Baptist Churches. Two of our High School Baptist Young Men made up part of an overseas mission team over Christmas break which traveled to a Baptist school in Barbados, where they helped with painting and planting trees. These were Tom Murphy, representing Peninsula Baptist; and Stephen Rector from Hebron Baptist.

The work at Yokefellow of providing firewood for the needy, work at South Mountain Camp, volunteer work at the Statesville area prison and jail, ministry to campers in area campgrounds and volunteer demolition and renovation at the N.C. Baptist Assembly at Fort Caswell have been on-going areas of ministry and mission activities this year. This involved many of our Baptist Men, wives and Royal Ambassadors and groups assisting them. Our WMU assisted in providing refreshments for prisoners in the Statesville area prison last Christmas, where Christmas cards and postage were provided for prisoners.

Our association was represented on state Baptist Men's committees this year as Bob Foy, Peninsula and Wes Lytton, Beulah Baptist served in areas of overseas and homeland missions. Our association provided training for leaders and members of Baptist Men and R.A.'s through two Associational Brotherhood workshops this year, at Western Avenue and Mocksville First Baptist Churches.

High School Baptist Young Men have been active this year, not only in overseas missions but in local chapters. A Basketball Marathon for the Lottie Moon Offering was held by HSBYM and Pioneer RA's where $1,386.75 was pledged for the offering. A HSBYM conference was held in May at Gardner-Webb College, with our association represented. Some traveled to Gatlinburg for a gathering as well. HSBYM played basketball in our association during winter months, with a tournament being played at Mills Home in Thomasville.

Royal Ambassadors, including boys in school grades 1-9, have participated in associational basketball, track, a car derby and mission fair, summer camp at South Mountain and Camp CaRAway, CHA backpacking, a basketball marathon for foreign missions, state congresses at Asheboro First Baptist Church and Mulberry Church in Charlotte, the Crop-Walk for world hunger relief and in their individual chapter meetings and activities. Lads and Crusaders (school grades 1-3 and 4-6) met at Mooresville First Baptist Church for a car derby/mission fair where boys raced cars they had made and entered mission exhibits and projects for awards. Their state congress was at Mulberry Church. Pioneers (school grades 7-9) participated with HSBYM in the marathon for foreign missions, basketball, track, and attended state Pioneer Congress at Asheboro First Baptist Church and Camp CaRAway, among other activities.

Wes Lytton, Assoc. Brotherhood Dir.

ASSOCIATIONAL YOUTH COMMITTEE REPORT

Almost everyone would agree that our youth are possibly our greatest asset. Statements like, "they're our church of tomorrow" emphasize the need for us to invest time and effort into our young people. But the question is how.

This year, on the associational level, we've tried to shift our emphasis from entertainment and recreational events to something with more content. March 24-26, Troutman Baptist hosted our Associational Youth Revival. Rev. Hampton Drum was the special speaker, with music provided Friday and Saturday by "Searchlight".

This three-day event yielded results in re-commitments of lives and a renewed enthusiasm to serve the Lord.

We appreciate the opportunity to serve in this position, and we look forward to the future, knowing that God has something in store for our Youth, with fresh leadership and new ideas.

Respectfully submitted,
Associational Youth Comm.

EVANGELISM REPORT

God continues to bless North Carolina Baptist through Evangelism. Plans are continuing to assist our churches in developing Church Evangelism Committees to strengthen the work of evangelism in the church.

Many churches are still getting involved in CWT and Lay Evangelism Schools. The training of the laity to be involved in witnessing will continue to be a priority in North Carolina Baptist evangelism.

The 42nd Statewide Evangelism Conference was held in Greensboro Coliseum February 8-9. Dr. Landrum Leavell, Rev. Ron Dunn, Rev. Manuel Scott, Rev. Junior Hill, Dr. Charles Page, and Rev. Herman Rios brought the messages. Joe Ann Shelton and Loeen Bushman led the music for the conference assisted by Pat Long and Rick Setzer.

The 1989 Evangelism Conference will be held February 6-7 at Greensboro Coliseum. Dr. John Sullivan, Dr. Frederick Sampson, Dr. Jimmy Draper, Dr. Frank Pollard, and Dr. George Worrell will be the speakers. Dr. Dick Baker will be leading the music.

Super Summer '88 was held in July at Friendly Avenue Baptist Church, Greensboro with the crusade on Friday night at Greensboro Coliseum. Approximately 5,500 attended the crusade with 800 making commitments during the commitment service. Two Youth Evangelism Weeks were held at our North Carolina Baptist Assembly, Caswell, with 1,700 in attendance, 570 youth made commitments during these weeks.

Again, this year the Student Evangelism Team "WITNESS" served in churches all across North Carolina. Everywhere they ministered, people were blessed. The NC Baptist Children's Homes continue to help in supporting the ministry of WITNESS.

Fifteen regional evangelism conferences will be held across the state in October to inform and educate leadership about coming evangelism events and programs. The meetings begin at 10:00 a.m. and last until noon with lunch being served.

Our annual Mountain Evangelism Conference and our Eastern North Carolina Evangelism Workshop again met the needs of these specialized areas of ministry.

Plans are now being made for another simultaneous revival effort called Here's Hope Jesus Cares For You. North Carolina dates are Eastern - March 18-25, 1990; Piedmont - April 1-8, 1990; and Western - April 22-29, 1990.

Let us continue to work and witness that we may continue to see people come to know Him. It is our prayer that baptisms will begin to rise each year.

Respectfully submitted,
J.W. Hutchens, Director

SOUTH MOUNTAIN BAPTIST CAMP
1988 REPORT

Our hearts are continually grateful for the vision shared some 31 years ago to organize the South Mountain Baptist Camp. We are now reaping the benefits of the foresight of those Associational Leaders, Pastors, and Church Messengers that voted to accept over 60 acres of land to build a regional youth camp. (The camp now consists of approximately 100 acres.) The ministry of the camp, during these 31 years has been geared toward evangelism, discipleship, and mission involvement!

In recent years the program of the camp has become two fold. First, the summer camping program. This summer 844 youth, counselors, 20 staffers and many visitors were challenged by this years theme "Walking in the Spirit". Of those attending, 230 responded to the challenge with 80 of those being first time decisions to accept Jesus as Savior. Secondly, there is the year 'round retreat ministry. Another 791 attended the camp on weekend retreats and special day camps. There were 36 different churches using the camp during the year; there were 2 special retreats for the deaf students from the nearby North Carolina School for the Deaf; there was one associational leadership retreat held during 1988, and one associational day camp.

With the addition of the Retreat Center, the demand for year 'round retreats has grown dramatically. Church councils, deacons, couples, choirs, singles, and senior citizens are only a few of the groups that are using this new facility.

There is a renewed interest in recent years in the program and possibilities of South Mountain. We thank you who have shared the vision through the years. We urge those that are just learning of the camp to come visit and see how South Mountain can help in your church ministry.

Please keep in mind that South Mountain Baptist Camp depends on donations from churches and individuals to operate.

Respectfully submitted,
T.A. Lineberger, Director

NORTH CAROLINA BAPTIST COLLEGE REPORT 1988

What Is A Baptist College?

First, Baptist colleges are colleges, places where teaching and learning take place. During 1987-88 almost 18,000 students and more than 1,300 faculty members worked at the task of making your Baptist colleges good colleges. A college cannot be a church any more than a church can be a college. Christian education of church and community leaders is the task your colleges gladly undertake.

Second, the word "Baptist" tells what kind of colleges they are. Baptists began them all, provide financial support for them, and send their young people to them for a good education in a Christian environment. These colleges are special places where lives are changed and where life commitments come into focus for students.

Third, Baptist colleges are partners with the churches in missions. Each year there are many Baptist groups which are hosted and cared for by the seven Baptist colleges. Some of these who met at one or more of our colleges during 1987-88 are these: January Bible Study preparation; summer ministries orientation for students working with churches; youth ministry retreats; youth choir festivals and children's choir camps; pastors' schools; Christian studies for pastors and their families; senior adult rallies; Directors of Missions summer meeting; church weekday education workshops; Special Olympics for the mentally retarded; Church Training doctrine seminars; pastor support conferences; church incorporation seminars; WMU-sponsored Acteens meetings; RA track meets; Pioneer RA Congress; Baptist Young Men's Congress; Crusader RA Congress; Baptist Student Days; construction of Mars Hill College chapel by N.C. Baptist Men volunteers; annual May meeting of the General Board and all committees; March meeting of the General Board's Executive Committee; and more.

The goal: CHURCH RELATED COLLEGES AND COLLEGE RELATED CHURCHES.

SUNDAY SCHOOL REPORT

Gather The People

"Gather the people together, men and women, and children, and thy stranger that is within thy gates, that they may hear, and that they may learn, and fear the Lord your God, and observe to do all the words of this law." (Deut. 31:12)

"Gather the People" expresses the urgency to reach all persons for Christ, and continue moving toward the Bold Mission Thrust Goal of ten million persons enrolled in Sunday School by September 30, 1990.

The goal for 1988-89 is to gather 350,000 new persons for Sunday School enrollment.

Your church and your association may schedule and conduct the following events to help achieve the goals we set:

January Bible Study, Jan. 1-6, Using the Gospel of John
Associational Bold Training Workshop, April 10
Associational Vacation Bible School Clinic, May 22
Associational Key Leadership for S.S. Workers, Aug. 28
Associational Preparation Week in Church, Sept. 22-29
"Understanding Those We Teach" Training Schools, Oct. 2-3

ASSISTeam individuals attended Ridgecrest Conference Center, state meetings and other opportunities for briefing and training. An all-day planning retreat was held Saturday, July 16 by the ASSISTeam. Monthly meetings were scheduled as needed.

The Associational V.B.S. leaders attended the Piedmont Team Training May 7-8. The South Yadkin Clinic was held April 25.

The Pastors, Sunday School Workers Planning Clinic was at Front Street Baptist Church August 2. Twenty-eight Sunday School Workers registered with three churches represented. Nine pastors, eight directors, seven teachers and four other general officers were present.

The second annual training school was conducted at Front Street Baptist Church October 3-4. "Prepare for the Challenge" served as the theme for five hours of discussion. A steady, all-day rain failed to dampen the spirit of 260 people who attended Monday night. Two hundred and thirty-four registered Tuesday night.

Our hearty thanks to all who participated in significant Sunday School events this year.

Respectfully submitted,
Jack Bagwell, ASSIST Dir.

BAPTIST HOSPITAL REPORT 1988

Perhaps the word which best sums up the past year at Baptist Hospital is expansion - expansion of facilities and services.

The hospital, together with the Bowman Gray School of Medicine, is still in the midst of the largest health related expansion program in North Carolina. The $140 million project has seen the completion of a four-story MRI building, the completion of a six-story addition to its research building, the completion of an addition to the power plant, completion of additional parking space, the near completion of a fifteen-story patient tower, and the beginning of a new clinical services building.

New programs in health care, initiated in recents months, include the Brenner Children's Hospital, the Sticht Center on Aging, a new hand center, ligament transplants, new methods of treating certain types of cancer, new procedures for helping patients with heart problems, and the beginning of Air Care International.

During the past fiscal year, the total hospital revenue budget has been $181 million. Total personnel is over 3,800. There were 22,085 patient admissions for a total of 196,554 patient care days. Some 13,680 surgical procedures were performed including 1,022 open heart operations and 32 kidney transplants. There were 282,907 radiological procedures, 4,401,552 clinical laboratory tests, 14,500 chemotherapy treatments, 833 lithotripsy treatments, and 480 Air Care missions.

The Department of Pastoral Care continues its ministries to: the patient in the hospital; the family and friends of patients; the medical staff who minister to the patient; the person requesting counseling in our centers across the state; the ministers who seek our courses in clinical instruction, equipping them for specialized and pastoral ministries.

Added to these are our "Pastors' Sabbath" and "Interim Church" programs...as we work closely with the North Carolina Baptist State Convention in addressing the needs of pastors and churches.

Like most hospitals throughout the nation, Baptist has been faced with a critical shortage of nurses and other health care personnel. A variety of programs are being implemented which are designed to attract and hold needed staff members. Among these are: a day care center for children of employees, wage and salary adjustments, weekend shift differential, weekend options program,, case management concept and a loan/scholarship program for students preparing for health care careers.

In January Dr. John Lynch, who had been president of the hospital for more than seventeen years, submitted his resignation. The trustees have appointed a Search Committee which is seeking his successor. Mr. Len B. Preslar, Jr., who for many years has been vice-president for Financial Management, has been named chief executive officer.

During the past fiscal year, Baptist Hospital received $659,062 through the Cooperative Program and $290,585 through the Homes and Hospital Offering. The trustees, staff and patients are all extremely grateful for this financial support.

BAPTIST CHILDREN'S HOMES' REPORT

You took the time, you cared. You gave much when you didn't have to. In behalf of Dr. Blackwell, the children in care, our staff and trustees, thank you for your prayers, your caring and financial support. You are special to this child care ministry.

A major thrust beyond our quality child care this year was the completion of our Long Range Plans. To continue being bold in child care, several challenges were accepted by our staff and trustees from the results of our five-year LRP. We plan to add two emergency care homes - another one on the Kennedy Home campus and one where the need is greatest. The Cameron Boys Camp will be expanded to care for 50 boys. Two specialized small group homes will be opened by early 1989 - a teenage mother-baby home and a behavior change program for teenage girls in Lenoir.

Fifty percent fo our children have had little or no spiritual training prior to their being in our care. We rejoice that 79 were baptized into the family of God. Our ministry is "Missions in Miniature."

To meet these challenges and continue the current ministry to children, our budget must move from seven million dollars (which it has been for five years) to 11 million dollars by 1992-93. We hope that by 1993, the Baptists of North Carolina will be giving fifty percent of our daily operating budget. Currently we receive 34 percent. This can be achieved by increasing church receipts through the Cooperative Program, the Homes & Hospital Offering and designated gifts from churches and individuals. The future of child care in North Carolina is in the hands of the Baptists of our great state. We believe they will meet the challenge.

Update from the Hickory-Lenoir Family Services Center:

This has been an exciting year. A partnership between the Caldwell Department of Social Services and the Baptist Children's Homes of North Carolina is imminent. A gift from Mrs. Marguerite Noel of Kannapolis will facilitate the purchase of a house for the behavior change program in Lenoir. A gift from the Broyhill Foundation will enable us to purchase a house for the teenage-mother-baby program also in Lenoir. The partnership calls for equal financial responsibility with the Baptist Children's Homes also providing the program and staff. The Hickory-Lenoir office will be moved to the Noel Home in Caldwell County.

Katrina Shields joined the Hickory-Lenoir staff as a social worker in August providing much-needed assistance with the increasing number of applications for all BCH ministries.

Group meetings for parents of boys at Cameron Boys Home has proven helpful to staff, boys and parents.

We are a service institution ready to meet the needs of hurting children and their families, in partnership with you to serve the children of North Carolina.

BAPTIST RETIREMENT HOMES OF NORTH CAROLINA, INC. REPORT

I. MISSION

The Baptist Retirement Homes of North Carolina, Inc., began operation in 1951 with a charge to provide a Home for "Aged Saints" in the spirit of Christian care. The mission of the Homes continues to be that of providing quality residential opportunities for Older Adults within a Christian context.

The hallmark of the Homes' ministry is the quality of its care. The Homes takes seriously its responsibility to make its residential opportunities available to Older Adults across the State and to be responsive to the needs of Older Adults as those needs expand and change.

With that in mind, the Homes operates facilities in locations across the State: Asheville in the West, Hamilton in the East, Yanceyville in the North, and Albemarle in the Southern Piedmont. A multilevel care facility in Winston-Salem currently services the needs of Older Adults from all over the State.

Older Adults have differing needs, and the level of care for any single individual necessarily changes as time passes. It is for this reason that the Homes offers independent living in an apartment setting, personal care for those who require some assistance with daily living, and two levels of nursing care.

II. NEED

According to a January, 1987 Report of the Office of State Budget of the State of North Carolina, the number of North Carolina citizens age 65 and over will increase by 203,935 (28.9%) by 1995 and 286,831 by the year 2000.

Statistics for the North Carolina Baptist Older Adult Population are even more dramatic. The percentage of increase for the 80-plus age group in Baptist Life (those individuals most likely to need residential care) is predicted to be more than 50% by the year 2000. Attempting to address this great challenge, the Baptist Retirement Homes has launched a bold new program of development and ministry that includes the following:

1. THE DEVELOPMENT OF REGIONAL CONTINUING CARE RETIREMENT COMMUNITIES.

   A five-level continuing care retirement community (Brookridge) is now under construction in Winston-Salem. Land for that same purpose has been purchased in South Charlotte. Planning for the development of similar communities has begun in Asheville and in Eastern North Carolina.

2. THE DEVELOPMENT OF A HOME HEALTH CARE MINISTRY.

   In 1988, the Homes received a grant from the Mary Reynolds Babcock Foundation to study the feasibility of establishing a volunteer-based Home Health Care program that will enable frail Older Adults to continue to live independently in their homes with some assistance.

   The Homes believes that the ability to remain in one's own home as long as possible can benefit Older Adults by enhancing both their quality of life and their lifespan. Fixed incomes and meager resources mean that Older Adults are also benefited as they seek to use their funds prudently: there will be no charge for the Home Health Care services.

   The Homes also believes there is an enormous segment of the Older Adult population that is not yet in need of residential care but does need the kind of "light nursing" that this concept of Home Health Care provides.

3. THE DEVELOPMENT OF FINANCIAL SUBSIDIES FOR RETIRED MINISTERS AND MINISTERS' SPOUSES AND OTHER OLDER ADULTS WITH LIMITED FINANCIAL RESOURCES FOR RETIREMENT LIVING.

   The fastest growing segment of North Carolina Baptist life is the Older Adult population. The needs for residential living opportunities on all levels (from independent living to nursing care) grow as the population does. A large number of Baptist Older Adults requiring service within a residential environment cannot afford the cost of that care.

   Particularly does this seem to be true for a large number of retired pastors and their spouses. Because so many ministers have lived in church owned parsonages or have been given housing allowances, thereby never developing home equity, it is extremely difficult for retiring pastors to underwrite the cost of retirement living or residential care in their later years. The Homes feels a particular commitment to these individuals and has responded as much as the parameters of its Benevolent Care Program will allow. New sources of funding must be found if this great need is to be met.

As we move into 1989, opportunities for creative ministry with Older Adults abound. With the support of North Carolina Baptists, the Baptist Retirement Homes will endeavor to turn those opportunities into the kind of reality that will meaningfully service the needs of the Older Adults of our State.

For several years, Montagress Mercer has provided an example of estate stewardship which members of the Foundation staff have often related, but always without revealing her identity. It was her wish that "nobody know". Mrs. Mercer died this spring. We can now share her name as well as her testimony. It was her wish that "Lottie" should have her farm. To accomplish that, the farm was deeded to the Foundation but she retained all benefit from it for as long as she lived. As the plan for doing this was explained to her and the possibilities unfolded, she clasped her hands together and exclaimed, "I'm so happy!" Now her happiness has been justified. That which she desired is now a reality; the income from her trust will be paid forever to the Lottie Moon Offering. Facts, figures and statistics have their place, but the people behind them are the real story.

Another unique expertise provided by the Foundation is in helping to analyze a person's total estate picture and assisting them in their complete plan of estate stewardship. One couple, utilizing the Foundation's expertise for total estate planning, rather than making piecemeal plans and small bequests here and there, took full advantage of the tax laws available for them and provided fully for their son and the Baptist causes which they desired to support. Their satisfaction now comes from a coordinated estate plan. It is in total estate stewardship planning, not in "getting a gift", that the Foundation renders the greatest service.

The "unfunded" trust simplified planning for many persons in the past year. The trust document is prepared to incorporate the provisions of the trustor's wishes. It will not take effect, however, until the individual is deceased. Then their Will provides the funding, most often the residual estate being assigned to the trust, hence the term "unfunded". The individual has the joy of having a plan in place, all signed and legal.

Marjorie has updated her Will this year and created an "unfunded" trust. At her death, her entire estate will fund her trust. For a definite period of time thereafter, her family will receive income from the trust. At the end of those years, the income will support Baptist work forever. As she was discussing this with the staff, a new option became available to her. Her church established a Foundation trust whose income, when it is received by the church, will support local missions, the Lottie Moon Offering, a church scholarship fund, and assist with capital improvement and maintenance of its historic building. Marjorie named that church trust fund as the beneficiary of her unfunded trust. To her, happiness is having an accountable plan in place for the accountable steward.

The Baptist Foundation added 62 new trust funds to its numbers in 1987. Gifts to trust increased its holdings to a record $14,452,258. Trusts already in place provided $578,697 in support of Baptist causes. As important at these statistics are, a significant aspect of The Baptist Foundation program is that it provides individuals, such as Mrs. Mercer, with an avenue for continuing their support of Christian causes beyond their lifetime.

AMERICAN BIBLE SOCIETY

The longstanding and fruitful partnership between the Southern Baptist Convention and the American Bible Society continued to open new ways to the Word for millions of people in 1987.

Your support has been of key importance in the task of meeting the Scripture needs of the world -- whether through expanded distribution in areas where the availability of God's Word is critically low, or through innovative channels of Scripture production, or through new translations of the Scriptures.

Scripture distribution: The American Bible Society has been involved in the distribution of the Scriptures in at least 665 different languages throughout the world. The total number of Scriptures distributed worldwide during 1987 was 624,053,932 copies. This represents an increase of 4% over 1986, and continues the upward trend of the past few years. Of this total, 116,155,119 copies were distributed in the United States, an increase of 15.6% over last year.

Scripture production: One of the major highlights of 1987 was the completion of the Amity Printing Press in Nanjing, the People's Republic of China. The first 20,000 copies of an initial order for 100,000 Chinese Bibles were off the press by November, with the balance to be completed by January. A ceremony marking the official opening of the plant was held on December 5. This is an answer to prayers of many years.

Scripture translation: In 1987, complete Bibles were published for the first time in the Ayacucho Quechua language of Peru, the language of Tuvalu, an island nation in the South Pacific, and in Karo Batak, one of several dialects spoken on the Indonesian island of Sumatra. Ongoing Scripture translation projects are proceeding in an additional 573 languages.

INTERNATIONAL DEVELOPMENTS

In Uganda, there is a high demand for Bibles amid the suffering that many people have experienced as a result of the political and economic upheavals of recent years. In 1987, more than 33,000 Luganda Bibles were distributed to displaced Baganda people. Distribution of an additional 24,000 Luganda Bibles is planned for 1988. A number of the Baganda people are now returning to their homes, but many have lost everything that they had once possessed. Fighting between rebels and government forces in the north and east of the country has not only destroyed the way of life of the inhabitants, but has also seriously disrupted Bible Society work there. Yet, a total of 678,621 copies of Scripture was distributed throughout the country.

In Peru, a new Bible in the Ayacucho Quechua dialect was dedicated after more than ten years of translation work. The publication of this Bible comes at a time when the people sorely need the Scriptures' message of hope and peace, for they are often caught in the crossfire between government forces and the Sendero Luminoso (Shining Path) guerrilla movement. The arrival of the Word of God in this

Quechua community was therefore a cause of great celebration. Another Peruvian Indian community, that of the Cuzco Quechuas, who live high up in the Andes, will soon be celebrating the first appearance of a complete Bible in their language. In 1987, a distribution total of 9,175,563 copies of Scripture was recorded.

In Haiti, the most important event for Christians was the dedication of the long-awaited Haitian Bible in 1986. The fruit of more than ten years of translation work, the new Bible was lauded in the press as "an event in our national history." Well over a hundred thousand copies of the Bible have been sold, a remarkable achievement in a country where it is reported that only 10 to 20% of the population is literate and where it takes 90% of average weekly income to purchase a Bible. The Bible Society is also preparing specialized New Reader Scriptures in both Haitian and French for use by the government and the churches in a massive literacy campaign. In total, 1,080,641 copies of Scripture were distributed last year.

In Lebanon, Bible work has been carried out under difficult and dangerous conditions. Despite the tragic events the Bible Society has faithfully continued to distribute the Word of God. In a land where almost everybody has become a displaced person, the plight of refugees is a major concern for Bible workers, and providing Scriptures for them has almost become routine. Another priority is reaching children many of whom are orphans, with God's Word. In the course of the year, the Bible Society distributed a total of 384,565 copies of Scripture. The Bible Society is also involved in various translation projects, including the Arabic Old Testament and the modern Armenian New Testament.

In Indonesia, a nation of more than 13,500 islands stretching along the equator, a high priority is given to Scripture translation. Over 830 languages are spoken in Indonesia, but only 60 of them possess translations of some part of the Bible. A common language translation of the Bible in Karo Batak was published last year, and common language translations of the New Testament in Aceh, Banggai and Tobelo are scheduled for completion in 1988. The aim is quite simply to place in every Christian household a Bible in the language spoken by the family. For 1987, the Bible Society reported its total Scripture distribution at 10,901,440 copies.

In Eastern Europe, through the United Bible Societies, the American Bible Society is involved in a number of significant projects. During 1987, the UBS sent consignments of paper to Poland for the printing of 50,000 Polish New Testaments, a second printing of 100,000 copies fo a children's Bible story book, and 50,000 Czech New Testaments which were then shipped to Czechoslovakia. The UBS also sent paper to Hungary for the printing of 60,000 Hungarian Bibles, to Romania for the printing of 10,000 Romanian Bibles, and to Soviet Georgia for the printing of 10,000 Georgian Bibles. In Czechoslovakia, official permission was granted last year to print 100,000 Bibles and 60,000 New Testaments in 1988. In the Soviet Union, official permission was also obtained to import 115,000 Bibles in 1988. Fifty thousand Russian Bibles will be printed in England, 48,000 in West German, and the consignment -- the biggest ever of its kind -- will be completed with 2,000 Ukrainian Bibles and 15,000 German Bibles. News of

the upcoming record Bible shipments came shortly after the last UBS shipment of 10,000 Russian Bibles and 10,000 hymn books had arrived in Moscow. The new shipments will arrive in the USSR in time for the celebrations which will commemorate the 1,000th anniversary of the coming of Christianity to Russia.

In 1987, the following Scripture distribution totals were reported in the countries of Eastern Europe: 50,430 copies in Czechoslovakia, 37,030 copies in Hungary, 227,924 copies in Poland, 33,000 copies in Romania, and 20,000 copies in the USSR.

NATIONAL DEVELOPMENTS

In the United States, the American Bible Society has continued vigorously to pursue its aim of serving the many and diverse Scripture needs of the churches in this country.

Scriptures in languages other than English: The groundwork was laid for a bilingual program packet for use by pastors of Spanish-speaking congregations beginning in 1988. The packet will aim at helping each church member to reach out with a Bible to a friend or neighbor. After meetings with Chinese pastors in two regions of the country, a pilot program of services has been implemented in the New York City area which promotes the Chinese language Scripture resources available from the ABS. Consultations have also been held with key Korean leaders to determine how services to this fast growing ethnic constituency can be improved and expanded.

NEW DIRECTIONS, NEW DEMANDS

Behind the successful completion of each Scripture translation and distribution project is the story of people reached with the Word of God. As new populations are reached, new demands are placed on the resources of the American Bible Society. Tragically, there are times when these resources are completely overtaxed. The Society's unswerving goal is to meet all the Scripture needs that are presented to it. But we cannot do that alone. That is why we must turn for help to our partners in mission, among whom the Southern Baptist Convention ranks above every other denomination in terms of the financial assistance it renders to the Society. In 1987, the churches of the Southern Baptist Convention contributed $225,073 to the American Bible Society in support of the worldwide Bible cause.

For a full report, please refer to the Annual Report of the Southern Baptist Convention, 1988.

CHRISTIAN ACTION LEAGUE REPORT

The ministry of Applied Christianity needs committed Christians to "stand in the gap" for the cause of moral and civic righteousness.

GAMBLING--The greatest push ever for legalized gambling stands on the horizon. We have always had those who support a state-wide lottery and pari-mutuel (horse and dog tracks) gambling. It is only in

recent months that you have major candidates for state-wide office in N.C. that embrace such proposals.

We have seen neighboring states like Virginia (lottery), and Tennessee (pari-mutuel gambling) approve gambling initiatives due to the silence of the church.

In the 1987-88 session of the N.C. General Assembly, a lottery bill was defeated and a pari-mutuel gambling proposal died in committee.

The pro-gambling industry has hired lobbyists already on the scene garnering support ofr the 1989 legislative session. The fate of this issue will be decided on November 8, 1988, when voters go to the polls and elect their legislative leaders. Responsible Christian citizenship implies more than just voting but to be an informed voter. Billy Sunday put it this way: "The only thing worse than an empty voting booth is an empty head in a voting booth."

The Christian Action League will continue to keep you informed and working on the scene. It is difficult to be effective, though, when you elect legislators who are not committed to moral and ethical principles.

DRUNK DRIVING--Efforts will also continue in the area of alcohol, drunk driving, and other drugs. In the last session, several pieces of legislation that would have liberalized our liquor laws were defeated. Other measures dealing with drunk driving were virtually ignored or "sandbagged" by political maneuvers.

We are grateful for the passage of legislation creating a 0.04 blood alcohol level for drivers of commercial vehicles (trucks and buses). This becomes the strictest in the nation. Other vehicles have a 0.10 standard.

Drunk driving proposals, such as banning open beer-wine containers and increasing administrative revocation from 10 to 30 days for those having a 0.10 blood alcohol level or more, passed the House but got by-passed in the Senate. Who opposes such? The beer industry and certain trial lawyers who are more concerned about protecting drunk drivers than the safety of all citizens.

ABORTION--The issue of parental consent continues to be debated. The U.S. Supreme Court has upheld the rights of states to require parental consent before an abortion is performed on a minor. Attempts to pass such legislation in N.C. have been met with legistlative "foot-dragging." Such bills get channeled into hostile committees where they die. A school teacher cannot even give a student an aspirin without parental consent, but a minor can be taken to an abortion clinic without the parent's knowledge much less consent.

Furthermore, N.C. remains the only state in the Southeast to use state funds to kill unborn babies. Legislation to limit state funding only to those cases involving the life of a mother, incest, or rape, has been rejected repeatedly.

TOPLESS DANCERS--There is one piece of legislation that got "derailed" that is unbelieveable. Since liquor-by-the-drink has been enacted in N.C., we have some bars and taverns near military installations that have been employing minor girls (as young as 15) as topless dancers. Legislation to correct this practice "sailed" through the House but was thrown into the "briar patch" in the Senate's Judiciary I Committee.

When legislation of this nature cannot pass our N.C. Senate, perhaps you can understand the dilemma facing our state. It is quite evident that we are electing legislators according to party label rather than on moral principles. Unless there is a turn-around, the future looks bleak for moral and ethical issues.

The cause of applied Christianity calls for our vigilance and commitment.

The Christian Action League stands with you in meeting the challenges of our times. Accept our gratitude for your prayer and financial support as we join with you in being "salt and light."

THE BIBLICAL RECORDER REPORT 1988

There is an old saying, "When Baptists know, Baptists will do." There is also an old saying, "Tell the truth and trust the people." The Biblical Recorder believes and tries to practice both!

In a rapidly changing world, it is more important than ever before that Baptists be well-informed which is not easy in an age that is complex, busy and competitive. But we must never forsake the ideal.

Baptists, like the population in general, are watching more television and listening to more radio than they are reading. Somehow it just seems easier to watch and listen than read and think, but we must be informed and involved in the work of the Lord as Baptists do it.... if we are to make progress.

For 155 years, the Baptist paper in North Carolina has issued a call to greater missions and greater commitment to the Commission of our Lord to win, teach and baptize persons.

As the Recorder informs it also gives opportunity for Baptists to freely exchange points of view. Baptists do not have a hierarchial form of church government and operation. Every person is important and opinions are valid in direct proportion to the accuracy of information upon which they are based. Democracies do not survive without an informed people!

With all the upheaval in the world, the nation, and even in Baptist ranks, stability can be maintained only when good and sincere people know the truth and take their stand upon it.

To make it possible for as many people as possible to read the paper each week at the lowest possible cost, there will be no increase in subscription rates for 1988. If your church does not have the Every Family Plan, please consider it for 1989; the cost is only $5.00 per subscription for the year. Special introductory offers are available. Please contact:

God has given us a great opportunity and a great responsibility. Let us be informed about what is happening. Let us be involved in meeting the challenge, in being a part of the answer to take the Gospel to a lost world.

CHRISTIAN SOCIAL MINISTRIES REPORT

Our reading program is getting off to a good start since school started. The workshop we had in September has done well with the ten taking the course; nine have started teaching. Three went to Mitchell College.

Several of the other tutors have started in the elementary schools. Some of these are teaching eight children.

The Non-English Speaking Class of 25 last year dropped to 5 this year. This class met at the First Baptist Church in Statesville on Wednesday nights.

The Board for the Physically Handicapped Children and Adults met on October 10, 1988. We voted to have a Christmas dinner for the workers and toys for the children and also $125.00 bonus for each of the workers.

We have also planned a Christmas party for the Juvenile Court Children on December 15 at the First Baptist Church in Statesville. This is sponsored by the Brotherhood. Each child gets a $15.00 present, a Good News Bible, a well-filled stocking and entertainment.

We will soon have a new year. Our reading program has improved; we have about 40 tutors. Our Non-English Speaking Class on Wednesday nights has about 18 attending.

We have had the Juvenile Court party with 25 children, 2 judges and 6 Court Counselors. We had a magician and his wife for entertainment.

I have been making several visits to shut-ins and also people in the hospital.

We are helping a Black Day Care Center get some playground equipment for their children which come after school. They usually have

about 35 and most of them are bussed in after school. This is the Interfaith Deliverance Center on Western Avenue.

We had another workshop on April 7, 8 and 9 with 10 people attending.

I helped 5 churches which had food programs get a $500.00 grant for food from the Home Mission Board. Also, I helped Meals on Wheels get a $1,600.00 grant to start several people getting Meals on Wheels.

Respectfully submitted,
Aubrey Walker, CCM Dir.

DIRECTOR OF MISSIONS REPORT

If I were asked to list the strongest areas of work in our association this past year they would certainly include the following:

1) Sunday School - We have had some excellent opportunities in Sunday School including the Pastors & Sunday School Workers Clinic in August and the People Challenge Training School in October.
2) Music - with the Choral Workshop in the spring and the Choir Festival this fall.
3) WMU - with many good programs throughout the year and a strong emphasis upon missions and missions education.
4) Brotherhood - with its many mission projects for men and boys.
5) VBS - with a well-planned and executed VBS Clinic.
6) The Ministers' Conference - with good informative programs, fellowship, encouragement and support for pastors and staff.
7) Literacy Program - representing much planning and hard work on the part of Aubrey Walker and Caroline Bentley.
8) Audio-Visual Resources - the frequent use of audio-visuals from the office, especially the video tapes by many of our churches.

Of course there are many other associational activities, but these give you an idea of the variety of things the association has to offer.

As you know our association and the South Fork Association have been paired with the Central do Brasil Association in São Paulo, Brazil. We have now received our first request for a specific project. The association in Brazil is asking our two associations to send 18 teams in September, 1989 to do visitation and preaching. Each team is to have at least one preacher. Other team members can be laymen or laywomen.

Our association's share would be nine teams. They would leave North Carolina on August 30, 1989 and return on September 12, 1989. We need to build a file on persons who are interested in participating.

The total cost for the trip including food and lodging while there, will be close to $1,400.00. We hope each church will start a fund to help on the cost of any member who goes. The association has a fund which we hope will help some. If no one goes from your church we hope you will contribute to the association's fund to help others go (indicate that these funds are for the Brazil Partnership).

I will be glad to come and show the slides which I made on my trip to Brazil in March. In the meantime please pray for the Baptists in the Central do Brasil Association and for all our people who volunteer to go on this or any future projects.

MUSIC REPORT

We are proud to say that our association this year has earned the Standard of Excellence for Associational Music Programs, whose criteria is established by the Church Music Department of the Sunday School Board. The highlights of this past year were the Associational Choir Workshop held last February and the Sixth Annual Associational Choir Festival held in September. Fifteen churches were represented at the workshop, which offered various classes in leadership training and skill improvement. The choir festival was a joyous occasion for the eight choirs who participated and the 650 people in the congregation. Once again, the anthems by the combined choirs proved to be an uplifting experience.

We would like to encourage more churches to be involved in the opportunities provided this new year. On February 27-28, we will hold a Music Training School which will offer several book courses for study course credit. Those courses include classes in music reading, singing, song leading, and a class for church pianists.

In April, we will be sponsoring an Associational Youth Choir Retreat. The retreat will be held on Friday night and Saturday at which time youth from across the association will learn music for a concert to be presented on the following Sunday. More details will be given later.

The Seventh Annual Associational Choir Festival is scheduled for the evening of September 24th. The place and time will be announced later. Other goals for the year include establishment of a zone organization of leadership and promotion and the development of an ongoing fellowship for Ministers of Music.

Music is one of the most powerful mediums for spreading the good news of Jesus Christ. My prayer is that the Associational Music Program will improve the music ministries in our local churches and strengthen the bond between our churches as we praise the Lord through music.

Keep a song in your heart always!

Respectfully submitted,
Kenny Lamm, Assoc. Music Dir.

RESOLUTIONS COMMITTEE REPORT

Acknowledging the presence of God during this 115th Annual Session of the South Yadkin Baptist Association, be it resolved:

1. That we express our gratitude to the host churches, Beulah Baptist and Edgewood Baptist, who so graciously welcomed us and assisted us in the use of their facilities;

2. That we give a special thanks to the ladies of Beulah and Edgewood churches who prepared and served the delicious meals;

3. That we express our appreciation to the Program Committee for an enriching and inspiring program and to everyone who served on the program for giving so willingly of their time and talents;

4. That we express appreciation for those associational officers and committee members who accepted responsibilities and carried them out in a dedicated manner;

5. That we express our sincere thanks to our Moderator, Reverend Kenneth Hyde, and Vice-Moderator, Reverend Gary Marshall, for their willingness and unselfishness in providing leadership to our association;

6. That we extend our appreciation to Reverend Eugene Hager, Mr. Aubrey Walker, and Mrs. Sandy Hyde for the daily services they render to our association.

We further resolve that we as messengers, and more especially the children of God, return to our respective places of services with a renewed and determined zeal to fulfill those responsibilities placed upon us by our Lord as well as to enjoy the full privileges of Christian fellowship.

We also resolve to remember in prayer the work of our Lord through our churches, our association, our state convention and our denomination.

CONSTITUTION

Preamble

We, the messengers of Southern Baptist Churches of Iredell and Davie Counties and territory adjacent thereto in the State of North Carolina, do hereby propose to establish and maintain the order of rules of a District Association in conformity to this constitution.

ARTICLE I: NAME

The name of the organization shall be the South Yadkin Baptist Association.

ARTICLE II: MEMBERSHIP

Section 1. This Association shall be composed of regularly constituted Southern Baptist Churches in Iredell and Davie Counties and adjacent territory who have been duly accepted into membership by the Association. They may be represented at its regular or special meetings by duly elected messengers in the following ratio:

(a) Two for the first fifty members or major fraction thereof and one for each fifty additional members or major fraction thereof, provided that no church shall be entitled to more than ten messengers.

(b) All ordained ministers who are pastors therein or laboring in connection therewith.

Section 2. The Association shall be sole judge of its membership and may receive or reject churches applying for membership therein at its pleasure, provided that the churches so received shall agree to come under watchcare of the Association for a period of one year. During this period of watchcare such church or churches shall be entitled to all the rights and privileges of the Association except that of their members voting and holding office. At the conclusion of this period, should no objections be raised, they then become members in regular standing by action of the Association in annual session, or by the Executive Promotion Committee at a regular meeting.

Section 3. The New Testament shall be accepted as the sole guide in matters of doctrine and practice, and the Association shall reserve the right to withdraw fellowship from any church that does not conform thereto.

ARTICLE III: PURPOSE

The primary purpose of this Association shall be to counsel together for the advancement of the cause of Christ for the promotion of unity and growth among the churches composing the Association; furthermore, it is the purpose of this Association to cooperate with the North Carolina Baptist State Convention and the Southern Baptist Convention and their agencies in the work of Missions, Christian Education, and Social Ministries.

ARTICLE IV: POWERS AND PREROGATIVES

The Association shall have no power whatever to infringe upon the autonomy of the churches. It may advise or recommend measures of guidance for their adoption but cannot bind them in any way. All the churches constituting the Association remain sovereign and independent bodies and unite that they may more effectively promote the cause of Christ throughout the world.

ARTICLE V: DUTIES OF THE CHURCHES

Section 1. It shall be the duty of each church to elect responsible members as messengers and to encourage their attendance at the annual session of the Association.

Section 2. Each church shall send annually a report to the Associational, giving information requested in forms provided by the Associational Clerk.

ARTICLE VI: ORGANIZATION

Section 1. The general officers of the Association shall be a Moderator, Vice-Moderator, Clerk, Treasurer, and Historian, who shall be elected at each annual session, and shall be installed and assume their duties at the closing period thereof and continue said duties until their successors are elected and installed at the next annual session. These officers shall be elected by the Association with nominations being made from the floor.

Section 2. All officers and all members of all committees shall be members of churches affiliated with the Association.

Section 3. The term of office for the general officers of the Association shall not exceed two years in succession with the exception of the clerk and the treasurer of the Association, who may be re-elected to succeed themselves in office at the pleasure of the Association. The term of office for all members of committees of the Association shall be for one year.

ARTICLE VII: DUTIES OF OFFICERS

Section 2. It shall be the duty of the Vice-Moderator to preside in the absence of the Moderator and to assist him in every way possible.

Section 3. It shall be the duty of the clerk to keep an accurate record of the meetings of the Association and prepare minutes to be distributed within two months after the annual meeting or as soon thereafter as possible.

Section 4. It shall be the duty of the treasurer to keep an accurate account of all money paid into his hands, pay all bills as they come due, make regular reports to the Executive Promotion Committee, and make an annual report to the Association.

Section 5. It shall be the duty of the Historian to collect minutes of each session of the Association and have these bound into book form every twenty years, and to collect and preserve records of the history of our Association.

ARTICLE VIII: RULES OF ORDER

The Moderator, or in his absence the Vice-Moderator, shall preside at all regular meetings. All officers shall faithfully discharge the duties usually pertaining to the office to which they have been elected. The following rules shall govern deliberations:

2. The method of voting shall be by the will of the body.
3. The simple majority shall prevail in all cases except as otherwise provided by this constitution, provided that any member may at any time call for a secret ballot or a roll call on doubtful issue.
4. A ruling by the presiding officer shall be final unless appeal be made from such ruling to the entire body present.
5. A question having been decided twice by a vote in the same attitude at regular sessions of the Association shall not be reintroduced at that annual session, except by the consent of the body, as expressed by a majority vote.

ARTICLE IX: TIME OF MEETING

The Association shall meet annually on the Monday and Tuesday immediately following the third Sunday in October; however, in the case of some unavoidable circumstances that make a change in the date necessary, the moderator, and/or the vice-moderator is empowered to make such a change. In the event that the offices of moderator and vice-moderator become vacant, the Clerk shall have authority to call such meetings, provided that a notice of the time, place and purpose of such a called meeting shall be mailed to the pastors and clerks of the churches of the Association at least two weeks in advance of the time set for the called meeting.

ARTICLE X: THE ASSOCIATIONAL YEAR

It shall take no action contrary to the will of the Association, nor shall it initiate any new policy or practice binding upon the Association unless specifically so directed; provided that in an adequate emergency it may take such action as it may deem necessary, but such action so taken shall in every case be submitted to the next Annual Meeting of the Association for appropriate consideration. It shall make a full and complete report to the next Annual Associational Meeting. The Moderator of the Association shall be chairman of the Executive Promotion Committee. The Secretary shall be elected by this committee and shall be from within this committee.

The committee shall meet on the 3rd Tuesday night of the middle month of each quarter. The heads of each organization and chairmen of committees shall bring to this Executive Promotion Committee a report concerning their work, what they have done toward the progress of the work, and their goals for the future quarter.

In the event of the resignation or vacancy in the office of the Director of Missions, or in the office of the Director of Christian Social Ministries, the Executive Promotion Committee shall elect a search committee to find and recommend to the Executive Promotion Committee a successor.

ARTICLE XII: STANDING COMMITTEES

The Association shall have such Standing Committees as may be considered necessary to promote efficiently the work of the Association, the members of these committees to be nominated annually by the Committee on Committees unless otherwise determined by the Association. These committees shall make reports of their work to the Executive Promotion Committee or the Association in annual session.

ARTICLE XIII: DUTIES OF STANDING COMMITTEES

The Moderator and Director of Missions, by virtue of their office, are to counsel and advise with all Standing Committees.

1. The Committee on Committees. The duty of this committee is to bring to the annual meeting of the Association nominations for the Standing Committees, the Committees on Resolutions, and Place and Preacher, and to nominate any other committee authorized, unless otherwise provided for; however, it shall be the privilege of any qualified messenger to make additional nominations for members of any committee. This committee shall be appointed by the Moderator at each Annual Associational Meeting and serve to the end of the Associational Meeting of the year following.

2. The Nominating Committee. The Nominating Committee shall nominate all officers of the Association other than the general officers and submit its report to the Executive Promotion Committee or the Association in annual session.

3. The Program Committee. This committee shall be composed of the Moderator, Vice-Moderator, Music Director, Clerk, host pastor of the first day session, and host pastor of the second day session. The duty of the Program Committee is to plan the program for the Annual Meeting of the Association and bring it to the Executive Promotion Committee for information. The committee should begin its work well in advance of the meeting of the Association and should make sure that those requested to make reports are prepared and on hand. Copies of the program should be prepared and distributed to the messengers and visitors at the Associational Meeting.

4. The Finance Committee. This committee should keep a close watch on the needs of the Association for an adequate budget for a well-balanced program of work, and should be prepared to bring to the Association in annual session a proposed budget. This committee should also be prepared to advise with the Treasurer of the Association during the year concerning the items in the budget to the end that the Association may be kept in a healthy financial condition. It shall be the duty of the Finance Committee to see that an audit of the Treasurer's books be made following the close of the Associational year and presented to each annual meeting of the Association.

5. The Committee on Calendar of Activities. This committee shall be composed of the Moderator, Vice-Moderator, Associational Sunday School Director, Church Training Director, Woman's Missionary Union Director, Brotherhood Director, Music Director, and Evangelism Chairman. These shall work with the Associational Director in studying carefully the program of work for the entire Association and the needs of all the churches. In the light of this study, this committee shall work out an annual calendar of activities for the Association to be presented at the annual meeting for approval.

6. The Committee on the Reception of New Churches. It should be the work of this committee to make proper investigation of the churches that express a desire to affiliate with the Association concerning their being orthodox in faith and cooperative in spirit and to report their findings and recommendations concerning the reception or rejection of such churches to the Association in annual session or the Executive Promotion Committee at a regular meeting.

7. The Committee on Ordination. This committee serves in an advisory capacity only. Upon the request of a member church, the committee will begin its work with the candidate. It will concern itself only with candidates who have already been called as pastor of a Southern Baptist Church or Mission. Upon receiving the request from the church the committee should begin gathering pertinent information about the candidate and the field of service to which he has been called. During this time the committee shall set an examination date. The committee will not examine a candidate or make any recommendations concerning a candidate whose ordination service has been arranged prior to the examination date.

After the examination, the committee should meet in private to assimilate and evaluate their findings. A report should then be written and mailed to both the candidate and to the church requesting the examination revealing the committee's findings and recommendation. The committee may recommend that the candidate be ordained, that he not be ordained, or that ordination be deferred until the candidate has had time for further preparation.

The Executive Promotion Committee should be informed regularly of the work of this committee.

8. The Committee on Evangelism. This committee shall cooperate with the Baptist State Convention and the Southern Baptist Convention Departments of Evangelism in the promotion of approved evangelistic efforts within the Association. It shall encourage evangelism in the churches and provide opportunities for training and inspiration in evangelism, such as clinics and/or conferences, as needed.

9. The Missions Committee. This committee shall study communities which appear to be in need of new Baptist work and ministry; seek to enlist churches to sponsor new work in such communities; give guidance and counsel in procuring temporary and permanent sites for locating such work in accord with Associational policy; and make recommendations to the Association as to the missionary needs which might be best met through cooperative efforts. It shall advise with any group considering a new church and assist in organizing new churches. It shall review all applications for state missions aid by churches or missions and make proper recommendations to the Executive Promotion Committee.

10. The Committee on Denominational Representation. These representatives shall be nominated by the Committee on Committees. It shall be the responsibility of these representatives to see that the interests of these causes and agencies are kept before the Association and churches as the need arises, and that proper reports concerning their programs and needs are presented at the Associational Meetings.

11. The Personnel Committee. This committee shall provide job descriptions to each Associational staff member as approved by the Executive Promotion Committee. In reference to the job descriptions, the committee shall conduct annual reviews with every staff member. The committee will also act as a support group for the Association's staff members in order to promote good working relations throughout the year.

Upon completion of the annual review, the committee shall make recommendations to the Finance Committee for annual compensation increases. The committee will also report to the Executive Promotion Committee any staff need that should be acted upon as that need arises.

This committee shall have the responsibility for securing and dismissing all staff personnel, with the exception of the Director of Missions and the Director of Christian Social Ministries.

ARTICLE XIV: TRUSTEES

Section 1. Three trustees shall be elected annually and they shall serve until their successors are duly elected. Vacancies occurring between sessions of the Association shall be filled by the Executive Promotion Committee.

Section 2. The trustees shall be the legal representatives of the Association in all matters relating to law, sign all legal documents as directed by the Association or by the Executive Promotion Committee between sessions of the Association. They shall have the power, to hold, buy, sell and convey property, both real and personal and to sign all papers necessary for the conveyance.

ARTICLE XV: ADOPTION

This constitution shall take effect immediately upon its adoption and shall supersede any and all constitutions previously adopted.

ARTICLE XVI: REVISION

Monday, October 16, 1989

The 116th Session of the South Yadkin Baptist Association met Monday, October 16, 1989 at the Western Avenue Baptist Church with Rev. Gary Marshall, Moderator, presiding. There were 40 churches represented and 250 in attendance including 40 visitors. Rev. Chase White, Pastor of Ostwalt Baptist Church, opened the meeting with Scripture from I Timothy 4:6 and prayer. Rev. Kenny Lamm led the congregation in singing "Nothing But The Blood".

The program was adopted as printed. The Resolutions and the Place and Preacher Committees were recognized. Rev. Gene Hager recognized the new pastors and church staff who have taken new positions in the association since the last annual meeting. They were: Chase White, Mike Hyde, Dean Coffey, Keith Smith, Billy Joe Sloop, Ronald Selvey, Norman Joyner, Tim Yarbrough, David Turner, Marla Croyle, Robert Lyon, and Richard Hall.

Mrs. Sandy Hyde called the Roll of Churches. A printed copy of the Digest of Letters was given out with the programs. Rev. Ron Honeycutt gave the Youth Committee Report. Rev. Gary Marshall gave the Executive Promotion Committee Report and encouraged all participants to support the meetings; the report was adopted. Rev. Hager moved the adoption of the 1990 Calendar of Activities; the motion carried. Rev. Wendell Davis passed out copies of the Biblical Recorder and gave a report. Bill Morrow from the Baptist Children's Homes was recognized and gave a report. Dr. James Cartin, Associate Pastor of Western Avenue, was recognized for a few announcements. Rev. Paul Peacock from New Life Baptist Chapel in Alberta, Canada was recognized, gave a report, and presented a framed picture of the church to Rev. Hager and the association on behalf of the church for the support given from the South Yadkin Baptist Churches. Rev. Marshall reported briefly on the Brazil trip with personal experiences.

Special music was provided by "Proclaim", a male quartet from Western Avenue. Dr. Harvey Rogers, Pastor of Mooresville, FBC, brought the afternoon message from Jeremiah 18:1-6 on the potter. Mr. John E. Brown, retired Minister of Education, pronounced the blessing and benediction.

Jack Bagwell gave the Sunday School Report and recognized the churches with highest percentage of growth and improvement. He also recognized the ASSISTeam workers and presented them with Certificates of Appreciation. Rev. Scott Eanes gave the Vacation Bible School Report. Rev. Hager gave the Director of Missions Report which included reports from Robert Jackson, Pastor of Peninsula, on the Probe which helped start the Davidson Mission; Bruce Hancock, Pastor of Front Street, on the Brazil trip; Wendell Davis, retired pastor, on the Brazil trip; and Kenny Lamm, Minister of Music at Front Street, gave a slide presentation from the Brazil trip and the Music Report. Rev. Lamm led the congregation in singing "Churches in Association".

FAIRVIEW BAPTIST CHURCH
Tuesday, October 17, 1989

Rev. Dean Coffey, Pastor of Harmony Baptist Church, opened the meeting with Scripture from I John 4 and prayer. There were 36 churches represented and 225 in attendance including 20 visitors. Rev. Lamm led the congregation in singing "Victory in Jesus" and gave special thanks to the pianists, Lou Hager and Marla Croyle. Rev. Don Haynes, retired pastor, led the Memorial Service for "Our Beloved Dead".

Rev. Gary Marshall recognized the host pastor, Rev. Scott Eanes, who gave a few announcements. Rev. Robert Richardson, Pastor of Southside, brought a recommendation from the Executive Promotion Committee to pursue a part-time counselor through the Baptist Hospital Pastoral School of Care for the association. He made a motion that the Nominating Committee appoint a 6-person Advisory Committee from our churches made up of a doctor, a lawyer, two pastors, and two ladies. The committee would be ongoing to make the decision on the recommended counselor from Baptist Hospital; the motion carried. Rev. Richardson noted the need for an additional room in the associational office to be a private office for the counselor. He moved that the Moderator appoint a committee experienced in building to make recommendations to bring to the Executive Promotion Committee for approval. The motion carried. Rev.

Mark Tilley raised the question of having the counselor use churches in the area for appointments. Rev. Richardson responded that there was a need for expansion in the associational office anyway and that the counselor's space would only be temporary. Rev. D.C. Sullivan requested that the Moderator-appointed building committee bring a report back to the Executive Promotion Committee on costs, etc. The question was called and the motion carried. Rev. Richardson stated that last year after approving to obtain a counselor that several churches had stated they would support it financially and that after three months with a counselor, Baptist Hospital would notify us of any need of funds, but that it should become self-sufficient. A letter will be sent out to all churches and pastors from the Advisory Committee.

At this time Rev. Scott Eanes, Vice-Moderator, presided. Ruth Love gave a report from the Baptist Retirement Homes. Special music was provided by the Youth Ensemble from Statesville, FBC led by Rev. Dan Pardue. Rev. Carl Williams, Pastor of Diamond Hill, brought the afternoon message from I Thessalonians 2:1-12. Rev. J.C. Gwaltney, retired pastor, pronounced the blessing and benediction.

VACATION BIBLE SCHOOL REPORT 1989

"Let's Gather for VBS." Many of our churches here in the South Yadkin Association did just that this past summer, and in a fine manner.

Our Associational VBS Team attended the State Clinic on February 17 at the First Baptist Church of Yadkinville. We were represented by seven individuals at this clinic. One member of our team attended the clinic in Asheville.

We held three Associational Clinics this year, the first one being an early planning clinic held at the Associational Office. The other two clinics were held at Front Street Baptist Church and Troutman Baptist. Total enrollment for all three clinics was 104 with 19 churches represented. The Fairview Baptist Church had the largest group represented at either clinic.

As you consider the statistical summary, please look at your church's report. Did you have a VBS this summer? How about Backyard Bible Clubs or a Mission VBS? Let these statistics speak to your heart, and may God bless the VBS efforts of this past summer and the year to come.

I would like to extend a "BIG" note of thanks to our Associational VBS Team for 1989.

Mrs. Betty Morphis - Younger/Middle Preschool
Rev. Paul Hill - Older Preschool
Mrs. Joan Sprinkle - Younger Children
Mrs. Mary Johnson - Middle Children
Miss Janie Benton - Older Children
Rev. Robert Garrett - Youth
Rev. Wendell Davis - Adults
Rev. Scott Eanes - General Officers

I would also like to thank Rev. Eugene Hager, our Director of Missions for all of his support and encouragement.

Respectfully submitted,
Rev. Scott Eanes, Associational VBS Director

Respectfully submitted,
Harvey Rogers, Chairman

EXECUTIVE PROMOTIONAL COMMITTEE REPORT

The Executive Promotion Committee met on the third Tuesday in November 1988, and February and August 1989. BROTHERHOOD REPORT

Since October of 1988 Baptist Men and Royal Ambassadors in South Yadkin Baptist Association have been active in their local churches and in state-wide and overseas mission activities. Some of these are as follows:

1. Baptist Men - Baptist Men started the year with an Associational Brotherhood Workshop at Western Avenue on October 22. Throughout the year many men were involved in work in different areas, such as Yokefellow wood ministry, prison ministry, disaster relief in Lincolnton and Caldwell Counties and other areas, South Mountain Camp, hunger relief through the Statesville Cropwalk and overseas mission-work trips. These activities were in addition to ministry in their own churches.

Work at South Mountain Camp included running underground electrical service to ten cabins and to the playground, and water lines to two cabins. Men from Fellowship and Troutman worked on cabins adopted by their churches for support.

Work at Yokefellow has been done in wood cutting and splitting, especially after the tornado hit our area. Carl Wright and J.D. Waugh have led in this work. They need help by teams from Baptist Men's groups to split blocks at the Yokefellow wood yard, which have been cut and hauled there. Also at Yokefellow the fence around the wood yard was moved directly behind the building by Baptist Men. Concrete was given by our Associational Brotherhood. Money was raised during the 1988 Cropwalk for hunger relief locally and nationwide.

Prison ministry has been an area of work by Baptist Men this year. Carl Wright and J.D. Goforth have led in this work. Preaching at the 8:00 a.m. services has been done by several men, as different churches have been called on to help in this ministry. Men have provided music for the services. David Damron from Hebron started a Sunday School at 10:00 a.m. and helped with the Christmas party with clowning. WMU groups provided cookies, and various groups provided Christmas cards and postage for the prisoners at the party. This year the Christmas party is set for December 9, the second Saturday in December. One-hundred dozen cookies are needed, as well as Christmas cards and postage. Fruit is needed also.

Men have participated in Combatting Moral Problems by fighting lottery efforts and the issue in Mooresville of alcohol in candy. Roy Pierce from Troutman has led in these efforts.

The utility van and three woodsplitters owned by our Brotherhood have been used this year. One woodsplitter is still in Riverton, West Virginia being used by the church there. The woodsplitters are available for use as churches and individuals need them and are used at Yokefellow also. The van is also available for use by churches within our association. These are kept at the home of our Brotherhood Director. Contact Wes Lytton if you have a need for them. The utility van was used by groups from Mooresville First, Beulah and Bristol Drive this year. Work groups or youth groups or any church group may use it.

Two Overseas Mission-Work trips were made this year by Baptist Men and their wives. Ten people traveled to Bolivia to assist missionaries there with construction, three of them from Beulah. A trip was made to Venezuela located at Los Teques. Concrete work, electrical wiring, plumbing, and painting on the seminary grounds was done. A second trip is being planned for January to do additional work in roofing a new seminary building and installing a new septic line. Eleven team members comprised the July work team, from Beulah, Faith, Statesville First, Hebron, and two from outside of our association. Plans are also forming for work to be done in Mexico.

Baptist Men traveled to a meeting of the N.C. Baptist Men's Board which met at the N.C. Baptist Assembly at Fort Caswell in September and also to the N.C. Baptist Men's Convention, meeting in Charlotte in January. Other areas of mission and ministry activities have been done by our Baptist Men this year as well.

Two Baptist Men Chapters formed softball teams and traveled to Hickory to play in the state-wide Baptist Men's Softball Tournament.

New Baptist Young Men and High School Baptist Young Men's Units have been formed this year, and a study session was held at Western Avenue in October by State Brotherhood Associate Tommy Puckett for our newly formed units. High School Baptist Young Men played basketball in December through March for a fellowship activity. An awards banquet was held at the Western Steer. A HSBYM Conference was held at Wingate College April 14-16 in conjunction with the Pioneer Congress. HSBYM from Peninsula and Mooresville First traveled to Jamaica for a week of block and roofing work following their storm. Plans are being made to take a group of HSBYM to the Dominican Republic in December to re-forest an area. HSBYM were involved in missions this year in many areas.

II. Royal Ambassadors - Our Lads, Crusaders, and Pioneers have been involved in their own church fields of service this year, in chapter meetings and activities and across the state and across the sea. Mooresville First's Crusader Chapter has won state-wide Chapter of the Year for the third straight year. Boys and counselors attended State Lad/Crusader Congress in April, some were honor chapters. Pioneers attended Pioneer Congress in April at Wingate College. Honor chapter, speakout, scrapbook and other events were participated in by our RAs.

RAs walked for hunger in the Cropwalk in October. RA Week was observed in churches in November and in our communities, by proclamations by county commissioners and mayors. Foreign and Home Mission Studies and projects were held. Basketball for RAs and High School Baptist Young Men was provided, starting in December and going through March, ending in a tournament and banquet. Area school gyms were used.

An Associational Lad/Crusader Car Derby and Mission Fair was held on March 18 at Hebron. Attendance was good. An Associational RA and HSBYM Track Meet was held on May 6 at West Iredell High School. Charles Lail directed the track and field day events for all ages. Pioneers and HSBYM who were first and second place winners attended the State RA Track Meet in Greensboro at Page High School. Among winners were Matt Touchton, first place winner in high jump, and Mike Azairan, second place in softball throw, both from Peninsula.

Royal Ambassadors were active in their local churches through projects and advancement work. South Mountain and Camp Caraway and Christian High Adventure backpacking were enjoyed by RAs this year. Six boys from New York City were hosted for a meal and a week at Camp Caraway by Mooresville First and Peninsula, making the third year in a row for this project.

The Brotherhood of your association is made up of all the men and boys in your church. We hope that this coming year will be a time when more men and boys in our association will take the challenge to do what we can for missions and ministry in the areas that we have opportunity to do so.

Wes Lytton, Brotherhood Director

SOUTH MOUNTAIN BAPTIST CAMP
1989 REPORT

This has truly been a year of activity at South Mountain. As we conclude 32 years of ministry here at "the camp", we must pause to breathe a heartfelt "thank you" to our blessed Savior Jesus Christ, and also to the many friends of the ministry of South Mountain Baptist Camp and Retreat Center.

During the Winter and Spring the Faith, Fellowship, and Turrentine Churches of Statesville along with the Sweetwater Church of Hickory, and the Lincoln Avenue and Antioch Churches of Lincolnton gave of their time and funds to help restore and renovate some of the cottages. Other individuals gave their time during work days in preparation for the 1989 camp season.

The summer camp season consisting of 8 weeks was attended by a total of 1,161 girls and boys. Of this number, 166 rededicated their lives to Christ, 78 came accepting Jesus as Savior and another 25 came feeling God was leading them into full time Christian service. During the week of June 18-24, the camp was leased to the N.C. West District of the Wesleyan Methodist Church. They reported another 150 decisions. Counting all groups your camp was used by 2,361 men, women, boys and girls and there were a total of 419 decisions reported in 1989. We know that you join us in rejoicing at what the Lord has done through the ministry here at South Mountain.

Please keep your camp and retreat facilities in mind when planning this year's activities for your total church family. God bless you, and we need your prayers and support as we look ahead to 1990.

In His Service,
T.A. Lineberger, Director

CHRISTIAN ACTION LEAGUE REPORT

When the 1989 session of the General Assembly of North Carolina convened on January 11th, the first bills to be introduced were three lottery proposals: one in the Senate and two in the House.

Such gambling legislation has become an annual event for the last six years. However, the pressure for establishing a state-wide lottery was stronger this time around due to two factors: 1. Virginia has started a lottery, and 2. Revenues were very tight, and some legislators were looking for some "easy" money to grant state employees and school teachers a pay raise.

The pro-gambling lobbyists and their favorite legislator, Senator Kenneth Royall (D-Durham) were successful in securing passage of lottery legislation in the Senate.

Senator Royall, one of the most powerful members of the Senate, used his political "clout" to keep the bill in committee until the closing days of the session.

He admitted to the media that he did not want the lottery to get tied in with the budget proposals. After the money bills had passed and the legislature was ready to go home; then, he made his move to put the lottery bill on a "fast track."

No time was left to call for a public hearing to give rank-and-file voters the opportunity for their in-put.

After the Senate passage, the gambling proposal hit a "snag" when House Speaker Joe Mavretic let it be known that the House would not delay the 1989 adjournment to take up the proposal.

The issue cannot be considered until the legislature convenes for its 1990 session on May 22, 1990.

This gives 6 months to solicit opposition to the measure from the membership of the N.C. House.

Contact your N.C. House member and secure his or her opposition to Senate Bill 4, the Lottery Act.

A lot of prayer, time, and energy has been exerted in the current legislative session to defeat any gambling legislation; to prevent any erosion of our liquor laws; and to support efforts to strengthen our drunk driving statutes.

A Legislative Study Committee and the Governor's Highway Safety Committee held hearings throughout the state during the past year to get citizen in-put on ways to make our highways safer. As a result of these sessions, a Safe Roads Study proposal was introduced that consisted of the following features: 1. lower the breathalyzer threshold from .10 to .08 for drivers of motor vehicles; 2. ban open containers of alcoholic beverages in motor vehicles; 3. increase fines for drunk driving; and 4. establish a .04 standard for operators of commercial vehicles (bus and truck drivers). The House passed the bill, but the Senate Conference Committee members refused to accept the proposals. The bill can be considered in the May, 1990, session.

Even with such a busy legislative agenda the League has assisted in numerous liquor elections across the state.

We are hearing a lot of voices talking about declaring WAR ON DRUGS. U.S. Surgeon General C. Everett Koop has given our nation some words of wisdom: "It isn't ginger ale we're talking about. It's alcohol, the most widely abused drug. In the alleged war on drugs, alcohol enjoys a battlefield exemption. The United States will one day have to choose between alcohol and health...because we can't have them together."

Amazingly, the pulpits of America have become silent in so many of our churches concerning this NUMBER ONE ADDICTIVE DRUG. May this condemnation not be laid on the steps of the churches of your association.

The Christian Action League is ready to stand with you in the ministry of Applied Christianity as we confront the moral and social evils of today's world.

Coy C. Privette, Executive Director

BAPTIST CHILDREN' HOMES REPORT

Like salmon, Baptist Children's Homes this year struggled upstream to get ahead of the problems that plague America's children and families.

While maintaining group care services in place since 1885, BCH also inaugurated two innovative services in Care House, the first home for teen-age mothers and their babies we know of anywhere and the Philpott Parent Aide Program.

Care House, where five teen-age mothers will learn to parent their babies, was dedicated June 4 during services at Lenoir's Lower Creek Baptist Church. Also dedicated then was the Marguerite Noel Home for Girls, our second behavior change home.

Until Care House, a young girl who had a child often could not return home. If she wanted to bear her child and keep it, the child had to go to one foster care home and the young mother to another until she was of age.

The Noel Home, like Moody Home in Franklin, cares for girls whose difficult behavior prohibits them from living at home or in traditional group care settings.

On June 21 BCH dedicated the Philpott Parent Aide Program in Davidson County. Trained volunteers will establish relationships with homes labeled "at risk" for child abuse. The volunteer will be counselor and friend, critic and confidant to help families spot and correct areas that lead to child abuse or neglect.

With renewed emphasis on church communication, BCH named two men to act as directors of church relations and planned giving. Charles Tanner and Bill Morrow will arrange BCH speakers for your church and help your members with estate planning.

BCH continues to implement "intentionalized services" according to the long-range plan it adopted in April 1988. Peer culture therapy is being utilized on children at Odum Home and Noel Home and is being phased in at Mills Home. This program makes the children more responsible, both for themselves and others in their cottage.

BCH continues to garner popular support with North Carolina Baptists who contributed $1.52 million through the Cooperative Program last year. In the 1988-89 fiscal year, more than $1 million has been received in bequests.

The executive committee of the General Board of the Baptist State Convention of North Carolina this year declined to adopt a report of a special study committee that would have drastically reduced BCH's share of the Cooperative Program. The committee recommended, and the General Board supported, a return of individual special offerings to Baptist Children's Homes, Baptist Retirement Homes and Baptist Hospital. All three social services agencies support such a move, which would eliminate the Homes and Hospital Offering they share. The state convention will vote on that proposal in November.

BCH, which began as an orphanage in Thomasville in 1885, operates four group care campuses, eight emergency care homes, a home for unwed mothers, a teen mother/baby home, two behavior change homes for girls, therapeutic camping and a model child development center. It has work in 17 locations across the state, serving more than 1,000 children and families each year.

All campuses and facilities welcome involvement by local churches, RAs, GAs, WMUs and Sunday School Departments. Baptist support is strong for children and families and we pray it will continue to strengthen as needs grow every day.

BAPTIST RETIREMENT HOMES' REPORT

1989: It Was A Very Good Year

This marks the 38th year of ministry by the Baptist Retirement Homes to the Baptist Older Adults of this State.

Charged in 1951 with the mission of providing residential care for "Aged Saints", the Homes provide care for Older Adults in five locations across the state (Albemarle, Asheville, Hamilton, Winston-Salem, and Yanceyville).

A new continuing care retirement community, Brookridge, located in Winston-Salem will open for operation in the fall of 1989.

Recognizing the growing need for quality residential care for Older Adults, the Board of Trustees of the Retirement Homes has formulated a three-pronged long-range plan to meet this need:

*To work with churches and associations in the development of regional continuing-care retirement communities in the West, the Piedmont, and the East.

*To work with churches and associations in the development of "free-standing" residential housing (independent-living units, assisted-living units, and nursing-care units).
*To work with churches and associations in the development of alternative forms of residential care for Older Adults (Respite Care, Adult Day Care, and Home Health Care).

One of the greatest challenges North Carolina Baptists face as they move into the 21st century is the question of how residential-living situations for Baptist Older Adults are to be provided.

With the support of North Carolina Baptists, the Retirement Homes see this challenge as a wonderful opportunity for ministry.

BAPTIST HOSPITAL REPORT 1989

The past year at Baptist Hospital has been characterized by growth in facilities and personnel, advancement in medical technology and continuation of the spirit of personal concern which springs from the hospital's Christian heritage and its denominational tie.

Occupation of the new North Tower is almost complete, increasing the hospital's bed capacity to 806. Construction of the Clinical Sciences Building is expected to be completed by 1990. The Medical Center Boulevard is currently being moved to make ready for expansion of the Patient/Visitor Parking Deck. Two new helicopter pads, one for the AirCare helicopter and a second for helicopters from other medical centers, will be located on top of the parking deck. The J. Paul Sticht Center on Aging will be built on the approximate site of the current helicopter pad. These new facilities will make it possible not only for our hospital to serve more people but to serve them better.

In recent months the hospital's Level One Trauma Center has seen further development of its critical care transportation system by adding to the helicopter ambulance service its own neonatal ambulance for critically ill infants. The CommView Computer System, developed jointly by the Department of Radiology and AT&T, digitizes images, stores large volumes of data and transmits the images via fiberoptic cable throughout the Medical Center and via satellite to other hospitals without any x-ray film. Some brain tumors can now be successfully treated by implanting a tiny radioactive pellet directly into the tumor. Other types of cancer can be treated by hyperthermia which carefully focuses microwaves to raise temperatures inside a tumor to 102 degrees to 105 degrees Fahrenheit to kill or injure cancer cells. A technique called Mohs Micrographic Surgery allows the removal of skin cancer with minimal damage to normal skin.

These and other advances in patient care attract patients from across the country and around the world. Last year the 22,100 persons admitted to Baptist Hospital came from almost every county in North Carolina, from thirty-five states, and from eight foreign countries.

The Department of Pastoral Care continues its ministries to: the patient in the hospital; the family and friends of patients; the medical staff who minister to the patient; the person requesting counseling in our centers in Winston-Salem, Fayetteville, Morganton, Charlotte, Rockingham, North Wilkesboro; the ministers who seek our courses in clinical instruction, equipping them for specialized and pastoral ministries.

Added to these are our "Pastors' Sabbath" and "Interim Church" programs, as we work closely with the North Carolina Baptist State Convention in addressing the needs of pastors and churches.

We renew our commitment to the faithful delivery of pastoral care, beginning in our Medical Center and reaching around the world.

Baptist Hospital continues to feel the effect of the health care personnel shortage, especially as it attempts to open new facilities. However, we do not have any beds closed due to shortages. The Code Blue Program in high schools of northwestern North Carolina and the appeal to Baptist youth through Acteens is also creating interest in health care careers.

During the past fiscal year Baptist Hospital received $668,937.39 through the Cooperative Program and $303,133.07 through the Homes and Hospital Offering, including church gifts directly to the hospital. The hospital staff and patients are grateful for the services made possible by these gifts.

NORTH CAROLINA BAPTIST COLLEGE REPORT 1989

Baptists and their colleges have been doing Christian education together for a long, long time. Look at those dates listed with each college below. When they are totaled, the cumulative number of service years for our seven colleges is 807! North Carolina Baptists have grown up with their colleges, so much so that it is difficult to imagine our total mission program without them. During the 1988-89 school year there were 18,534 students and 2,249 faculty and staff engaged in the programs of Baptist colleges.

If you should ask our college leaders what is uppermost on their minds these days, you would get an answer such as this: "Christian education, Baptist students and Cooperative Program support." A sentence or two about each of these will complete this report.

Christian Education. There are large and important differences that belong to Baptist colleges. They are smaller, friendlier campuses where Christian community is present and encouraged and where education and the Christian faith are compatible.

Baptist Students. Young people from our churches are encouraged to apply to Baptist colleges. Pastors and parents can help students with their life plans when they guide them toward Baptist schools. Generous student aid and work study programs make it possible for any qualified student to attend a Baptist college.

Cooperative Program. Your North Carolina Baptist colleges say "Thank you" for the generous dollar support through the Cooperative Program. Baptist dollars buy quality Christian education and make healthy institutions possible.

BAPTIST FOUNDATION REPORT 1988

"Strengthening for Greater Service" had special meaning for the trust agency of the convention during the past year. Noting the progress made during its 69-year history in undergirding the financial support for the convention, its churches, institutions, and mission causes, the Foundation recommitted itself to greater service to these causes.

With concern that it performs its mission efficiently and that it involves more Baptists effectively in supporting the cause of Christ, the Foundation carefully embarked upon a capital campaign to secure funds for the construction of its own building to house its development and administrative offices.

Since its staffing in the early 1950s, space for the Foundation has been provided in the Baptist Building. With the consistent rapid growth in assets managed and services provided by the Foundation, the current space has become inadequate to properly perform the on-going work of the agency. We are pleased to report that the majority of the funds necessary to construct the new building have been secured. The new building will be erected beside the Baptist Building in Cary and we are hopeful that it will be ready for occupancy by the end of this year.

In engaging in this project, it has been of utmost importance to our Board of Directors and Staff that the on-going responsibilities of the Foundation not be neglected during the campaign. Indeed, the need for increased financial support for Baptist institutions, missions, and other ministries has not diminished, and has remained our first priority. It is essential that more individual Baptists become aware of the possibility of sharing the message of Christ beyond their lifetime. Seeking to f ll this role, the Baptist Foundation is the only entity which receives endowment gifts for any and every Baptist cause. Through trust and endowment funds established by individuals, churches, and associations, the principal is invested and income is paid regularly and perpetually to the cause or causes named by the donor.

Total assets of the Foundation is now approaching $17 million, of which $3.8 million was added in 1988 alone, making this the greatest year of growth in the Foundation's history. Last year, $1,258,775 was paid to Baptist work and to individuals designated in charitable remainder-type trusts. This latter agreement provides for income to be paid to the donor (or other individuals) for a specific period of time and then to charitable causes thereafter. Through this method of making gifts to Christian causes, the donor is assured that heirs are not neglected and that Christian causes will eventually benefit from the estate.

We are continually grateful for the support of Baptists across the state who support the mission and ministry of the Foundation. We welcome the opportunity to serve.

Edwin S. Coates, Executive Director

THE BIBLICAL RECORDER REPORT 1989

After more than 150 years as the Baptist paper serving North Carolina Baptists in particular and Southern Baptists in general, the Biblical Recorder is launching a new era of service and ministry for the decade of the '90s and the 21st century.

We have just completed a year-long readership survey at substantial cost and investment of time and energy, but we believe it is going to be helpful in charting the course for future service to our family of faith.

Baptists must have a single source of news and information upon which to make decisions and evaluate ministries. The Recorder is that source; nothing else matches the paper as a single resource of news, information, inspiration and challenge in our mission efforts together.

Competition for reading time is keen. Baptists are facing more and more demands upon their time and resources. The Recorder is never a luxury; it is a necessity if we are to work together in this complex and demanding age.

We have exciting plans for the future. More feature articles about North Carolinians, more articles geared to youth, family and women. An even greater focus on laypersons will continue after the beginning we made in 1988.

And we are trying to work out the mechanics of church pages whereby we can save churches time, money and staff work by offering them a page in the Recorder in lieu of their weekly newsletter. Watch for more details in the Recorder in the near future concerning this time and money-saving device for the churches (and associations).

We have a large readership now but we want more--that is the purpose of the paper. We serve hundreds of thousands of Baptists but we want to serve even more. More than 60 percent of our news is from North Carolina now, but we want a higher percentage soon!

The most important thing facing us at this point is to get the paper into more Baptist homes than ever before. Will you help us? Not only subscribe to and read the Recorder yourself but please speak a good word for the paper and urge others to subscribe and read it also. EVANGELISM REPORT

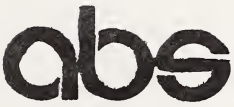
If we aren't reaching people we aren't growing, and its obvious we aren't growing. In our Southern Baptist Churches we have 14 million members in 37,000 churches. Last year we had a net gain of one member per church! If we don't reach people we will not grow. We are doing many good things in our churches, but we have left our first love. Our programs and organizations have taken the place of evangelism and ministry. Our churches show growth in two areas - babies, and transfer of memberships. Many churches last year and this year will show no baptisms. Our work is cut out for us. But the church cannot evangelize unless she is revived. Revival is the greatest need of the church today. Revival is the sovereign work of God renewing and restoring the hearts of His people to where they can do the work of evangelism. In April of 1990 we will be having Simultaneous Revivals the week of April 1-8. Will you pray that God will send revival among us and in each of us, so we will then reach the lost for Christ?

Henry C. Cook, Jr., Chairman



AMERICAN BIBLE SOCIETY

The churches and denominations of the United States are the mainstay of the American Bible Society's worldwide Scripture ministry. Opening new ways to the Word for people throughout the world is a challenge which gorws in scope and urgency with every passing year. Many of the projects to which we commit ourselves each year are undertaken in faith—faith in God and in the generosity of concerned Christians in this country.

The American Bible Society is sincerely grateful for the contributions, totalling $251,951.11, received from Southern Baptist churches during 1988 and draws confidence from knowing that there are Christian communions such as yours who believe in the power of the Word of God and are committed to sharing it with people across the globe. Your partnership with us in the Bible cause enhances our own vision of what can be accomplished in response to the Scripture needs of our world.

It hardly needs pointing out that the face of Christianity has changed dramatically and irreversibly during the past few decades. In 1900, Christianity was centered numerically in the northern part of the world. This is no longer the case. Increasingly, it is the southern part of the world that is witnessing the greatest growth in new converts to the faith. The Scripture needs of people in Africa, Latin America, Asia and throughout the world are real. Their needs reflect the new and shifting reality of Christianity in the world today and we rejoice at this evidence of God's Holy Spirit at work in our times. I hope that this present report opens a new, strategic window through which you can view this reality, and establishes the perspective within which the ministry of the American Bible Society must be seen. In encouraging you and the churches in this country to take a new look at the American Bible Society, we are quite simply asking you to share with us the responsibility for a fundamental part of world mission within the horizon of global Christianity on its way, by God's grace, towards the year 2000.

John D. Erickson, General Secretary

ASSOCIATIONAL MUSIC REPORT

Music is one of the most powerful tools for evangelism. My prayer is that the associational music program will equip and inspire the local churches to use this tool in a mighty way. Many goals were reached this past year as we saw the establishment of a quarterly Part-Time Music Director Fellowship and a quarterly Pianist and Organist Fellowship. Both groups will meet for fellowship and learning. Another goal that was reached was the establishment of Zone Directors and Division Directors.

A main objective of our associational music is to involve as many churches as possible to participate together in growing as musicians for our Lord. One way we hope to reach this goal is by adding zone directors. Our association is divided into five areas or zones of churches. A zone director has been selected for each group. These people will contact church leaders in their zone about upcoming events and help you with questions you have about associational music.

The 1989-90 Zone Directors are:

Statesville I - Gary Alexander
Statesville II - Lou Hager
Mooresville - Keith Smith
Troutman - Michele Overcash
Mocksville - Lewis Phillips

We have also added Division Directors which will plan and organize events in their area of specialty. Linda Rogers will direct the children's division, and Joan Benfield will direct the accompanist division. We are currently in need of a youth division director.

The training and equipping of our people in several areas of the music ministry continues to strengthen. This past year we trained 110 people from 17 churches during our annual Music Training School. Classes were offered in Music Reading, Singing, Song Leading, and Rhythm, and there was a class for pianists. This year a similar training school will be held on March 5-6 at Front Street Baptist Church.

Due to increased interest in the area of conducting following last year's training school, our association and Mitchell College offered a college-level conducting course which will finish in December. Future in-depth courses are in the working.

A major need in our association is that of training Children's Choir workers for their work. This year, our association will begin an annual Children's Choir Leader Training seminar. The sessions will be held on Saturday, August 25.

One of the highlights of every year, the Associational Choir Festival, had to be rescheduled to October 22 at 7:00 p.m. due to power outages caused by Hurricane Hugo. The festival will be held at Front Street Baptist Church. Next year's festival will be held at Western Avenue Baptist Church on September 23. All churches are invited to participate in this thrilling, uplifting event.

If there is a need in your church that our Associational Music program can help with, don't hesitate to call on me. To God be the glory!

Respectfully submitted,
Kenny Lamm, Director

ANNUITY BOARD REPORT

The Annuity Board continues to blaze trails in its effort to "serve those who serve the Lord". The effort put into the Expanded Church Annuity Plan continues to bear amazing results which will multiply manyfold down through the years. Goals set by the Annuity Board trustees for 1989 include:

Developing a long term care plan suitable to Southern Baptist ministers and their families;

Working through the Church Alliance to provide an approved IRA or to restore the tax deductible option of the Voluntary Annuity Plan;

Providing more choices for ministers seeking to meet the needs for family insurance protection;

Continuing to work hard to control health care costs;

Developing materials on financial planning;

Continuing to make churches and ministers aware of retirement and insurance plans.

It is astounding to see the growth of the Annuity Board and its ministry to ministers across the Southern Baptist Convention. There were, at the end of March 1989 19,972 annuitants who received $20,246,625. There were 472 recipients of Adopt-An-Annuitant grants, totaling $67,775, and 409 monthly relief grants and 180 monthly expense grants, receiving a total of $142,914. The Annuity Board assets at the end of March were $2,460,709,118, most of which belongs to Southern Baptist ministers who participate in the retirement plans.

Efforts continue to help churches and ministers have a plan for retirement. Each church is encouraged to be a responsible employer and to see that ministers participate by providing its contribution to the plan for those who serve the Lord in that church. It should be a condition of calling, both for the church and the minister, that the minister be covered. It is protection - both for the church and the minister.

This is what is happening in North Carolina:

* There have been 27 new members enrolled in the retirement plans during the period April 1 - June 30.

* There have been 61 plan upgrades during this period.

* There are now 2162 North Carolina churches and associations contributing to retirement plans.

* North Carolina has 1892 signed Cooperative Agreements! More than any other state!

* The number of churches participating at the old Plan A level of $33.34 has decreased from 439 to 92.

* The average annuitant in North Carolina receives $249.96 per month, up from $234 last year.

* North Carolina has 3,406 members making contributions to Annuity Board retirement plans.

* There are 1,764 annuitants receiving benefits each month in North Carolina - $440,929.89 each month!

It is exciting to think about what has been done to help ministers retire with dignity. Strong efforts have been made to make all of our churches (and ministers) aware of the opportunities and the need to act on them.

But there is still so much to be done! Consider these facts:

* Small contributions make the annuitant's benefits small:
In North Carolina
184 receive less than $50
493 receive less than $100
1006 receive less than $200
1287 receive less than $300

Suffice it is to say that there is a great challenge still before us to help ministers prepare for the future and to help churches be responsible employers.

Let's keep up the good work.

Jim Lambert, Administrative Associate for Minister Support, BSC of NC

SUNDAY SCHOOL REPORT

Share Hope --- Reach 10

Hope is a beautiful word. It expresses joy and comfort. Hope appears many times in God's Word. "My hope is in thee" (Ps. 39:7b); "Happy is he...whose hope is in the Lord his God" (Ps. 146:5); Paul said, "Rejoice in hope" (Rom. 12:12); "Christ in you, the hope of glory" (Col. 1:2).

Hope, what a word! Is anything needed more in our day than hope? In the last year of Challenge 10/90 emphasis, the Sunday School Theme is Share Hope...Reach 10. The "Reach 10" refers to Sunday School Enrollment. 1. An individual can commit to witness to 10 persons during the year or to enroll 10 persons in Sunday School. 2. A class can commit to increase its enrollment by 10 or by 10%. 3. A department can commit to grow by 10%. 4. A Sunday School can commit to grow by 10% or start 10 new teaching units during the year.

"The Final Four" is a plan to help churches increase enrollment significantly during the last four months of the 10/90 effort. Nine years ago we started an effort to enroll 10,000,000 people by September 30, 1990. The Final Four is a series of visitation/enrollment rallies. Why these? Because we care about people. We want them to study the Bible, and we want them to know and love the Lord.

The Sunday School should and will support Here's Hope Revivals, April 1-8, 1990. Utilizing the Sunday School in revival preparation, outreach, witnessing, attendance emphasis, and follow-up will result in larger revival attendance and more meaningful outcome.

With all of this in mind, we will schedule and conduct the following events in 1990:

January 8-12 - January Bible Study
Adults - II Corinthians
Youth - Luke's Gospel

March 8-9 - VBS Institute/West

May 17 - Associational Final Four S.S. Rally

August 28 - Associational Key Leadership for S.S. Workers

September 16-23 - Suggested date for Preparation Week in the churches

October 1-2 - Bible Teaching Through the S.S. Training School

Individuals on the ASSISTeam attended Ridgecrest Conference Center and state meetings briefing and training. An all-day planning retreat was held August 19.

During the year VBS leaders attended the Piedmont Team Training in March; clinics were conducted for South Yadkin Church Leaders on May 13 and May 22.

A Bold Training Workshop was conducted May 18. The keynote speaker was Robert Stewart from the North Carolina Baptist State Convention. The South Yadkin churches with the highest gains in Sunday School enrollment were recognized and congratulated by Mr. Stewart.

The third consecutive annual training school met at First Baptist Church of Statesville October 2 and 3. Over 230 enrolled from 30 churches. Understanding Those We Teach was the theme for the series studied by age group workers. A total of 16 courses were offered.

Many thanks to all who participated and contributed to the Sunday School events during the year. We rejoice in progress observed in the churches.

Respectfully submitted,
Jack R. Bagwell, ASSIST Director

Special Music Emphasis on Missions was presented by the Beulah Baptist Church Chorale, led by Coite Sherrill. Special Music was also presented by Landa Drum, 1988-89 Statesville Dogwood Queen, and she also gave her testimony.

Phyllis Stubbins introduced the keynote speaker, Phyllis Foy from Peninsula, who gave a very moving presentation talk/slide program on "Women in Missions".

The Rev. Eugene Hager, Director of Missions, pronounced the benediction.

ASSOCIATIONAL YOUTH COMMITTEE REPORT

The youth of today, perhaps, face struggles far greater than any generation of youth before them. The accessibility of drugs and alcohol, the rise in teen pregnancies, the general moral freedom of our society all pose a difficult dilemma for our young people. The question of what is right and wrong has been clouded by this dilemma.

Believing that God is the answer to the struggles faced by our youth, our association provided an Associational Youth Revival, April 6-8, 1989 hosted by Fairview Baptist Church. The Reverend Randy Kilby, Director of Admissions for Gardner-Webb College, was our guest speaker. Special music was provided by the Front Street Youth Choir, the Monticello Youth Quartet, the Gay's Chapel Youth Choir, and "Freedom".

The three-day event yielded results in re-commitments of lives and a renewed enthusiasm to serve the Lord.

Together, let us labor to see our Youth overcome the dilemmas they face and become the spiritual leaders of tomorrow's church.

Respectfully submitted,
Ron Honeycutt, Chairman

DIRECTOR OF MISSIONS REPORT

Two major projects in our association need to be spotlighted in my report this year. The first was a Probe (a sophisticated windshield survey) in the southern part of Iredell County. Participating churches were Peninsula, Southside, Mooresville First, and Community. Though the area surveyed did not include the city of Mooresville, we found 3,266 homes, trailors, and apartments. We estimate the population (January 1989) to be 9,700 not including summer and weekend residents. One of the results of the Probe is that Peninsula has begun a mission in the Davidson area. It began meeting on September 10. We are aware of two or three other areas that will probably need missions begun in the near future.

The second major project was our partnership with Brazil. Our team of 10 people went to Brazil in early September. While there they did evangelistic visitation, witnessing, and preaching. They reported that there were 1,404 professions of faith and 227 rededications during their stay in Brazil.

They were all deeply moved by their experiences there. We hope many of our churches will call on them to give a report on what they saw and experienced. It will be a challenge and a blessing to you to hear them. Those who went from our association were:

We do not know when the next request from Brazil will come. We urge churches to continue to set aside funds to help send volunteers on the next trip.

Of course our association has many activities during the year such as: the Music Training School in February; Choir Festival in the fall; Sunday School Leadership Training in the fall; our VBS Clinic in the spring; our Literacy Program, workshops to train tutors, English class for Spanish-speaking people, etc.; our Brotherhood and WMU provide many mission opportunities for all age groups (see their reports elsewhere), and of course we have our weekly Ministers' Conference and our Annual Meeting in October.

Many of you have discovered the office to be a resource and information center. We are happy to be helpful in anyway we can. Thank you for your support and encouragement.

Respectfully submitted,
Eugene B. Hager, Director of Missions

CHURCH & COMMUNITY MISSIONS REPORT

Our reading program has increased during the past year. We have had 6 workshops and 60 people to register for the course.

Mrs. Caroline Bentley taught the workshops except for one taught by Mrs. Glenda Reece from Raleigh. The majority of the people that took the course began tutoring at Mitchell, in churches, homes and grammar schools.

We are also teaching many non-English speaking people, Japanese, Chinese, and Spanish.

We helped 7 churches get a $500.00 food grant from the Home Mission Board.

We helped the Council on Aging get a $2,000.00 grant for their Meals on Wheels program.

I have also been working with the homebound and visiting the nursing homes.

Respectfully submitted,
Mr. Aubrey A. Walker, CCM Director

RESOLUTIONS COMMITTEE REPORT

Acknowledging the presence of God during this 116th Annual Session of the South Yadkin Baptist Association and having sought His leadership, be it resolved:

1. That we express our sincere appreciation to the host churches, Western Avenue Baptist and Fairview Baptist and their pastors, Dr. Ralph Carter, Jr. and Rev. Scott Eanes, who so graciously welcomed us and assisted us in the use of their facilities;

2. That we give a special thanks to the ladies of Western Avenue and Fairview churches who prepared and served the delicious meals;

3. That we give thanks to God for these Associational officers and committee members who carried out their responsibilities in such a dedicated manner and that we commit ourselves to pray for those who will be assuming places of leadership this coming year;

4. That we express gratitude to our Moderator, Rev. Gary Marshall and Vice-Moderator, Rev. Scott Eanes, for their willingness and unselfishness in providing leadership for our association;

5. That we express appreciation to Rev. Kenny Lamm, who gave of his time and talents to serve as our Music Director, to our musicians and all those who presented special music and added so much to our meetings;

8. Be it resolved that we the South Yadkin Baptist Association in our 116th session recommit ourselves to fulfilling the Great Commission given to us by our Lord;

That we thank God for the precious souls that were led to faith in Christ as a result of our partnership with the Central do Brasil Association in Sao Paulo, Brazil, and that we continue to pray for these new converts and for others who need to hear the gospel in that great country;

That we join our hearts together in prayer for the "Here's Hope" Simultaneous Revivals that will take place in our churches in April, 1990, to the end that many will come to a saving knowledge of Jesus Christ.

9. We further resolve that as members of this association we serve in the coming year in the spirit of unity, carrying out our tasks with enthusiasm, always lifting each other up in prayer and communicating brotherly love in all we do and say.

AUDITOR'S REPORT
October 18, 1990

I have examined the records of receipts and disbursements of the South Yadkin Baptist Association for the period of October 1, 1989 through September 30, 1990. My examination included verifying receipts and disbursements and examining necessary documents in support of those receipts and disbursements.

I have not audited, reviewed, or compiled any of the financial information but have reviewed the transactions to verify their accuracy.

In my opinion, all the transactions have been recorded in the proper method and the books and records appear to be in good condition regarding accuracy and assurance that all transactions have been recorded correctly.

It shall advise with any group considering a new church and assist in organizing new churches. It shall review all applications for state missions aid by churches or missions and make proper recommendations to the Executive Promotion Committee.

10. The Committee on Denominational Representation. These representatives shall be nominated by the Committee on Committees. In reference to the job descriptions, the committee shall conduct annual reviews with every staff member. The committee will also act as a support group for the Association's staff members in order to promote good working relations throughout the year.

Upon completion of the annual review, the committee shall make recommendations to the Finance Committee for annual compensation increases. The committee will also report to the Executive Promotion Committee any staff need that should be acted upon as that need arises.

This committee shall have the responsibility for securing and dismissing all staff personnel, with the exception of the Director of Missions and the Director of Christian Social Ministries.

Special music was presented by Bryan Rabon, a member of the Youth Choir and Handbell Ensembles at Front Street Baptist, and Mrs. Joan Benfield, Organist at Front Street. Bryan played the saxophone, while Mrs. Benfield accompanied him on the piano with two selections, "He Lives" and "He Touched Me". Rev. Steven Cox, Pastor of Society Baptist, brought the afternoon message from Colossians 1:15-19 around the theme, "Are You Saved, and Are You Doing What God Wants You To?". At the end of the message he led the congregation in singing a chorus of "Oh How I Love Jesus". Rev. Tim Yarbrough, Pastor of Faith Baptist, pronounced the blessing and benediction.

After a delicious meal Mrs. Young played "Brethren We Have Met to Worship" for the prelude. Rev. Scott Eanes, Vice-Moderator, presided.

Rev. Richard Hall, Pastor of Fallstown Baptist, opened the evening session with scripture reading from I Chronicles 4:9-10 and led in prayer. Special music was presented by the Beulah Baptist Church Chorale directed by Mr. Coite Sherrill. They sang three selections from the musical "Let Them Know". Mr. Wayne Murphy, Director of Development, gave the Baptist Hospital Report. With Rev. Marshall presiding, Rev. Robert Jackson gave a brief report on the Davidson Baptist Fellowship Mission and then presented the Committee on Committees Report with one addition and moved its adoption. The report was approved. Rev. Hager presented the Nominating Committee Report in the absence of Mr. J.E. Brown, Chairman. There were a few additions to the report; it was approved. Rev. Terry Belew gave the Place and Preacher Committee Report; it was approved.

WOMAN'S MISSIONARY UNION REPORT
1989-90

Matthew 25:40 KJV "And the King shall answer and say unto them, Verily I say untc you, Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me."

IN HIS NAME REACH, TEACH, TOUCH

REACH. We began the year with the Baptist Women's World Day of Prayer on November 6. The event was held at three churches in our association with focus on prayer needs from around the world. The meetings were held at Troutman Baptist at 11:30 a.m. with a luncheon and at Diamond Hill Baptist and Edgewood Baptist at 7:00 p.m.

The Pastor/Wife/Staff Appreciation Dinner was held April 20 at Beulah Baptist. The theme was "Dixie". A band played some of the good old tunes, and some good southern food was enjoyed by 100 people from 15 of our churches.

On May 1 the 87th Annual WMU Meeting was held at Troutman Baptist. The theme was "Volunteers in Missions." A slide presentation was presented by Rev. Bill Mason and Rev. Kenny Lamm from the volunteer mission trip that was made to Brazil from our association. Renea Henderson from Randolph Association also shared with us about her experience on the mission trip.

Cheryl Mason from the Nominating Committee presented the names of the new WMU Officers for 1990-92 church years. Rev. Eugene Hager, Director of Missions, gave words of encouragement.

G.A. Day Camp was held June 2 at Lakewood Park. There were 129 in attendance with 14 churches represented. Ruby Fulbright and Owen Poteat were special guests. Aluminum cans were collected and recycled with $30.00 donated to the Baptist Men's Medical Mission Bus.

Mission Friends "Christmas in August" was held August 11 at Statesville First Baptist. There were 37 children, 13 leaders, and 12 staff in attendance. Charlotte McCoy was the guest speaker. The gifts brought were sent to J. Gilbert, Associational Missionary in the Cherokee area.

TEACH. During the time of the Foreign and Home Mission Studies adults and youth were taught about the Baptist work in Japan and various areas of home mission work.

At a BYW Prayer Retreat on March 12 at Bristol Drive Baptist we were taught how to pray by Ruby Fulbright.

During July and August the Associational WMU Council received training at Caraway and Fort Caswell.

WMU Fall Training was held at Western Avenue Baptist on September 18 with 130 women from 23 churches in attendance. Conferences were held for all age levels plus Secretaries, Mission Action, Enlistment/Enlargement, Mission Action/Personal Witnessing, and Mission Support. The theme was "Empowered".

TOUCH. The Vocational Rehabilitation Workshop Birthday Parties were held four times during the year with churches providing the refreshments and birthday gifts.

On June 9 the BYW's and Baptist Women toured the Thomasville Children's Home with 18 ladies attending from 8 churches. While there money and games were given to the home.

At Christmas money was sent to the N.C. Women's Prison to be used to buy gifts for the women there. Homebaked cookies were made for the Christmas Party at the Iredell County Prison Camp.

A special thanks to the WMU Nominating Committee, Elizabeth Weavil, Connie Price, and Cheryl Mason for the time and prayers they spent in getting a full Associational WMU Council for the 1990-92 church years.

EVANGELISM REPORT

In the simplest of terms evangelism is the natural response of a church doing what the church is called of God to do. It should be as natural as breathing, but the average church is struggling with the help of programmed respirators. And still we gasp for the spiritual air that ought to come naturally. Spiritually, we are inhaling more than we are exhaling. A good example of this is found in last year's Digest of Letters. Our churches in our association took in almost 100 more members by letter and statement than we did by baptisms. Beloved, we have done good, but we must do better. The answer? The church must recapture its first love; the church gathered must become the church scattered. Because He came, let us go!

Respectfully submitted,
Henry C. Cook, Jr., Chairman

COUNSELING CENTER COMMITTEE

The Counseling Center Committee met a number of times during the year. After considering several concerns including liability, we entered into a contract with the Pastoral Care Foundation of Baptist Hospital to provide counseling services here in our association. We employed John Rowe to begin this ministry. Since May, his office has been in Fairview Baptist Church. Lois Wease was employed to be the receptionist. As of November the Counseling Center will be moving into the office building next to the Social Security Office. The address will be 1318-C Davie Avenue, Statesville, N.C. The official name is The Pastoral Care Counseling Center of Iredell County. The phone number is 704-871-1712. On days the Counseling Center is not open, the associational office can help with appointments.

At the present time John Rowe is working in Statesville only on Mondays. He expects shortly after we move, to be available both Mondays and Thursdays. Presently he counsels about 6-8 sessions on Monday. He is not always able to see all the people who want to come on that day, so he plans to add a second day. If the number of people coming for counseling continues to increase, other days or more counselors will be added to meet the needs.

There is a fee charged for the counseling service. However, we turn no one away. Fees can be adjusted according to a family's ability to pay. The South Yadkin Baptist Association pays office rent (in the new location), the receptionist's salary, and helps with fees for those who cannot afford the cost. The Pastoral Care Foundation receives all fees. Out of those they provide John Rowe's salary, benefits, liability insurance, supervision, and other expenses. Our committee believes this is an important ministry for our association. Your church contributions to the association and those designated for the Counseling Center makes this ministry possible. We are glad we can provide help for individuals and families with counseling needs. Thus far over 110 hours of counseling have been provided for 34 different family units.

STEWARDSHIP REPORT

During the past year several activities have been held in order to create a greater interest in or help to strengthen and develop Christian Stewardship for churches and for individuals in the South Yadkin Association.

As your Stewardship Coordinator I attended the Key Leadership Conference at Ridgecrest in May and learned more about the Witnessing/Giving Life emphasis to be held in the spring or fall of 1991.

On May 18-19 a Christian Money Management Workshop was held at Fairview Baptist Church with Talmadge Williams leading. There were approximately 20 in attendance.

On August 6-8 I attended a Stewardship Conference at Caraway and was able to gain some valuable insights that can help me to help our association.

Finally on August 30 a Witnessing/Giving Life Seminar was held at Fairview Baptist Church led by O.D. Martin and Victor Cole from our State Convention. There were approximately 20 in attendance. Packets were given out and the Witnessing/Giving Life emphasis was explained and reviewed.

As we consider stewardship I hope that each of us would consider more than the money aspect. I hope you would contact me if there is any need concerning stewardship matters in your church.

Respectfully submitted,
Scott Eanes, Stewardship Coordinator

SOUTH MOUNTAIN BAPTIST CAMP
1990 REPORT

Now completing 34 years, South Mountain Baptist Camp is still reaching out to the young people and adults in the churches of Region Eight.

There were 1200 RA's, GA's, Acteens, and their counselors attending during this year's regular camping season. Another 1212 used the camp facilities for retreats, swimming, picnics or other special events. These two figures show the balanced ministry of South Mountain to our churches.

This year's theme "Glorifying the Father" proved to be a real challenge. Every day youth, counselors, and staff were taught in Bible classes, chapel times, and worship experiences the importance and responsibility of bringing honor and glory to our Heavenly Father through our everyday lives! We were challenged to bring "Glory to the Father" by giving our lives to Him. There were 71 responding to this challenge by accepting Jesus as their personal savior. We were challenged to bring "Glory to the Father" by living daily in a way that will bring glory to Him. There were 180 plus young people, counselors and staff responding by rededicating their lives to Jesus. There were another 10 who felt they were being led to "Glorify the Father" by accepting the call into full-time Christian vocation.

We were all challenged that to "Glorify the Father" we must have a burden and vision of a world that is lost in need of a Savior. Through special speakers and a daily mission challenge we were reminded of our responsibility to go...to send...to support...and to pray for all efforts to win the world to Christ.

We want to take this opportunity to thank God for all He has done here these 34 years. We are looking forward to working with you this coming year. Please pray (1) for God's leadership this coming year, (2) for God's people to support South Mountain financially this year, (3) for a renewed interest in "the ministry of camping". Every young person should have the life changing experience of attending camp!

God Bless You,
T.A. Lineberger, Director

BAPTIST CHILDREN'S HOMES REPORT

For 105 years Baptist Children's Homes of N.C. has been giving children a chance at life. This year we formalized that phrase into our first state-wide fund-raising campaign.

The "Give a child a chance!" Campaign seeks to raise $11 million over three years to expand Cameron Boys Camp, boost general operating income and increase endowment.

We will also be able to begin a before and after school care program in Davidson County, to give security to children of working couples, who won't have to go home to empty houses anymore.

Some of the new endowment earnings will increase training to help staff deal with ever changing needs among the 1,000 children and families they serve each year.

Baptist Men of N.C. have agreed to build the new Tommy and Jeanie Eller Chuckwagon at Cameron, saving approximately $75,000 in construction costs.

Children's hopes also were bolstered by the return of the Thanksgiving Offering voted by messengers to the 1989 state convention. While suffering through its 12-year absence, BCH lost more than $1 million in revenue.

In the change from a Homes and Hospital Offering to the Thanksgiving Offering, BCH will go 18 months without a special collection, a period that encompasses more than an entire fiscal year. For the past five years that special collection has meant $400,000 to the ministry, a sum that will be difficult to make up in the 1990-91 budget. Some churches, aware of the difficulty, have promised to begin receiving the Thanksgiving Offering in 1990.

The Cooperative Program continues to anchor our budget planning from the churches. We urge renewed commitment to cooperative giving among our N.C. churches. It is essential, not only for us, but for the entire missions enterprise built painstakingly for a century and a half. Baptist Children's Homes receives $1.5 million from Cooperative Program receipts each year. That is the stackpole around which we build our other income planning. A decrease in Cooperative Program dollars to Baptist Children's Homes would seriously jeopardize our ability to care for children.

In August, BCH signed an agreement with Gaston County Department of Social Services to operate two emergency care homes owned by the county. That raises to 11 the number of emergency care homes BCH operates. That service, in which a child at risk of abuse or neglect can receive shelter right away, is the service most in demand throughout the state. Children stay a maximum of 60 days while BCH works with the custodian to determine a long-term plan of care.

In 1991 BCH will celebrate the 20th anniversary of the founding of Broyhill Home, our westernmost campus, in Waynesville/Clyde. With the help of J.E. Broyhill and his family, the home was opened in 1971 on 91

hilly acres. It has capacity for 48 children in group care and for 8 girls in emergency care.

Baptist Children's Homes has a 105-year history. But its history is just the knot that ties it to a boundless, unbroken ribbon of promise that stretches beyond the future to wrap children and families with eternal blessings.

Michael C. Blackwell, President

BAPTIST HOSPITAL REPORT

"The largest health-science building program ever in N.C. has changed the landscape on Hawthorne Hill, and the changes continue in rapid succession...One thing that hasn't changed is the institution's tradition for delivery of compassionate health care. That will never change." This statement, from Dr. Charles P. Nicholson, Jr., Baptist Hospital Trustee and Chairman of the Medical Center Board of Directors, is both a report and a commitment.

Another building in this $190 million expansion program has recently been completed and occupied. The Clinical Sciences Building will house most of the Medical Center's ambulatory services, and has been termed a "medical supermarket," where patients may do "one-stop shopping." The building will also accommodate an Ambulatory Surgery Unit, Medical Center Day Care Center for children of medical center employees. Under construction, is an addition to the MRI (Magnetic Resonance Imaging) Building, and a significant addition to the Patient/Visitor Parking Deck. Construction on the Center on Aging Building is scheduled to begin in early 1991 with the completion date set for the spring of 1993.

The purpose of all these new facilities, according to hospital president, Len B. Preslar, Jr., is to "enable us to respond to patient needs better than ever before." In addition to continuation and improvement of many established procedures, several new diagnostic and treatment programs have been started recently. The Organ Transplant Program added a new dimension when it performed the first single-lung transplant in N.C. Bone marrow transplants are also being performed now in our Baptist Hospital. A Cranio-facial Clinic, to correct major deformities of the skull and upper face during the first year of life, opened recently. New laser technology provides an improved method for clearing out atherosclerotic deposits in the carotid arteries of the neck. New surgical techniques make possible better treatment of complicated retinal detachment. Orthopedic Surgeons began use of the Ilizarov Technique for the repair and lengthening of broken bones. New approaches are being used effectively in the treatment of children with Cerebral Palsy. Bowman Gray/Baptist Hospital is the only medical center in the nation using and evaluating Clinodean, a non-narcotic pain killer which has proven effective in controlling pain following surgery and for cancer patients.

Through these various services we provided 210,456 days of care for 22,607 patient admissions last year. In addition to these, there were approximately 388,000 ambulatory patient visits in the various clinics, the Emergency Department, the Day Hospital, and in Ambulatory Surgery. These patients came from all across North Carolina and from 34 other states. Also the number of patients being referred to us from foreign countries is increasing as the reputation of the Medical Center spreads throughout the world.

The Department of Pastoral Care continues to strengthen its reputation both as a service agency and as a teaching facility. Last year, the department provided more than 29,000 ministries to hospital patients, almost 19,000 services to families, and more than 14,000 services for hospital and church staff members and their families. The Minister's Care Plan, a joint program with the Baptist State Convention, had 1,446 sessions with more than 200 different clergy families last year. The new Missionary Counseling and Support Services Program saw 48 individuals in its first six months. The Division of Clinical Pastoral Education/Chaplaincy had 53 students enrolled.

During the fiscal year ending June 30, 1990, the hospital received $692,946.24 through the Cooperative Program and $271,361.24 through the Homes and Hospital Offering and direct gifts. Cooperative Program Funds are used for the Department of Pastoral Care, and other church gifts help to provide Benevolent Care for financially needy patients. The hospital staff and patients are most grateful for this continuing financial support.

BAPTIST RETIREMENT HOMES' REPORT

1990: Providing the Best of Times to N.C. Older Adults

Making life for Older Adults the Best of Times is the continuing goal of Baptist Retirement Homes of N.C., Inc., which operates four residential facilities for Older Adults around the state - in Albemarle, Asheville, Hamilton and Winston-Salem.

In Winston-Salem, Brookridge Retirement Community celebrates its first birthday in 1990. It is the largest of the facilities, providing five levels of care - independent living in garden homes, independent living in apartments, and assisted living, intermediate nursing care and skilled nursing care in its healthcare unit - to 350 Older Adults. The residents have developed a strong community spirit.

Around the state, other homes face a promising year.

The Board of Trustees of Baptist Retirement Homes applied in July for permission to construct the 60 nursing care beds the state is allocating to Buncombe County in 1990.

State approval of its plans will be the next step toward adding a 60-bed healthcare unit to the Western N.C. Baptist Home in Asheville, a unit offering skilled and intermediate nursing care. Currently the only nursing care provided by Baptist Retirement Homes is the 85-bed nursing-care unit at Brookridge. The Western part of our state has one of the fastest-growing populations of Older Adults.

The facilities in Albemarle and Hamilton provide assisted living in a residential setting to 30 Older Adults each. Both programs are greatly enhanced by the strong support of the surrounding community and its churches. The Brotherhood, WMU and senior adult clubs at many nearby churches provide fellowship, entertainment, skills and physical labor, household needs - whatever they see are needed by each home.

The Albemarle Baptist Home also offers respite care for those families who care for an Older Adult and need some time away from that responsibility. The cost of the care is paid by the family, and it provides overnight care for whatever length of time the family needs. It, and other alternative forms of residential care for Older Adults, are additional ways being explored by the Homes to meet the growing needs of the Older Adult Baptist population in this state.

Please pray for our ministry.

Respectfully submitted,
Elmer Thomas, Representative

BAPTIST FOUNDATION REPORT 1990

The historical records of the N.C. Baptist Foundation will reveal 1989 and 1990 to be significant in its 70 year history. Organized following action taken at the 1919 Convention and chartered by the State of N.C. in 1920 as a charitable corporation, the Trustee agency of the Convention has only in recent years begun to have an impact in providing financial support for Baptist institutions and mission causes.

Charged with the responsibility of creating greater awareness among Baptists within N.C. concerning estate stewardship as a viable and significant means of providing financial support of Christian endeavors fostered by our churches, the Baptist Foundation assists individuals in the establishment of endowment and trust funds. Through these funds, financial support is provided the donor's chosen Christian cause or causes on a continuing basis for years to come, long after the donor's death.

The growth of the Foundation, in terms of assets managed, has been significant during the past few years. Since January 1, 1988, the assets placed under management of the Foundation has increased by over $13 million through May, 1990. This exceeds the asset growth goals set in 1986 for a five year period.

Trust income distributed to Baptist institutions and mission causes 1988 and 1989	$1,106,930

Trust income distributed to individuals with Baptist causes named as charitable remainderman during 1988 and 1989	$1,361,836
Assets held in trust and endowment funds as of June 1, 1990 (unaudited)	$26,176,481
Assets held in trust and endowment funds as of December 31, 1989 (audited)	$18,133,634

Gifts of appreciated assets, such as stock and real estate, can be placed in trust to generate income for individuals and then pay income to Christian causes beyond their lifetime. As a result of this unique opportunity to give, older adults are realizing the joy of establishing life income trusts. This plan often provides a significant increase in personal income, by-pass of capital gain taxes, creation of a charitable deduction for income tax and estate taxes, and assures an eventual gift to Christian endeavors.

A new home for the Baptist Foundation was built during 1989 and early 1990. The 6,000 square foot office building was constructed from gifts from individuals and is located on property provided by the Baptist State Convention next to the Baptist Building in Cary. The new facility was occupied in February 1990, and provides much needed space for the work of staff as well as for conferences and meetings. Baptist groups are invited to use the meeting rooms when in the Raleigh/Cary ares. We extend an invitation to church groups to call and arrange a visit to the newest building used for the Lord's service by N.C. Baptists.

The Foundation employs seven full-time employees and operates under the direction of a 20 member Board of Directors elected by the Baptist State Convention.

Respectfully submitted,
Edwin S. Coates, Exec. Director

CHRISTIAN ACTION LEAGUE REPORT

The last twelve months have been eventful ones in the Ministry of Applied Christianity.

LEGISLATIVE ISSUES

1. GAMBLING

All three lottery bills died in committee because the pro-gambling forces just didn't have the votes. The gambling industry launched a major campaign this year because the state was facing a $500 million budget short-fall. They employed the most effective lobbyists that can be found in North Carolina. The State Government Employees Association made the lottery its number one legislative objective. Yet, all of this wasn't enough because the Christian community spoke up.

You can rest assured that the gambling industry will be back in 1991.

2. DRUNK DRIVING

Proposals from Governor Jim Martin and a Legislative Study Committee that really would have toughened our drunk driving laws did not materialize. Some well-known defense attorneys made "sham" compromise offers in the House-Senate Conference Committee, but the House conferees rejected the offer. In many ways, the Senate compromise would have weakened even our current laws.

The House Bill provided for:

a. The lowering of the breathalyzer blood alcohol level from .10 to .08;

b. The banning of open containers of all alcoholic beverages in motor vehicles;

c. Increasing the civil revocation of drivers' licenses from 10 to 30 days (N.C. is the only state in the nation with less than a 30-day loss of driving privileges for registering a .10 or above on the breathalyzer);

d. Increasing the fines for being convicted of drunk driving (in 1947 the minimum fine was $100, and it is still the same 43 years later);

3. ABORTION

a. Because of the outstanding work of Representative "Skip" Stam of Wake County, the House voted to reduce the state's abortion fund from $400,000 to $100,000. These remaining funds could not be used for abortion as a means of birth control. They could only be utilized for abortion when the mother's life is endangered, or in cases that result from rape or incest. However, the Senate voted to leave the funding at its current rate.

b. A parental consent proposal overwhelmingly passed the House requiring a parent's approval before an abortion could be performed on a minor but the bill died in the Senate (such consent is required before a school official can give an aspirin to a student, but such consent is not required for a minor to receive an abortion).

4. OBSCENITY

The Senate did approve Representative "Skip" Stam's House bill to make the possession of child pornography a felony.

The U.S. Supreme Court, in upholding a Ohio law, stated that the purpose of such legislation is to protect the victims of child pornography and that the State of Ohio passed it "in hopes of destroying a market for the exploitative use of children".

We applaud that work of Representative Stam of Wake County (a Deacon in the Apex Baptist Church) in his tireless efforts on this legislation. Children deserve the most stringent safeguards our laws can possibly provide.

5. MISCELLANEOUS

Other legislative proposals such as raising the tax on alcoholic beverages and requiring the teaching in public schools or sexual abstinence outside of marriage to combat the teenage pregnancy problem were side tracked by the Senate. Incidentally, the tax on beer has not been increased in North Carolina since 1969. This reveals how strong the beer lobbyists are.

CHURCH AND COMMUNITY ASSISTANCE

In the past year, the League has successfully assisted in alcoholic beverage campaigns in places such as Hertford County, Pamlico County, Concord, Lumberton, Manteo, Morganton, Archdale, Waynesville, etc., in their efforts to defeat various referenda such as liquor-by-the-drink and beer-wine sales.

We have sought to keep the Christian community informed on moral and ethical issues through our publication, Tomorrow, and through speaking in churches, pastors' conferences, and civic clubs.

Thank you for your prayers and financial support in our Ministry of Applied Christianity.

THE BIBLICAL RECORDER

We need your help!

Never in the history of Southern Baptists has there been a time of more conflict and tension, much of it based on misunderstanding or a lack of correct information. As never before, we need informed Baptists to make the right decisions for the Kingdom's work in the name of Christ.

The most important thing facing us at this point is to get the Recorder into more Baptist homes than ever before. Your support as a subscriber and reader and your encouragement to others will enable the paper to better serve the constituency with accurate and helpful information delivered to Baptist homes and churches.

Baptists must have a single source of news and information upon which to make decisions and evaluate ministries. The Recorder is that source; nothing else matches the paper as a single source of news, information, inspiration and challenge in our mission efforts together.

In order to save churches large amounts of money and to increase the readership of the Recorder, Church News Service (CNS) has been launched in 1990. This system lets any congregation have their church newsletter incorporated into the Biblical Recorder which saves staff time, postage and printing costs. Usually, for less than what it costs to produce the church newsletter, CNS gives the entire Baptist communication package to each family in the congregation.

The paper will focus more and more attention on North Carolina Baptists with news, features and inspirational articles which will encourage individuals and churches in their witness and ministry, where they are and to the ends of the rapidly changing world.

Never has God given Baptists a greater opportunity; never have there been as many difficulties and obstacles to overcome. One sure way to conquer problems and overcome the barriers to effective witness and ministry is to have the facts, know the issues and be adequately informed.

That is why the Recorder was born; that is why it serves today. For more information on how your church can subscribe or use CNS, contact:

NORTH CAROLINA BAPTIST COLLEGE REPORT 1990

What is the Question?

A preacher once entitled his sermon, "If Christ Is The Answer, What Is The Question?" The sermon had three points. "How can I live with myself?" "How can I live with others?" "How can I live with God?"

Your Baptist colleges attempt to confront students with life's most important questions:

What is the purpose and meaning of the created order?

How will I spend my one life?

How should I measure success?

How much is enough?

How can I best serve God and my fellow human beings?

The best gift churches and parents can give to their youth is a college education where Christian people are seeking answers to truly important questions. The Baptist college experience provides challenges and opportunities, in and out of classes, for young people to become whole, healthy persons both intellectually and spiritually. People who can think clearly about life, including faith and vocation, are the kind of persons needed to establish homes, grow churhces and build a better world.

Colleges educate. Churches call persons to faith and encourage spiritual growth. Colleges and churches, then, have distinct roles. Baptist colleges lead students to link learning with faith to produce whole, mature men and women equipped for a lifetime of learning and service.

No question about it, Baptist students and Baptist colleges belong together!

SBC SUNDAY SCHOOL BOARD REPORT

A year-long celebration of the Sunday School Board's Centennial was launched in June 1990 at the Southern Baptist Convention in New Orleans, Louisiana.

"Celebrating Heritage and Hope" is the theme of the celebration of the Board's 100 years of Southern Baptist people and churches.

"It is with gratitude to God for a heritage rooted in Holy Scripture and committed to service among Southern Baptist people that we enter our second century," said President Lloyd Elder. "We move forward buoyed by a spirit of hope and guided by the light of God's truth."

The Board was established amid controversy at the 1891 Southern Baptist Convention meeting in Birmingham, Alabama, where a record 855 messengers registered. J.M. Frost, a 42-year-old Virginia pastor, was the leading proponent of a Southern Baptist publication board, while J.B. Gambrell, editor of the Baptist Record, state paper of Mississippi, opposed the idea.

The 13-member committee named to bring a proposal to the convention commissioned a two-man subcommittee, Frost and Gambrell, to prepare the report. Gambrell offered to let Frost write the report and name the Board's location, provided that Gambrell could write the closing paragraph. Frost agreed, provided that he be allowed to write the closing sentence.

Gambrell recommended "that the fullest freedom of choice be accorded to everyone as to what literature he will use or support." Frost then urged "all brethren to give this Board a fair consideration."

Frost presented his report in a tension-filled room as messengers on both sides waited, speeches in hand. When Frost had finished, John A. Broadus, President of Southern Baptist Theological Seminary, made an impassioned appeal for peace. In silence, the report was then adopted with only 13 dissenting votes.

From its beginnings with one assignment, publishing Sunday School literature, to the present with 17 Convention-assigned programs of work, the Sunday School Board has operated from the sale of literature and services. It has never received funds from the denomination or the Cooperative Program. Instead, almost $20 million has been contributed to the operating budget of the Southern Baptist Convention through the Cooperative Program. Also more than $55.2 million has been funneled to state conventions for the support of the Sunday School Board-related programs.

Adjusting the annual contributions to 1990 dollars using the Consumer Price Index, the Board has given almost $225 million to the work of the Southern Baptist Convention and to state Baptist conventions.

In 1991, as the Sunday School Board moves into its second century, its ministry will continue through three major publishing projects.

The Baptist Hymnal will be released during a four-day celebration in Nashville, March 11-14. The first volumes of The New American Commentary will be released and available at the 1991 Southern Baptist Convention

meeting in June. And improved Sunday School literature for all ages will be introduced in October.

Elder said the Board begins its second century with a continuing commitment to the twin principles of autonomy and cooperation espoused in 1891 by Frost and Gambrell. "We appeal for the support and trust of our Southern Baptist people. Our goal is to serve all of the churches of this great denomination."

AMERICAN BIBLE SOCIETY REPORT

What do the churches of America see when they look at the American Bible Society? For those of us responsible for communicating the ABS story, we would like them to see us as an important partner of the churches to make a greater witness for Christ - a partner on the frontier of world mission and evangelism, and a partner at the local level of day-to-day community outreach and service.

The American Bible Society is only one member of the United Bible Societies, the global mission partnership of the Bible cause united around the common goal of meeting the Scripture needs of all people, everywhere. Organized into four regions (Africa, the Americas, Asis/Pacific and Europe/Middle East), UBS partners maintain an active program of Scripture translation, production and distribution in over 200 countries and territories throughout the world.

Financial resources for Bible Society work were more or less sufficient until the early 1980s. Since that time needs have continued to outstrip available funds. The UBS World Service Budget for 1990 reveals that the situation has become both relatively and absolutely worse: barely two-thirds of the global program of Scripture translation, production and distribution can be financed. At the end of 1989 the UBS had to reconcile more than $50 million worth of requests for Scripture with only $34 million in pledges from member Societies. This shortfall has meant across-the-board cutbacks in every region of the world and at every level. Furthermore, the resource gap shows no sign of narrowing in the near future. Projections indicate that over the next three years the Bible Society partnership will experience a shortfall of resources in the order of $60 million.

The reasons for this shortfall are numerous. In large part it can be attributed to the requests coming from the Soviet Union and Eastern Europe for a massive infusion of Scripture. But in many other regions of the world, the emerging pattern of Scripture needs closely follows the pattern of the churches' successful mission practices. As more and more people are reached by the Gospel, the need for Scripture grows. Thus the growing demand is created in large part by the vitality of the missionary activity of the churches. This underscores once again the mutual partnership-in-mission between the Bible Societies and the churches.

Bible Societies throughout the world distributed 666,734,464 items of Scripture last year, making 1989 the third year in a row that well over half a billion Scriptures have been distributed. In the U.S. alone, Scripture distribution climbed 13.2% over 1988 to 106,387,551 copies.

You've Been Part of a Remarkable Year

During 1989 some remarkable things happened because you supported Southern Baptist foreign missions work. Here are just a few examples.

A record 227,564 people were led to the Lord and baptized. In terms of a ratio, that means one baptism for every 10.7 Baptist church members overseas. This compares with one baptism for every 40 Southern Baptists in the United States.

Medical missionaries and national medical personnel cared for more than 1.4 million patients.

More than $5 million of your gifts helped support hunger and relief efforts in 44 nations.

Baptists produced 50,000 television and radio programs on 483 stations. They distributed 6.5 million periodicals, 3.9 million books and almost 20 million tracts.

Your support came in many forms. You prayed for, financially supported and corresponded with 3,780 foreign missionaries. And more than 10,000 of you traveled abroad to fill short-term volunteer needs.

CHURCH GROWTH OVERSEAS DURING 1989

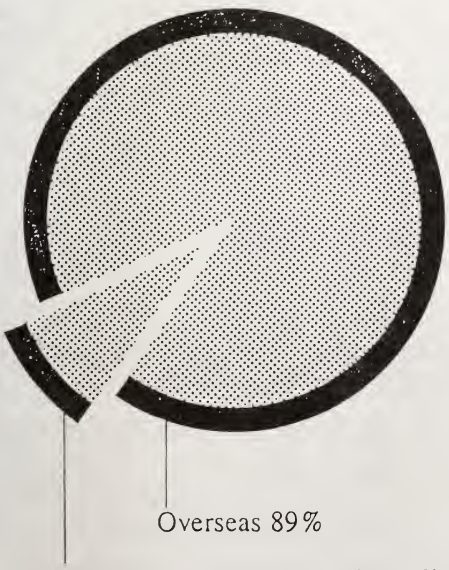
Category	*1988*	*1989*	*Change*
Baptisms	197,863	227,564	+14.9%
Churches	19,199	21,242	+10.6
Sunday School Enrollment	1,522,756	1,899,291	+23.4
Total Church Membership	2,105,066	2,450,884	+16.4
Preaching Points	18,250	21,234	+16.3

Unfortunately, for the first time since 1972, Southern Baptists finished the year with fewer foreign missionaries than they started the year with. To be precise, 87 fewer. This was part of a steady decline in appointments over the last five years.

But the outlook for the coming year appears brighter. An encouraging number of qualified people are requesting appointment information and moving through the appointment process.

The new decade presents Southern Baptists with some unparalleled opportunities. As we approach the year 2000 and the culmination of Bold Mission Thrust, there is still much work to be done.

FOREIGN MISSION BOARD BUDGET



FINANCIAL FACTS

In 1989, you gave nearly $69 million through the Cooperative Program, an increase of about $1.8 million over 1988.

You responded to reports of a budget cutback and shortfalls in missions funding in 1988 with a gratifying Lottie Moon Christmas Offering of almost $79 million. Though receipts were short of the goal, the offering received during 1989 increased 12.7 percent over the previous year.

Hunger and relief offerings decreased to $7.2 million from nearly $8.4 million in 1988, partly because national attention did not focus on a specific famine such as in Ethiopia in 1985.

Of all the funds you sent to the Foreign Mission Board, more than 61 percent, $108.1 million, was spent in direct support of foreign missionaries. That's $5 million more than in 1988.

In addition, $23.7 million was spent in direct evangelistic efforts, church planting and church leadership training. That represents 13.5 percent of all missions funds. In 1988, these activities represented 11.1 percent of funds spent.

STUDENT MINISTRY COMMITTEE REPORT

The Student Ministry Committee was formed last spring to address the needs of local college students. The committee met with Joe Clontz to discuss the strategy of organizing a Baptist Student Union on the campus of Mitchell Community College. The idea was presented to Dr. Bradshaw, Dean of Students at Mitchell Community College, by committee members and college students. As a result of this discussion the need for such ministry was recognized, however the non-denominational approach was suggested. The Student Ministry Committee plans to continue seeking ways to have a Southern Baptist influence upon local college students. If you have suggestions or interests in this ministry please contact the associational office.

Respectfully submitted,
Rev. Gary McKinna, Chairman

YOUTH COMMITTEE REPORT

In considering the importance of reaching teenagers for the Lord and His church, we must realize that a ministry with teenagers is more effective than a ministry to teenagers. It is just that simple. Churches that want to reach youth understand this principle and build their youth ministries around it. We must realize young people are much more likely to involve their friends in a ministry they have helped to develop.

With this principle in mind our committee, which includes: Tom Baker, Statesville, FBC; Paul Hill, Fairview; Mike Hyde, Cochran Street; and myself, Robert Garrett, Beulah; polled our prospective churches for ideas for reaching young people for the Lord. From this information our committee began planning an "ALMOST ANYTHING GOES EVENT" for the youth of our association. Briefly, this is an event that offers group building activities and an opportunity to find new prospects for the churches of our association. We attempted to get every church of our association involved in the planning of this event, by sending letters to all the pastors and youth workers. We had an organizational and planning meeting on May 14, 1990 at Statesville, FBC, and the event itself was held on June 2 at Beulah Baptist Church with about a hundred in attendance. We gained several prospects for our churches, as well as provided a time of fellowship and enjoyment for our young people. After the games and activities Mark Edwards from Huntersville, FBC gave an outdoor concert.

Also we offered a Youth Basketball League for all churches at Statesville, FBC. This league will also be offered next year. If interested please contact Tom Baker at Statesville, FBC or Robert Garrett at Beulah.

I hope we can continue to plan activities and ministries not just for young people but with young people. Let's remember the key word in "YOUTH Ministry" is YOUTH!

Respectfully submitted,
Rev. Robert Garrett, Chairman

MUSIC REPORT

Our Associational Music program has strived to build fellowship in our association, provide leadership training, and to provide resources for our churches. The Sunday School Board awarded our association this year with the Advanced Standard of Excellence for Associational Music Programs.

This year a quarterly newsletter, THE CONNECTION, was sent out to all music directors and pastors. This publication makes leaders aware of church music training and fellowship opportunities in our association and state.

On March 5-6, the Associational Music Training School was held at Front Street Baptist Church with many people from several churches attending classes in Music Reading, Singing, Rhythm, Beginning Handbell Technique, Piano, and Organ. A similar school will be offered on March 4-5, 1991.

A college level conducting class was offered through our association and Mitchell College to help part-time music directors gain needed conducting skills. Fourteen people were enrolled in this training opportunity.

This year's Associational Choir Festival was held at Western Avenue Baptist Church on September 23. Nine church choirs participated with nearly 1100 people in attendance. This is always a highlight of our association's year. Next year, the festival will be held at Western Avenue Baptist Church on September 22. To accommodate the desire for more mass choir anthems, the 1991 festival will provide one anthem from every participating choir, followed by several mass choir numbers, most of which will come from previous years' selections. The list of these anthems will be listed in the next issue of THE CONNECTION.

Due to lack of interest in the Pianist and Organist Fellowship and the Part-Time Music Director Fellowship, these quarterly events have been discontinued.

Two new events have been scheduled for this year. An Associational Youth Choir Retreat, March 1-2, 1991, will involve youth from all churches, even those without youth choirs. The youth will go on retreat overnight to learn their music; the following Sunday, March 3, the group will present the musical for all to see and hear.

Children's Choir Leader Training will be held at Front Street Baptist Church on August 24, 1991. This is an important training opportunity for our church music leadership.

If there is a need in your church that our associational music program can help meet, do not hesitate to call on me. To God be the glory!

Respectfully submitted,
Rev. Kenny Lamm, Associational Music Director

SUNDAY SCHOOL BREAK THROUGH

Reach To Win

In the beginning God broke through the void and nothingness, and created heaven and earth.

In the fullness of time, God broke through and sent His only Son into the world as Redeemer, Saviour, and King.

After Christ's resurrection, God broke through and sent His Holy Spirit to empower and motivate believers to preach the gospel boldly.

The Bible is the story of how God broke through to reveal himself and empower his witnesses to break through to our generation. Break through is to be our theme in Sunday School for the next five years with a different break through emphasis for each year. Break Through: Reach To Win is the 1990-91 theme.

Events and actions of this past year should help us in the next. An all-day ASSISTeam retreat was conducted on August 18. Planning meetings were held monthly as needed. Members of the ASSISTeam attended Ridgecrest and Caraway February 2, 3, 9, 10 and at other times during the year. The V.B.S. Institute was attended on March 9 at Wilkesboro for training associational leaders. May 17 church leaders participated in a Final Four Rally at Western Avenue Baptist Church. A Key Leadership Conference for Sunday School workers was conducted on August 28. Several churches observed Preparation Week in mid-September. Our fourth consecutive, Annual Associational Training School was profitable for those who attended. 161 registered Monday night representing 22 churches, and 141 registered Tuesday night representing 21 churches. The Bible Teaching Through the Sunday School series was used, and fifteen courses were offered. The ASSISTeam served in several individual churches during the year as invited.

The association achieved Standard recognition again for the third consecutive year.

The Break Through theme will dominate the following emphasis for 1990-91:

January Bible Study (Acts) - January

Break Through Spring Sunday School Meeting - April 29

Vacation Bible School Clinic - May 16

Key Leadership - August 19

Training School - September 30 - October 1

Respectfully submitted,
Rev. Jack R. Bagwell, Associational S.S. Director

BROTHERHOOD REPORT

Members of Baptist Men and Royal Ambassador organizations in our association have been busy during 1989-90. They have done volunteer work in our association, state, Dominican Republic, Venezuela, Mexico and Peru.

An Associational Brotherhood Workshop for all ages was held at Western Avenue Baptist Church in November. On the second Saturday in December the Brotherhood, under the leadership of D.W. Goforth and Carl Wright, gave a Christmas party for the prisoners at the Statesville unit. The prisoners were given Christmas cards with stamps, refreshments, and fruit. The W.M.U. supplied home-baked cookies.

Carl Wright and David Rinehardt go to the jail on Saturdays and give out tracts and New Testaments. Literature provided by different churches has been given out. Thirty-eight people have been saved so far this year.

Work is continuing for the Yokefellow ministries. The second Saturday in the month has been set aside for splitting and hauling wood for the ministry. If your church is interested in helping with the wood ministry at Yokefellow or if your church needs them, there are three hydraulic splitters available by appointment.

Carl Wright has also provided transportation to doctor's offices and hospitals in Statesville and Hickory once or twice a week.

Work has continued at South Mountain Baptist Camp. Construction and repair work on the swimming pool, a walk bridge, and a new road have been carried out.

Baptist Men have helped construct Habitat houses. A Mission Fair and Car Derby was held at Front Street Baptist Church, and winners participated in state competition. RA's and High School Baptist Young Men participated in associational basketball games. Some teams also played in a regional tournament at Gardner-Webb College. A sports banquet was held.

A track meet was held in May for RA's and HSBYM at West Iredell High School, and the winners represented our association in state events.

Mooresville First and Beulah Baptist Men's Softball teams represented our association in the state competition.

Howard Ammons of Peninsula Baptist in Mooresville won the National Missions Speak Out Competition. He won the 1990 National HSBYM Speak Out Competition as well as a N.C. Speak Out Competition earlier this year. He received a $1,000.00 college scholarship, a free overseas mission trip to the Dominican Republic, and other gifts. The mission trip was led by Kent Jewell and Bob Foy.

The National RA Leader Awards of Merit were presented during the Southern Baptist Convention meeting in New Orleans in June. Bob Foy, a member of Peninsula Baptist, received an award. Bob has served as a member of the State RA Committee, HSBYM's Director, and RA Director for Mecklenburg and South Yadkin Baptist Associations and is serving this

year as HSBYM's Director and Lay Renewal Coordinator in South Yadkin Association. He also works in Lay Renewal on the state level.

The utility trailer has been used by several different churches this year. It is available to you by appointment.

Respectfully submitted,
Wes Lytton, Brotherhood Director

PLACE AND PREACHER COMMITTEE REPORT

The Place and Preacher Committee would like to submit the following nominations for our 1991 Annual Meeting.

The first session of the Annual Meeting will be held on Monday, October 21, 1991 at the Front Street Baptist Church of Statesville. The second session will be held at the First Baptist Church of Mooresville.

Furthermore our committee wishes to nominate the Rev. J.B. Parker, Jr., Pastor of Cochran Street Baptist Church, to preach the annual sermon with the Rev. Robert Jackson, Pastor of Peninsula Baptist Church, serving as the alternate.

Respectfully submitted,
Rev. Terry Belew, Chairman

HISTORY OF COCHRAN STREET BAPTIST CHURCH

Cochran Street Baptist Church began as Cochran Street Mission by Mr. Mac Bustle. On February 6, 1949, Western Avenue Baptist Church purchased the property, with intentions of the continuation of a mission. With the help of other churches in the South Yadkin Baptist Association, the buildings were put in good repair and a piano was purchased.

Mission work began on Sunday, April 24, 1949 with Mr. Lonnie Joyner as Superintendent of the Mission Sunday School. Seven people from Western Avenue joined Mr. Joyner to staff the Sunday School.

On August 24, 1949 Rev. W.H. Ferguson was called as first pastor with services two Sunday mornings a month. The Woman's Missionary Society was organized in September 1949 and continued until the early 1950's. Baptist Training Union was organized in October 1950.

Cochran Street Mission was constituted into a self-supporting Baptist Church on March 16, 1952. Thirty-four members of Western Avenue Baptist Church presented themselves as charter members. Rev. Lester Beckham, who was serving as Mission Pastor, became the first pastor of the church. Rev. Jimmy Parks was called as pastor in 1974, and Dr. James B. Parker, Jr. became pastor in 1980.

The W.M.U. was reorganized in 1980, and the Brotherhood was organized in 1981. The church now has a full graded missions program in W.M.U. and Brotherhood.

The sanctuary was remodeled in 1982. In 1984 a Fellowship Hall and office complex was built. A new sanctuary was constructed in 1987.

The church now has a staff of four. In addition to the full program of the church, it also has a weekly radio ministry, ministers to four rest homes and has a tape ministry to some 40 shut-ins. It also has a graded music program.

The Cochran Street Baptist Church now has a membership of 685.

Respectfully submitted,
Peggy Feimster, Historian

EATON'S BAPTIST CHURCH HISTORY

Eatons Baptist Church was constituted as a regular Baptist Church on October 5, 1772, on the "Banks of Dutchman's Creek" in Rowan County (the part of Rowan that is now Davie County), in the Forks of the Yadkin. There were 10 original members, including the first pastor, Rev. William Cook.

The Revolutionary War caused a disturbance which may have caused a disruption in the organization of the church. After the war the church was re-organized and Rev. Lazarus Whitehead was installed as Pastor.

A Sabbath School was established at Eatons in April, 1845. In 1848 a new building was erected and dedicated. The building was remodeled in 1890. The present brick building was begun in 1925 and dedicated on the fifth Sunday of June, 1930. A parsonage was started in 1958. Plans for the building were drawn by Rev. J.W. Owen, who was the first full-time pastor to serve Eatons Church. On September 22, 1963 the parsonage was dedicated. Rev. Edward Laughridge was pastor at this time. In April, 1979 a new Educational Building was begun. The dedication was on December 7, 1986. Rev. Walter Howell was pastor.

The Woman's Missionary Union was organized in 1911. Baptist Young People's Union was organized in 1918. Five churches were organized from Eatons: Providence, Surry County; Cross Roads, Yadkin County; Union Hill, Forsyth County; Farmington, Davie County; and Cedar Creek, Davie County (black). There have been eight ministers ordained from Eatons Baptist Church. They have had 44 part-time pastors and 10 full-time pastors, including the present pastor, Rev. David L. Gilbreath, who came to serve at Eatons in 1987.

DIRECTOR OF MISSIONS REPORT

What is an association? South Yadkin Baptist Association is you, a family of churches, a fellowship of 53 Southern Baptist Churches in Iredell, Davie, and Rowan Counties. Your association is what you make it through participation, communication, and financial support.

We serve to strengthen our churches, deepen appreciation for Baptist history and heritage, and raise awareness of missions and ministries. We care for one another and together serve Christ and share His good news. From one another we receive encouragement, strength, fellowship, inspiration, and mutual support.

During the past year the association has provided many opportunities and activities, such as:

Sunday School Leadership Training
Music Training and Choir Festival
The many activities sponsored by the Brotherhood and W.M.U.
Literacy Missions
V.B.S. Clinic

In addition we participated in the "Here's Hope Revivals" this past spring. Twenty-seven of our churches were involved and reported at least 83 additions, 69 of them by baptism. We held a Christian Money Management Workshop. We're still in the Brazil Partnership. We have received what will probably be the last request May 10-20, 1991 to aid in their Simultaneous Revivals. The request is for 10 teams to come from our association and the South Fork Association.

It is a privilege tc serve in the South Yadkin Association. If I can be of help to you or your church, please call on me.

Respectfully submitted,
Rev. Eugene B. Hager, D.O.M.

RESOLUTIONS COMMITTEE REPORT

Acknowledging the presence of God during this 117th Annual Session of the South Yadkin Baptist Association and having sought His leadership, be it resolved;

1. That we express our sincere appreciation to the host churches, Eatons Baptist and Cochran Street Baptist, and their pastors, Rev. David Gilbreath and Rev. J.B. Parker, Jr., who so graciously welcomed us and assisted us in the use of their facilities;

2. That we give a special thanks to the ladies of Eatons and Cochran Street Churches who prepared and served the delicious meals;

3. That we give thanks to God for our associational officers and committee members who carried out their responsibilities in such a dedicated manner and that we commit ourselves to pray for those who will be assuming places of leadership this coming year;

4. That we express gratitude to our Moderator, Rev. Gary Marshall, and Vice-Moderator, Rev. Scott Eanes, for the kind and loving spirits they have shown as they have led our association for the past two years;

5. That we express appreciation to Rev. Kenny Lamm, who coordinated the music, to the musicians, and all those who presented special music and added so much to our meetings;

6. That we thank Rev. Glenn Dancy, Rev. Howard Wagoner, Rev. Steven Cox, and Rev. Cecil Herrin for challenging us and inspiring us by their messages and that we acknowledge with appreciation all others who had a part on the program;

7. That we extend our appreciation to Rev. Eugene Hager, Mr. Aubrey Walker, and Mrs. Sandy Hyde for the faithful manner in which they serve us daily;

8. We further resolve that we the messengers of the South Yadkin Baptist Association bear in mind the purpose of this organization as stated in Article III of our Constitution which reads as follows:

> The primary purpose of this Association shall be to counsel together for the advancement of the cause of Christ for the promotion of unity and growth among the churches composing the Association; furthermore, it is the purpose of this Association to cooperate with the North Carolina Baptist State Convention and the Southern Baptist Convention and their agencies in the work of Missions, Christian Education and Social Ministries.

Therefore, we resolve that in keeping with this purpose we will serve in the coming year in a spirit of unity, always lifting each other up in prayer and communicating brotherly love in all we do and say.

APPRECIATION FOR MR. J.E. OXFORD

Whereas, Mr. J.E. Oxford has served faithfully and effectively as Treasurer of the South Yadkin Baptist Association for 17 years and is now retiring from this position and,

Whereas, he is always faithful in attending our meetings, efficient in making reports, and is honest and trustworthy with the money that passes through his hands,

We, the South Yadkin Baptist Association on this 22nd day of October, 1990 do hereby resolve:

1. That we express to Mr. J.E. Oxford our gratitude for these many years of loving and faithful service.

2. That we commend him for the example and inspiration of his Christian walk before us, and,

3. That we assure him of our love and pray the Lord's richest blessings upon him.

Respectfully submitted,
Mrs. Pat Hancock, Chairman
